SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure.

Requires that National League of Families' POW/MIA flag be displayed with Oregon State flag on public buildings in this state. Excepts existing public buildings that lack capacity to simultaneously display three flags.

A BILL FOR AN ACT

Relating to displaying the National League of Families' POW/MIA flag on public buildings; amending ORS 186.110.

Whereas the National League of Families' POW/MIA flag originated in 1970, when Mary Hoff, member of the National League of American Prisoners and Missing in Southeast Asia and wife of a service member missing in action in the Vietnam War, recognized the need for a symbol of citizen concern about United States military personnel taken as prisoners of war or listed as missing in action; and

Whereas the POW/MIA flag was designed by Newton Heisley, a former World War II pilot, who worked for Annin Flagmakers; and

Whereas the image on the POW/MIA flag was never copyrighted and is now part of the public domain; and

Whereas in 1982, the POW/MIA flag became the only flag other than the United States flag to fly over the White House in Washington, D.C., and in 1989 became the only flag ever displayed in the rotunda of the United States Capitol; and

Whereas on August 10, 1990, Congress passed Public Law 101-355, recognizing the POW/MIA flag and designating it as "the symbol of our Nation's concern and commitment to resolving as fully as possible the fates of Americans still prisoner, missing and unaccounted for in Southeast Asia, thus ending the uncertainty for their families and the Nation"; and

Whereas though the POW/MIA flag originated during the Vietnam War, the flag has come to be a symbol for service members taken as prisoners of war or listed as missing in action from all United States wars; and

Whereas the State of Oregon is committed to recognizing and remembering all United States military personnel taken prisoner, missing or unaccounted for, and honoring the strength and sacrifice of their families and loved ones; now, therefore,

Be It Enacted by the People of the State of Oregon:
