(2) The State Department of Fish and Wildlife may, prior to January 1, 2020, charge the fees provided for in section 2 of this 2015 Act, as amended by section 5 of this 2015 Act, for

1 **registrations made, certificates filed, and licenses, permits, tags, stamps and transfers ap-**

4 **WILDLIFE LAWS: GENERAL PROVISIONS**

5
6 **SECTION 7.** ORS 496.146 is amended to read:

7 496.146. In addition to any other duties or powers provided by law, the State Fish and Wildlife
8 Commission:

9 (1) May accept, from whatever source, appropriations, gifts or grants of money or other property
10 for the purposes of wildlife management, and use such money or property for wildlife management
11 purposes.

12 (2) May sell or exchange property owned by the state and used for wildlife management pur-
13 poses when the commission determines that such sale or exchange would be advantageous to the
14 state wildlife policy and management programs.

15 (3) May acquire, introduce, propagate and stock wildlife species in such manner as the com-
16 mission determines will carry out the state wildlife policy and management programs.

17 (4) May by rule authorize the issuance of such licenses, tags and permits for angling, taking,
18 hunting and trapping and may prescribe such tagging and sealing procedures as the commission
19 determines necessary to carry out the provisions of the wildlife laws or to obtain information for
20 use in wildlife management. Permits issued pursuant to this subsection may include special hunting
21 permits for a person and immediate family members of the person to hunt on land owned by that
22 person in areas where permits for deer or elk are limited by quota. As used in this subsection,
23 "immediate family members" means husband, wife, father, mother, brothers, brothers-in-law, sisters,
24 sisters-in-law, sons, **sons-in-law**, daughters, **daughters-in-law**, stepchildren and grandchildren. A
25 landowner who is qualified to receive landowner preference tags from the commission may request
26 two additional tags for providing public access and two additional tags for wildlife habitat programs.
27 This request shall be made to the Access and Habitat Board with supporting evidence that the ac-
28 cess is significant and the habitat programs benefit wildlife. The board may recommend that the
29 commission grant the request. When a landowner is qualified under landowner preference rules
30 adopted by the commission and receives a controlled hunt tag for that unit or a landowner prefer-
31 ence tag for the landowner's property and does not use the tag during the regular season, the
32 landowner may use that tag to take an antlerless animal, when approved by the State Department
33 of Fish and Wildlife, to alleviate damage that is presently occurring to the landowner's property.

34 (5) May by rule prescribe procedures requiring the holder of any license, tag or permit issued
35 pursuant to the wildlife laws to keep records and make reports concerning the time, manner and
36 place of taking wildlife, the quantities taken and such other information as the commission deter-
37 mines necessary for proper enforcement of the wildlife laws or to obtain information for use in
38 wildlife management.

39 (6) May establish special hunting and angling areas or seasons in which only persons less than
40 18 years of age or over 65 years of age are permitted to hunt or angle.

41 (7) May acquire by purchase, lease, agreement or gift real property and all appropriate interests
42 therein for wildlife management and wildlife-oriented recreation purposes.

43 (8) May acquire by purchase, lease, agreement, gift, exercise of eminent domain or otherwise
44 real property and all interests therein and establish, operate and maintain thereon public hunting
45 areas.

1 (9) May establish and develop wildlife refuge and management areas and prescribe rules gov-
2 erning the use of such areas and the use of wildlife refuge and management areas established and
3 developed pursuant to any other provision of law.

4 (10) May by rule prescribe fees for licenses, tags, permits and applications issued or required
5 pursuant to the wildlife laws, and user charges for angling, hunting or other recreational uses of
6 lands owned or managed by the commission, unless such fees or user charges are otherwise pre-
7 scribed by law. [*Except for licenses issued pursuant to subsection (14) of this section,*] No fee or user
8 charge prescribed by the commission pursuant to this subsection shall exceed [*\$100*] **\$250**.

9 (11) May enter into contracts with any person or governmental agency for the development and
10 encouragement of wildlife research and management programs and projects.

11 (12) May perform such acts as may be necessary for the establishment and implementation of
12 cooperative wildlife management programs with agencies of the federal government.

13 (13) May offer and pay rewards for the arrest and conviction of any person who has violated
14 any of the wildlife laws. No such reward shall exceed [*\$100*] **\$1,000** for any one arrest and con-
15 viction.

16 (14) May by rule prescribe fees for falconry licenses issued pursuant to the wildlife laws, unless
17 such fees are otherwise prescribed by law. Fees prescribed by the commission pursuant to this sub-
18 section shall be based on actual or projected costs of administering falconry regulations and shall
19 not exceed \$250.

20 (15) May establish special fishing and hunting seasons and bag limits applicable only to persons
21 with disabilities.

22 (16) May adopt optimum populations for deer and elk consistent with ORS 496.012. These popu-
23 lation levels shall be reviewed at least once every five years.

24 (17) Shall establish a preference system so that individuals who are unsuccessful in controlled
25 hunt permit drawings for deer and elk hunting have reasonable assurance of success in those
26 drawings in subsequent years. In establishing the preference system, the commission shall consider
27 giving additional preference points to persons who have been issued a resident **annual** pioneer
28 [*hunting*] **combination** license pursuant to ORS [*497.102*] **497.132**.

29 (18) May sell advertising in State Department of Fish and Wildlife publications, including annual
30 hunting and angling regulation publications.

31 (19) May, notwithstanding the fees required by ORS 497.112, provide free hunting tags to an
32 organization that sponsors hunting trips for terminally ill children.

33 (20) Shall, after consultation with the State Department of Agriculture, adopt rules prohibiting
34 the use of the World Wide Web, other Internet protocols or broadcast or closed circuit media to
35 remotely control a weapon for the purpose of hunting any game bird, wildlife, game mammal or
36 other mammal. The rules may exempt the State Department of Fish and Wildlife or agents of the
37 department from the prohibition.

38 (21) May adopt rules establishing a schedule of civil penalties, not to exceed \$6,500 per vio-
39 lation, for violations of provisions of the wildlife laws or rules adopted by the commission under the
40 wildlife laws. Civil penalties established under this subsection must be imposed in the manner pro-
41 vided by ORS 183.745 and must be deposited in the State Wildlife Fund established under ORS
42 496.300.

43 (22) May by rule impose a surcharge not to exceed \$25 for the renewal of a hunting license on
44 any person who fails to comply with mandatory hunting reporting requirements. Amounts collected
45 as surcharges under this subsection must be deposited in the State Wildlife Fund established under

1 ORS 496.300.

2 (23) May by rule establish annual and daily Columbia Basin salmon, steelhead and sturgeon
3 recreational fishing endorsements with a fee not to exceed \$9.75 per annual license and \$1 per day
4 per daily license. An endorsement is required to fish for salmon, steelhead or sturgeon in **portions**
5 **of the Columbia Basin as designated by rule** and is in addition to and not in lieu of angling li-
6 censes and tags required under the wildlife laws. Amounts collected as fees under this subsection
7 must be deposited in the Columbia River Fisheries Enhancement Fund established under section 7,
8 chapter 672, Oregon Laws 2013.

9 (24) May by rule establish multiyear licenses and may prescribe fees for such licenses. Fees
10 prescribed by the commission for multiyear licenses may provide for a discount from the annual li-
11 cense fees that would otherwise be payable for the period of time covered by the multiyear license.

12 **(25) May by rule establish a program to offer unique fishing opportunities through**
13 **drawings, raffles or auctions and charge application and participation fees for the program.**

14 **SECTION 8.** ORS 496.146, as amended by section 10, chapter 672, Oregon Laws 2013, is
15 amended to read:

16 496.146. In addition to any other duties or powers provided by law, the State Fish and Wildlife
17 Commission:

18 (1) May accept, from whatever source, appropriations, gifts or grants of money or other property
19 for the purposes of wildlife management, and use such money or property for wildlife management
20 purposes.

21 (2) May sell or exchange property owned by the state and used for wildlife management pur-
22 poses when the commission determines that such sale or exchange would be advantageous to the
23 state wildlife policy and management programs.

24 (3) May acquire, introduce, propagate and stock wildlife species in such manner as the com-
25 mission determines will carry out the state wildlife policy and management programs.

26 (4) May by rule authorize the issuance of such licenses, tags and permits for angling, taking,
27 hunting and trapping and may prescribe such tagging and sealing procedures as the commission
28 determines necessary to carry out the provisions of the wildlife laws or to obtain information for
29 use in wildlife management. Permits issued pursuant to this subsection may include special hunting
30 permits for a person and immediate family members of the person to hunt on land owned by that
31 person in areas where permits for deer or elk are limited by quota. As used in this subsection,
32 "immediate family members" means husband, wife, father, mother, brothers, brothers-in-law, sisters,
33 sisters-in-law, sons, **sons-in-law**, daughters, **daughters-in-law**, stepchildren and grandchildren. A
34 landowner who is qualified to receive landowner preference tags from the commission may request
35 two additional tags for providing public access and two additional tags for wildlife habitat programs.
36 This request shall be made to the Access and Habitat Board with supporting evidence that the ac-
37 cess is significant and the habitat programs benefit wildlife. The board may recommend that the

3 (6) May establish special hunting and angling areas or seasons in which only persons less than
4 18 years of age or over 65 years of age are permitted to hunt or angle.

5 (7) May acquire by purchase, lease, agreement or gift real property and all appropriate interests

9 areas.

