40 **NOTE:** Section 14 was deleted by amendment. Subsequent sections were not renumbered.

41 **SECTION 15.** ORS 291.445 is amended to read:

42 291.445. (1) Before July 1 of each fiscal year, the Oregon Department of Administrative Services
43 shall request from the appropriate state agency a certificate as prescribed in this section. The re-
44 quest shall be made by letter to the agency.

45 (2) Each state agency authorized to issue general obligation bonds that are ordinarily to be re-

1 paid from other than General Fund appropriations shall, on or before August 15 of each fiscal year:

2 (a) Certify to the Director of the Oregon Department of Administrative Services that the
3 amounts available or that will become available during the current year to the bond program debt
4 service fund to pay bond principal and interest that has accrued or will accrue during the current
5 year are sufficient and will be sufficient to pay bond program principal and interest scheduled for
6 payment during the current year; or

7 (b) Certify to the Director of the Oregon Department of Administrative Services that the
8 amounts available or that will become available during the current year to the bond program debt
9 service fund will not be sufficient to pay bond program principal and interest scheduled for payment
10 during the current year. A certificate issued under this paragraph shall specify the amount of the
11 anticipated current year deficit. The Director of the Oregon Department of Administrative Services
12 shall review and confirm the correctness of each certification made under this paragraph.

13 (3) On or before August 15 of each fiscal year, the administrative division of the Oregon De-
14 partment of Administrative Services that has primary responsibility for accounting for each general
15 obligation bond program in which the bond principal and interest is ordinarily to be repaid from
16 General Fund appropriations shall:

17 (a) Certify to the Director of the Oregon Department of Administrative Services that the
18 amounts available or that will become available during the current year from General Fund appro-
19 priations to defray program bond principal and interest that has accrued or will accrue during the
20 current year are sufficient and will be sufficient to pay program bond principal and interest sched-
21 uled for payment during the current year; or

22 (b) Certify to the Director of the Oregon Department of Administrative Services that the
23 amounts available or that will become available during the current year from General Fund appro-
24 priations will not be sufficient to pay program bond principal and interest scheduled for payment
25 during the current year. A certificate issued under this paragraph shall specify the amount of the
26 anticipated current year deficit.

27 (4)(a) If a deficit in funds available to pay principal and interest in any general obligation bond
28 program is certified and confirmed under subsection (2) or certified under subsection (3) of this
29 section, the amount of the deficit, together with any deficit that is certified for any other general
30 obligation bond program shall upon certification constitute a state tax levy on property that shall
31 be apportioned among and charged to the several counties in that proportion which the total as-
32 sessed value of all the taxable property in each county bears to the total assessed value of all the
33 taxable property of the state as equalized.

34 (b) If any agency fails to make the certification under subsection (2) or (3) of this section with
35 respect to any general obligation bond fund program, the Oregon Department of Administrative
36 Services shall determine the amount of revenue and other funds that are available and the amount
37 of taxes, if any, that should be levied in addition to the revenues and funds, to pay bond principal
38 and interest under the program for the fiscal year in question. The additional amount so determined
39 shall thereupon constitute a state tax levy on property that shall be apportioned, certified, collected
40 and distributed as if determined and certified as a deficit by the agency. The Oregon Department
41 of Administrative Services shall charge the agency for cost recovery for time spent on that agency's
42 behalf.

43 (5) Immediately after the department has determined the amount of a state tax levy on property
44 in accordance with subsection (4) of this section, a certificate of levy, signed by the director of the
45 department, shall be filed in the office of the department. If no state levy is required for the fiscal

1 or tax year, a certificate so stating and signed by the director shall be filed in the office of the de-
2 partment.

3 (6) If, for any reason, after the close of any regular session of the Legislative Assembly, it be-
4 comes necessary to reduce General Fund appropriations, General Fund appropriations for a debt
5 service fund of a general obligation bond program described under subsection (3) of this section may
6 not be reduced.

7 (7) For purposes of this section:

8 (a) State agencies that are authorized to issue general obligation bonds ordinarily to be repaid
9 from other than General Fund appropriations include but are not limited to:

22 of the university, the State Treasurer must review and approve all plans to issue revenue bonds of
23 the university and to execute other obligations related to the revenue bonds.

