13 whose official involvement in an incident in which the use of deadly physical force by a police offi-
14 cer resulted in the death of a person:

15 (A) Began before or during the use of the deadly physical force; and

16 (B) Was reasonably likely to have exposed the police officer to greater stresses or trauma than
17 other police officers experienced as a result of their involvement in the incident before or during
18 the use of the deadly physical force.

19 (2) A law enforcement agency shall adopt a policy dealing with the use of deadly physical force
