1 issues;

2 (b) Coordinating cyber-security education among post-secondary institutions of education
3 in Oregon in order to create meaningful cyber-educational standards;

4 (c) Developing cyber-competitions and other programs to build practical workforce skills
5 necessary to address cyber-management and cyber-security threats;

6 (d) Sharing cyber-expertise and disseminating best practices for cyber-education and
7 cyber-safety;

8 (e) Facilitating cyber-security research; and

9 (f) Encouraging industry investment and partnership with post-secondary institutions of
10 education and other career readiness programs.

11 (5) The center must conduct biennial performance reviews of all investments made with
12 public funds for the purpose of improving cyber-expertise in public and private institutions.
13 The reviews must be submitted to the Higher Education Coordinating Commission, the State
14 Workforce Investment Board, the Department of Justice and the STEM Investment Council.

15 (6) In order to ensure that the center is effectively performing its duties under this
16 section, the center shall track key performance indicators and report annually on the status
17 of these performance indicators to the Department of Consumer and Business Services. The
18 performance indicators tracked by the center and reported to the department must include,
19 but are not limited to:

20 (a) The improvement in workforce development, as measured by the increased number
21 of students enrolled in cyber-related programs annually;

22 (b) The success of the center in identifying critical post-graduate or post-secondary
23 cyber-credentials, as determined each biennium by:

24 (A) The number of new and existing continuing education and workforce training hours
25 offered; and

26 (B) The number of workers trained by affiliate programs;

27 (c) The annual amount of independent support funds raised for research and fees for
28 services in support of the center;

29 (d) Community involvement and the number of independent businesses involved with ed-
30 ucational and response activity through the center on an annual basis;

31 (e) The number of businesses that create business continuity plans or that use the
32 center's cyber-security tools annually; and

33 (f) The ability of the center to develop methods to track potential risk and the resulting
34 amount of money saved by Oregon businesses annually.

35 **SECTION 2.** (1) The Center of Cyber-Excellence Fund is established in the State Treas-
36 ury, separate and distinct from the General Fund. Interest earned by the Center of Cyber-
37 Excellence Fund shall be credited to the fund.

38 (2) Moneys in the fund shall consist of:

39 (a) Amounts donated to the fund;

40 (b) Amounts appropriated or otherwise transferred to the fund by the Legislative As-
41 sembly;

42 (c) Investment earnings received on moneys in the fund; and

43 (d) Other amounts deposited in the fund from any source.

44 (3) Moneys in the fund are continuously appropriated to the Department of Consumer
45 and Business Services for allocation to the Oregon Center of Cyber-Excellence. The center

1 shall use the moneys in the fund established by this section solely for the purpose of in-
2 vesting in cyber-protection, cyber-education and cyber-workforce training, in accordance
3 with the functions of the center and the criteria and measurements established by the center
4 under section 1 of this 2015 Act.

5 **SECTION 3.** In addition to and not in lieu of any other appropriation, there is appropri-
6 ated to the Department of Consumer and Business Services, for the biennium beginning July
7 1, 2015, out of the General Fund, the amount of \$2,500,654 to be allocated to the Oregon
8 Center of Cyber-Excellence for the purposes specified in section 1 of this 2015 Act.

9 **SECTION 4.** This 2015 Act being necessary for the immediate preservation of the public
10 peace, health and safety, an emergency is declared to exist, and this 2015 Act takes effect
11 on its passage.