24 (2) The State Treasurer shall limit the scope of review and approval under subsection (1) of this
25 section to consideration of periodic cash flow projections and other information necessary to deter-
26 mine the sufficiency of the cash flow of the university with a governing board to pay any loans from
27 state agencies funded with the proceeds of state bonds and to pay costs for:

28 (a) State bonds issued for the benefit of the university with a governing board pursuant to Ar-

36 [(4) *For the purposes of ORS chapter 286A, a university with a governing board has the powers*

40 [(b) *Are authorized under ORS 286A.035 and issued on or after August 14, 2013, for the benefit*
41 *of a university with a governing board.*]

42 **SECTION 18.** ORS 351.379 is amended to read:

43 351.379. (1) ORS 351.365 to 351.379 do not impair the obligations, as defined in ORS 286A.100,
44 or agreements of the State of Oregon or the State Board of Higher Education with respect to state
45 bonds issued before August 14, 2013, for the benefit of a university with a governing board.

1 (2) A university with a governing board [*and the Oregon University System*] shall take all actions
 2 necessary to ensure full compliance with the operative documents executed with respect to state
 3 bonds issued before, on or after August 14, 2013, by the State Treasurer for the benefit of the uni-

5 (3) The State Treasurer, **in consultation with the Oregon Department of Administrative**
 6 **Services**, [*and the Oregon University System*] shall [*promptly*] **at least annually** provide a university
 7 [*that acquires*] **with** a governing board [*with*] a schedule of outstanding state bonds and other obli-

 9 determining the amounts. **To prepare the schedule, the State Treasurer may request and rely**
 10 **upon information produced by one or more universities with a governing board or a shared**
 11 **services enterprise of the universities that provides services related to debt management.**

12 The schedule must include amounts sufficient to pay principal, interest and premium, if any, on the
 13 state bonds, and to pay administrative and other costs of the State of Oregon that are related to the
 14 state bonds or other obligations. If the State Treasurer issues state bonds for the benefit of a uni-
 15 versity with a governing board on or after August 14, 2013, that are intended to be repaid in whole
 16 or in part by university revenues or other moneys under the control of the university, the schedule
 17 shall be amended to include such state bonds and the amounts to be paid by the university. In the
 18 absence of manifest error, the schedule provided by the State Treasurer [*and the Oregon University*
 19 *System*] to a university with a governing board is binding on the university. The university with a
 20 governing board shall pay the amounts specified in the schedule provided by the State Treasurer
 21 [*and the Oregon University System*] on or before the dates specified in the schedule from the legally
 22 available revenue of the university and on a pari passu basis with the payment of any revenue bonds
 23 of the university issued pursuant to ORS 351.374.

24 (4) At the request of the State Treasurer, a university with a governing board shall provide the
 25 State Treasurer with periodic cash flow projections and other information that allow the State
 26 Treasurer to review and approve the sufficiency of the university's cash flow to pay amounts spec-
 27 ified in the schedule described in subsection (3) of this section and to pay amounts owed under loans
 28 from state agencies that were funded with the proceeds of state bonds.

29 (5) Moneys deposited with the State Treasurer[, *the Controller of the Oregon University System*]
 30 or the Oregon Department of Administrative Services in a debt service reserve account or otherwise
 31 for the portion of the debt service associated with obligations entered into before August 14, 2013,
 32 for the benefit of a university with a governing board must remain with the State Treasurer[, *the*
 33 *Controller of the Oregon University System*] or the Oregon Department of Administrative Services
 34 until the obligations have been retired or defeased. Earnings on moneys described in this subsection
 35 must be credited to the account or fund in which the moneys are held.

36 (6) The principal, interest, premium, if any, and any issuance costs of state bonds issued before,
 37 on or after August 14, 2013, for the benefit of a university with a governing board, and any related
 38 credit enhancement device or interest rate exchange agreement, shall be paid from the sources
 39 identified in the laws and operative documents authorizing the state bonds. The university with a
 40 governing board for which the state bonds were issued shall pay any other expenses and liabilities,
 41 including, but not limited to, legal expenses arising from an inquiry, audit or other action by a fed-
 42 eral or state regulatory body, unless the expense or liability results solely from the negligence or
 43 willful misconduct of a state agency.

