30 by the Department of Human Services, from the JOBS Plus Program and suspension of the

30 professional employment organization or temporary employment agency, the organization where the  
31 participant has been placed to perform services and the State of Oregon. The three-party agreement  
32 shall include provisions requiring that all JOBS Plus reimbursements received by the professional

15 *months after a termination under this paragraph, unless within one month of the effective date of the*  
16 *termination the noncompliant individual participates in suitable activities required by the case plan for*

28 from any other person to a family member for whom the applicant is applying for or receiving aid.  
29 If aid is paid and received for the support of a child, the rights to child support that any person  
30 may have for the child are deemed to have been assigned by operation of law to the state. Notice

42 rules defining good cause, other exceptions to cooperation and noncooperation by an applicant or  
43 recipient, and setting the sanction for noncooperation. The sanction may include total ineligibility  
44 of the family for aid, but in no situation may the sanction be less than a 25 percent reduction of the

19 **SECTION 20.** ORS 412.089 is amended to read:

20 412.089. (1) The Department of Human Services shall refer a person applying for or receiving  
21 temporary assistance for needy families to an evaluation by a mental health or drug abuse profes-

37 412.161. The Legislative Assembly finds:

38 (1) That the provision of public assistance to children *[dependent by reasons of unemployment of*  
39 *parents]* **in very low income families** would help keep families together and reduce hardship in  
40 times of high unemployment;

41 (2) That the lack of public assistance to two-parent unemployed families does not produce sig-  
42 nificant financial savings for the State of Oregon since family break-up increases the number of  
43 single-parent families receiving public assistance;

44 (3) That children in two-parent unemployed families have needs as urgent as those of children  
45 in single-parent unemployed families;

1 (4) That the provision of public assistance to two-parent unemployed families [would] **may** pro-  
2 vide access to medical care for these families, health being one of the prerequisites to seeking and  
3 maintaining employment;

4 (5) That because federal law [now] requires [recent] **active participation in** employment [and  
5 *active work search*] **and other alternatives** to be eligible for federal funds for public assistance [to  
6 *two-parent unemployed families*], the availability of federal funds helps those families who are trying  
7 hardest to help themselves be self-supporting; and

8 (6) That additional funds need to be made available in the temporary assistance for needy fam-  
9 ilies program to effectuate this policy.

10 **SECTION 22.** Section 1, chapter 604, Oregon Laws 2011, as amended by section 82, chapter 107,

17 to the temporary assistance for needy families program and required to participate in the job op-  
18 portunity and basic skills program described in ORS 412.006. This process must occur prior to any

30 activity for purposes of ORS 412.001 to 412.069, except for recipients who have a case plan in effect  
31 on June 30, 2011, that approves enrollment in and attendance at an educational institution as an  
32 allowable work activity under ORS 412.016.

33 (6) Deny or terminate aid to a family in which a caretaker relative is separated from employ-  
34 ment without good cause, subject to exceptions prescribed by the department by rule. The family  
35 shall be ineligible to receive aid for a period of 120 days beginning on the date the caretaker rela-  
36 tive is separated from employment without good cause.

37 (7) Establish an income eligibility limit equal to 185 percent of the federal poverty guidelines for  
38 aid to a dependent child residing with a caretaker relative who is not the child's parent.

39 **SECTION 23.** Section 7, chapter 604, Oregon Laws 2011, as amended by section 24, chapter 722,  
40 Oregon Laws 2013, is amended to read:
