22 **SECTION 6.** (1) Except as provided in subsection (2) of this section, the amendments to
23 section 2 of this 2015 Act by section 5 of this 2015 Act become operative on January 1, 2020.

24 (2) The State Department of Fish and Wildlife may, prior to January 1, 2020, charge the
25 fees provided for in section 2 of this 2015 Act, as amended by section 5 of this 2015 Act, for
26 registrations made, and licenses, permits, tags, endorsements, stamps and transfers applied
27 for, before January 1, 2020, for activities occurring on or after January 1, 2020.

28 29 **WILDLIFE LAWS: GENERAL PROVISIONS**

30
31 **SECTION 7.** ORS 496.146 is amended to read:

32 496.146. In addition to any other duties or powers provided by law, the State Fish and Wildlife
33 Commission:

34 (1) May accept, from whatever source, appropriations, gifts or grants of money or other property
35 for the purposes of wildlife management, and use such money or property for wildlife management
36 purposes.

37 (2) May sell or exchange property owned by the state and used for wildlife management pur-
38 poses when the commission determines that such sale or exchange would be advantageous to the
39 state wildlife policy and management programs.

40 (3) May acquire, introduce, propagate and stock wildlife species in such manner as the com-
41 mission determines will carry out the state wildlife policy and management programs.

42 (4) May by rule authorize the issuance of such licenses, tags and permits for angling, taking,
43 hunting and trapping and may prescribe such tagging and sealing procedures as the commission
44 determines necessary to carry out the provisions of the wildlife laws or to obtain information for
45 use in wildlife management. Permits issued pursuant to this subsection may include special hunting

1 permits for a person and immediate family members of the person to hunt on land owned by that
2 person in areas where permits for deer or elk are limited by quota. As used in this subsection,
3 “immediate family members” means husband, wife, father, mother, brothers, brothers-in-law, sisters,
4 sisters-in-law, sons, **sons-in-law**, daughters, **daughters-in-law**, stepchildren and grandchildren. A
5 landowner who is qualified to receive landowner preference tags from the commission may request
6 two additional tags for providing public access and two additional tags for wildlife habitat programs.
7 This request shall be made to the Access and Habitat Board with supporting evidence that the ac-
8 cess is significant and the habitat programs benefit wildlife. The board may recommend that the
9 commission grant the request. When a landowner is qualified under landowner preference rules
10 adopted by the commission and receives a controlled hunt tag for that unit or a landowner prefer-
11 ence tag for the landowner’s property and does not use the tag during the regular season, the
12 landowner may use that tag to take an antlerless animal, when approved by the State Department
13 of Fish and Wildlife, to alleviate damage that is presently occurring to the landowner’s property.

14 (5) May by rule prescribe procedures requiring the holder of any license, tag or permit issued
15 pursuant to the wildlife laws to keep records and make reports concerning the time, manner and
16 place of taking wildlife, the quantities taken and such other information as the commission deter-
17 mines necessary for proper enforcement of the wildlife laws or to obtain information for use in
18 wildlife management.

19 (6) May establish special hunting and angling areas or seasons in which only persons less than
20 18 years of age or over 65 years of age are permitted to hunt or angle.

21 (7) May acquire by purchase, lease, agreement or gift real property and all appropriate interests
22 therein for wildlife management and wildlife-oriented recreation purposes.

23 (8) May acquire by purchase, lease, agreement, gift, exercise of eminent domain or otherwise
24 real property and all interests therein and establish, operate and maintain thereon public hunting
25 areas.

26 (9) May establish and develop wildlife refuge and management areas and prescribe rules gov-
27 erning the use of such areas and the use of wildlife refuge and management areas established and
28 developed pursuant to any other provision of law.

29 (10) May by rule prescribe fees for licenses, tags, permits and applications issued or required
30 pursuant to the wildlife laws, and user charges for angling, hunting or other recreational uses of
31 lands owned or managed by the commission, unless such fees or user charges are otherwise pre-
32 scribed by law. *[Except for licenses issued pursuant to subsection (14) of this section,]* No fee or user
33 charge prescribed by the commission pursuant to this subsection shall exceed [*\$100*] **\$250**.

34 (11) May enter into contracts with any person or governmental agency for the development and
35 encouragement of wildlife research and management programs and projects.

36 (12) May perform such acts as may be necessary for the establishment and implementation of
37 cooperative wildlife management programs with agencies of the federal government.

38 (13) May offer and pay rewards for the arrest and conviction of any person who has violated
39 any of the wildlife laws. No such reward shall exceed [*\$100*] **\$1,000** for any one arrest and con-
40 viction.

41 (14) May by rule prescribe fees for falconry licenses issued pursuant to the wildlife laws, unless
42 such fees are otherwise prescribed by law. Fees prescribed by the commission pursuant to this sub-
43 section shall be based on actual or projected costs of administering falconry regulations and shall
44 not exceed \$250.

45 (15) May establish special fishing and hunting seasons and bag limits applicable only to persons

1 with disabilities.

