11 *in the person's sentence*] **lead to a finding that the person is actually innocent of the offense for**  
12 **which the person was convicted.**

13 **(2) The state shall answer the motion requesting the performance of DNA testing and**  
14 **may refute the basis for the motion.**

15 **(3) Upon the motion of a party or the court's own motion, the court may allow the tes-**

18 **allow testimony from the victim of the offense without the consent of the victim.**

19 [(2)] (4) The court shall order the DNA testing requested in a motion under subsection (1) of this  
20 section if the court finds that:

27 administration of justice; and

28 (d) There is a reasonable possibility, **assuming exculpatory results**, that the testing [*will*  
29 *produce exculpatory evidence that would establish the innocence of the person of:*]

30 [(A) *The offense for which the person was convicted; or*]

31 [(B) *Conduct, if the exoneration of the person of the conduct would result in a mandatory reduction*  
32 *in the person's sentence*] **would lead to a finding that the person is actually innocent of the of-**  
33 **fense for which the person was convicted.**

34 [(3)] (5) In granting a motion under this section, the court may impose reasonable conditions  
35 designed to protect the interests of the state in the integrity of the evidence and the testing process.

36 [(4)] (6) Unless both parties agree **or the court finds compelling circumstances** otherwise, the

39 that failure reasonably affected the accuracy of the DNA test.

42 person is incarcerated, if the person is financially able to pay; or

4 the circuit court shall consider the motion. If the court grants the motion, the court shall notify the  
5 court considering the appeal or post-conviction petition of that fact. When a court receives notice

5 may file a motion under this subsection at any time during the 60-day period that begins on the date