10 (9) May establish and develop wildlife refuge and management areas and prescribe rules gov-
11 erning the use of such areas and the use of wildlife refuge and management areas established and
12 developed pursuant to any other provision of law.

13 (10) May by rule prescribe fees for licenses, tags, permits and applications issued or required
14 pursuant to the wildlife laws, and user charges for angling, hunting or other recreational uses of
15 lands owned or managed by the commission, unless such fees or user charges are otherwise pre-
16 scribed by law. *[Except for licenses issued pursuant to subsection (14) of this section,]* No fee or user

27 section shall be based on actual or projected costs of administering falconry regulations and shall
28 not exceed \$250.

29 (15) May establish special fishing and hunting seasons and bag limits applicable only to persons
30 with disabilities.

31 (16) May adopt optimum populations for deer and elk consistent with ORS 496.012. These popu-

14 Oregon Laws 2001, section 1, chapter 349, Oregon Laws 2009, section 2a, chapter 832, Oregon Laws
15 2009, and section 1, chapter 363, Oregon Laws 2013, is amended to read:

16 **Sec. 2.** Notwithstanding any other provision of the wildlife laws, during the period beginning
17 January 1, 1996, and ending January 2, [2020] **2022**, the following provisions apply with regard to
18 the issuance and use of landowner preference tags referred to in ORS 496.146 (4):

19 (1) Landowner preference tags shall be issued for the hunting of deer, elk or antelope.

20 (2) Landowner preference tags may be used only for hunting on the landowner's property.

21 (3) Subject to subsection (6) of this section, landowner preference tags for the hunting of deer
22 or elk may be transferred to any person of the landowner's choosing and shall be used for the taking
23 of antlerless animals.

24 (4) Landowner preference tags for the hunting of antelope are not transferable and may not be
25 used for the taking of buck antelope.

26 (5) Each landowner preference tag for the hunting of deer may be used to take two antlerless
27 animals before, during or after the hunting season for which the tags are valid for the purpose of
28 alleviating damage that is presently occurring to the landowner's property, in accordance with such
29 rules as the State Fish and Wildlife Commission may adopt.

30 (6) Landowner preference tags for the hunting of deer or elk may be transferred to a person of
31 the landowner's choosing as follows:

32 (a) A landowner who is issued only one tag may not transfer that tag.

33 (b) A landowner who is issued two or more tags may transfer not more than 50 percent of the

36 a fraction, the commission shall round up the number of tags to the next whole number.

37 (7)(a) As specified pursuant to a formula determined by the commission by rule, the number of
38 landowner preference tags issued for mule deer must be based upon the management, research and
39 habitat needs set forth in the wildlife management plan for mule deer.

40 (b) If the population of mule deer in a wildlife management unit is greater than the goal speci-
41 fied in the wildlife management plan for mule deer, a landowner who is issued a landowner prefer-
42 ence tag is eligible, pursuant to criteria established by rule of the commission, for the number of
43 tags that corresponds to the number of acres that landowner has registered with the State Depart-
44 ment of Fish and Wildlife for participation in the program.

45 (c) The commission may specify by rule a formula for determining the number of landowner

1 preference tags that are available for controlled hunts for mule deer in a wildlife management unit
 2 in which the population of mule deer is less than the goal specified for that wildlife management
 3 unit in the wildlife management plan for mule deer.

4 (8) Landowners shall pay [*a \$30 fee*] **the applicable fee under the fee schedule in section 2**
 5 **of this 2015 Act** to register for participation in the program.

 17 *\$15, the same fee shall be charged for the duplicate license, tag or permit*] **If the total of the fees**
 18 **that were paid for all licenses, tags and permits identified in the certificate as lost, destroyed**

41 **SECTION 35.** ORS 508.550 is amended to read:

42 508.550. Notwithstanding any other provision of this chapter, a person who holds a valid Oregon
43 commercial fishing license may sell any species of food fish taken in lawful commercial fishing ac-
44 tivity directly from the license holder’s boat, subject to the following conditions:

45 (1) The person must first obtain from the State Fish and Wildlife Commission an annual limited

1 fish seller permit for such sales, the **annual** fee for which is [~~\$40.~~]:

2 (a) **\$100 for resident applicants.**

3 (b) **\$150 for nonresident applicants.**

4 (2) The commission by rule may limit the number of permits available for any species of food
5 fish.

6 [(2)] (3) Prior to making any sale pursuant to this section, the person must notify the commis-

12 commission by rule may prescribe.

13 [(4)] (5) The person may sell food fish from any port and dock location in this state.

14 [(5)] (6) If a person fails to comply with subsection (3) of this section, the commission may re-
15 voke and thereafter refuse to issue another limited fish seller permit.

