14 “(5)(a) The amount of an abatement granted under this section shall be deducted from  
15 the property taxes that would otherwise be payable with respect to the brownfield for the  
16 property tax year.

17 “(b) The amount of the abatement may not be deducted from property taxes assessed  
18 against any other property or, except as provided in subsection (3) of this section, for any  
19 other property tax year.

20 “(6) The amount of the property taxes imposed, the amount of the abatement, the  
21 amount of property taxes due after subtraction of the abatement and any amounts allowed  
22 under subsection (3) of this section that carry forward shall be shown on the written state-  
23 ment of property taxes payable delivered to the owner for the property tax year under ORS  
24 311.250.

25 “(7) The county assessor shall note the amount of the abatement as a potential additional  
26 tax liability on the assessment and tax rolls of the county.

27 “SECTION 13. (1)(a) In addition to any other remedy the governing body may have at law,  
28 the governing body of a county or city may modify an abatement granted under section 10

31 “(b) The governing body of a county or city may revoke an abatement granted under  
32 section 10 of this 2015 Act on reliable documentary evidence that the owner of the brownfield

35 “(2) The governing body shall promptly notify the county assessor of any modification  
36 or revocation with respect to a property tax abatement granted under section 10 this 2015  
37 Act.

38 “(3) If the governing body makes a modification that results in an increase in property  
39 taxes for a prior property tax year, the amount of the increase shall be added to the property  
40 taxes imposed on the brownfield:

41 “(a) If the modification occurs on or after January 1 and before July 1, for the current  
42 property tax year.

43 “(b) If the modification occurs on or after July 1 and before January 1, for the next fol-