44 (7) Pursuant to ORS chapter 180, on behalf of the State Treasurer or any other state agency,
 45 the Attorney General shall appear, commence, prosecute or defend any action, suit, matter, cause

1 or proceeding arising from any state bond issued for the benefit of a university with a governing
2 board and any related credit enhancement device or interest rate exchange agreement. As soon as
3 practicable after a governing board is established by a university pursuant to ORS 352.054, the
4 university with a governing board and the State Treasurer shall enter into an agreement that ad-
5 dresses reimbursement of reasonable costs and expenses associated with the legal representation of
6 the State Treasurer in connection with state bonds issued for the benefit of the university with a
7 governing board before, on or after August 14, 2013, and any other topic necessary for the Depart-
8 ment of Justice to provide legal representation to the State Treasurer in connection with state
9 bonds issued for the benefit of the university with a governing board and to provide representation
10 related to funds and accounts or services provided under ORS 352.135.

11 (8) A university with a governing board shall assume responsibility[, *in accordance with agree-*
12 *ments entered into with the Department of Justice and the State Treasurer,*] for the indemnity and
13 defense of university officers, agents and employees with regard to, as applicable, claims asserted
14 and actions commenced in connection with state bonds issued for the benefit of the university with
15 a governing board.

23 (3) The Higher Education Coordinating Commission shall:

24 (a) Advise and assist the Oregon Education Investment Board on:

30 (C) Coordination of the post-secondary elements of data collection and structure, with the advice

33 of a state longitudinal data system, as authorized by law.

34 (b) Adopt a strategic plan for achieving state post-secondary education goals, taking into con-

44 the strategic plan described in this paragraph.

45 (c)(A) Each biennium, after receiving funding requests from the state’s community colleges and

1 public universities as authorized by law, recommend to the Governor and the Oregon Education
2 Investment Board a consolidated higher education budget request aligned with the strategic plan
3 described in subsection (3)(b) of this section, including appropriations for:

4 (i) Student access programs;

5 (ii) Public universities listed in ORS 352.002, including but not limited to education and general
6 operations, statewide public services and state-funded debt service;

7 (iii) Community colleges, including but not limited to education and general operations and
8 state-funded debt service;

9 (iv) New facilities or programs;

10 (v) Capital improvements and deferred maintenance; and

11 (vi) Special initiatives and investments.

12 (B) In the development of the consolidated higher education budget request:

14 (ii) Solicit input from educators, education policy experts, appropriate legislative committees,
15 students and other persons interested in the development of the funding model; and

16 (iii) Solicit public input regarding educational priorities.

17 (d) Adopt rules governing the distribution of appropriations from the Legislative Assembly to
18 community colleges, public universities listed in ORS 352.002 and student access programs. These
19 rules must be based on allocation formulas developed in consultation with the state's community
20 colleges and public universities, as appropriate.

21 (e) Approve or disapprove any significant change to the academic program of a community col-

4 state for purposes of ORS 348.594 to 348.615. The commission, by rule, may impose a fee on any
5 educational institution that seeks to operate under or participate in such interstate agreements. The
6 fee amount shall be established to recover designated expenses incurred by the commission in par-

30 (6) With the exception of the rulemaking authority granted in subsection (5) of this section, the
31 Higher Education Coordinating Commission may delegate any of its powers, duties or functions to
32 a committee of the commission or to the executive director of the commission.

33 (7) The Higher Education Coordinating Commission may establish technical or advisory com-
34 mittees to assist the commission in exercising its powers, duties and functions.

3 cation system, including community colleges and public universities listed in ORS 352.002, and for
4 student access programs.

5 (b) Determine strategic investments in the state's community colleges, public universities and

21 (e)(A) Each biennium, after receiving funding requests from the state's community colleges and
22 public universities as authorized by law, recommend to the Governor a consolidated higher educa-
23 tion budget request aligned with the strategic plan described in subsection (3)(d) of this section, in-
24 cluding appropriations for:

25 (i) Student access programs;

26 (ii) Public universities listed in ORS 352.002, including but not limited to education and general

39 (E) Reciprocity agreements with other states.

40 (d) In coordination with the State Board of Education, enhance the use and quality of dual
41 credit, career and technical pathways and efforts to create a culture of college attendance in this