16 **SECTION 36.** ORS 508.760 is amended to read:

17 508.760. (1) Notwithstanding any other provision of the commercial fishing laws, in order to
18 provide a sea urchin (*Strongylocentrotus franciscanus*, *S. purpuratus* and *S. droebachiensis*) com-
19 mercial fishery with optimum profits to those engaged in the fishery and to prevent a concentration
20 of fishing effort that would deplete the resource, the State Fish and Wildlife Commission, by rule,
21 shall establish a system for limiting participation in the sea urchin commercial fishery. Any such
22 system may include, but is not limited to, provisions on the following matters:

23 (a) Establishment of criteria for initial entry into fishery participation and for annual qualifica-
24 tion for participation thereafter.

25 (b) Establishment of terms and conditions for transferring participation rights.

26 (2)(a) The annual fee to participate in the sea urchin fishery is:

27 (A) [~~\$100~~] **\$125** for resident applicants.

28 (B) [~~\$150~~] **\$175** for nonresident applicants.

29 (b) A fee of \$100 shall be charged for each transfer of participation rights under this section.

30 **SECTION 37.** ORS 508.790 is amended to read:

31 508.790. (1) The annual fee for the vessel permit required by ORS 508.775 is:

32 (a) [~~\$26~~] **\$51** for resident applicants.

33 (b) [~~\$76~~] **\$101** for nonresident applicants.

34 (2) Applications shall be in such form and contain such information as the State Department of
35 Fish and Wildlife, by rule, may prescribe.

36 **SECTION 38.** ORS 508.816 is amended to read:

37 508.816. (1) The annual fee for the vessel permit required by ORS 508.801 is:

38 (a) [~~\$35~~] **\$60** for resident applicants.

1 (2) Applications shall be in such form and contain such information as the State Department of
2 Fish and Wildlife, by rule, may prescribe.

3 **SECTION 40.** ORS 508.941 is amended to read:

4 508.941. (1) The system established under ORS 508.921 shall include any other provisions for
5 participation that the State Fish and Wildlife Commission considers appropriate.

6 (2) Any determination by the commission regarding the eligibility of a vessel to participate in
7 the ocean Dungeness crab commercial fishery or to transfer participation rights is subject to review
8 by the Commercial Fishery Permit Board, in accordance with ORS chapter 183. The board may
9 waive the eligibility requirements contained in ORS 508.931 if the board finds that the individual
10 fails to meet the requirements as the result of illness, fire, sinking, accident or other circumstances
11 beyond the individual's control. In making a determination of eligibility under this section, the board
12 shall consider the applicant's history of participation in the Oregon ocean Dungeness crab fishery.
13 If a vessel for which application is made is owned by a person who has served in the Armed Forces
14 of the United States and the person establishes that a service-related disability prevented the person
15 from lawfully landing crab in two seasons during the prescribed time period, there is a rebuttable
16 presumption in favor of issuing an illness waiver for one of the two seasons of lawfully landing crab
17 in Oregon required under ORS 508.931 so as to require the landing of crab in only one season during
18 the prescribed time period. The rebuttable presumption created by this subsection may be overcome
19 only by clear and convincing evidence that the service-related disability of the person did not pre-
20 vent the person from lawfully landing crab in two seasons during the prescribed time period. Orders
21 issued by the board are not subject to review by the commission, but may be appealed as provided
22 in ORS 183.480 to 183.540.

23 (3) A commercial fishing vessel that holds a valid Washington or California permit to fish for
24 ocean Dungeness crab shall be eligible to participate in the Oregon ocean Dungeness crab fishery
25 provided there is reciprocal statutory authority in Washington or California that provides for equal
26 access for vessels holding Oregon ocean Dungeness crab permits to Washington or California
27 coastal waters and Washington waters of the Columbia River. If such reciprocal statutory authority
28 exists, a vessel licensed by Washington or California is eligible to participate in accordance with
29 rules that establish reciprocal border agreements that recognize traditional fishing patterns.

30 (4) The annual fee to participate in the ocean Dungeness crab fishery is:

31 (a) ~~[\$125]~~ **\$200** for resident applicants.

32 (b) ~~[\$175]~~ **\$250** for nonresident applicants.

33 **SECTION 41.** ORS 508.949 is amended to read:

34 508.949. (1) The annual fee for a black rockfish and blue rockfish vessel permit or a black
35 rockfish and blue rockfish vessel permit with a nearshore fish endorsement issued under ORS
36 508.947 is ~~[\$100.]:~~

37 (a) **\$125 for resident applicants.**

38 (b) **\$175 for nonresident applicants.**

39 (2) Applications for a permit shall be in such form and contain such information as the State
40 Department of Fish and Wildlife, by rule, may prescribe.

41 (3) All fees collected under this section and ORS 508.505 (1)(b) and 508.947 shall be placed into
42 the Black Rockfish, Blue Rockfish and Nearshore Species Research Account established in ORS
43 508.951.