2 (16) May adopt optimum populations for deer and elk consistent with ORS 496.012. These popu-
3 lation levels shall be reviewed at least once every five years.

4 (17) Shall establish a preference system so that individuals who are unsuccessful in controlled
5 hunt permit drawings for deer and elk hunting have reasonable assurance of success in those
6 drawings in subsequent years. In establishing the preference system, the commission shall consider
7 giving additional preference points to persons who have been issued a resident **annual** pioneer
8 [*hunting*] **combination** license pursuant to ORS [497.102] **497.132**.

9 (18) May sell advertising in State Department of Fish and Wildlife publications, including annual
10 hunting and angling regulation publications.

11 (19) May, notwithstanding the fees required by ORS 497.112, provide free hunting tags to an
12 organization that sponsors hunting trips for terminally ill children.

13 (20) Shall, after consultation with the State Department of Agriculture, adopt rules prohibiting
14 the use of the World Wide Web, other Internet protocols or broadcast or closed circuit media to
15 remotely control a weapon for the purpose of hunting any game bird, wildlife, game mammal or
16 other mammal. The rules may exempt the State Department of Fish and Wildlife or agents of the
17 department from the prohibition.

18 (21) May adopt rules establishing a schedule of civil penalties, not to exceed \$6,500 per vio-
19 lation, for violations of provisions of the wildlife laws or rules adopted by the commission under the
20 wildlife laws. Civil penalties established under this subsection must be imposed in the manner pro-
21 vided by ORS 183.745 and must be deposited in the State Wildlife Fund established under ORS
22 496.300.

23 (22) May by rule impose a surcharge not to exceed \$25 for the renewal of a hunting license on
24 any person who fails to comply with mandatory hunting reporting requirements. Amounts collected
25 as surcharges under this subsection must be deposited in the State Wildlife Fund established under
26 ORS 496.300.

27 (23) May by rule establish annual and daily Columbia Basin salmon, steelhead and sturgeon
28 recreational fishing endorsements with a fee not to exceed \$9.75 per annual license and \$1 per day
29 per daily license. An endorsement is required to fish for salmon, steelhead or sturgeon in **portions**
30 **of** the Columbia Basin **as designated by rule** and is in addition to and not in lieu of angling li-
31 censes and tags required under the wildlife laws. Amounts collected as fees under this subsection
32 must be deposited in the Columbia River Fisheries Enhancement Fund established under section 7,
33 chapter 672, Oregon Laws 2013.

34 (24) May by rule establish multiyear licenses and may prescribe fees for such licenses. Fees
35 prescribed by the commission for multiyear licenses may provide for a discount from the annual li-
36 cense fees that would otherwise be payable for the period of time covered by the multiyear license.

37 **(25) May by rule establish a program to offer unique fishing opportunities through**
38 **drawings, raffles or auctions and charge application and participation fees for the program.**

39 **SECTION 8.** ORS 496.146, as amended by section 10, chapter 672, Oregon Laws 2013, is
40 amended to read:

41 496.146. In addition to any other duties or powers provided by law, the State Fish and Wildlife
42 Commission:

43 (1) May accept, from whatever source, appropriations, gifts or grants of money or other property
44 for the purposes of wildlife management, and use such money or property for wildlife management
45 purposes.

1 (2) May sell or exchange property owned by the state and used for wildlife management pur-
2 poses when the commission determines that such sale or exchange would be advantageous to the
3 state wildlife policy and management programs.

4 (3) May acquire, introduce, propagate and stock wildlife species in such manner as the com-
5 mission determines will carry out the state wildlife policy and management programs.

6 (4) May by rule authorize the issuance of such licenses, tags and permits for angling, taking,
7 hunting and trapping and may prescribe such tagging and sealing procedures as the commission
8 determines necessary to carry out the provisions of the wildlife laws or to obtain information for
9 use in wildlife management. Permits issued pursuant to this subsection may include special hunting
10 permits for a person and immediate family members of the person to hunt on land owned by that
11 person in areas where permits for deer or elk are limited by quota. As used in this subsection,
12 "immediate family members" means husband, wife, father, mother, brothers, brothers-in-law, sisters,
13 sisters-in-law, sons, **sons-in-law**, daughters, **daughters-in-law**, stepchildren and grandchildren. A
14 landowner who is qualified to receive landowner preference tags from the commission may request
15 two additional tags for providing public access and two additional tags for wildlife habitat programs.
16 This request shall be made to the Access and Habitat Board with supporting evidence that the ac-
17 cess is significant and the habitat programs benefit wildlife. The board may recommend that the
18 commission grant the request. When a landowner is qualified under landowner preference rules

28 (6) May establish special hunting and angling areas or seasons in which only persons less than
29 18 years of age or over 65 years of age are permitted to hunt or angle.

30 (7) May acquire by purchase, lease, agreement or gift real property and all appropriate interests
31 therein for wildlife management and wildlife-oriented recreation purposes.

32 (8) May acquire by purchase, lease, agreement, gift, exercise of eminent domain or otherwise
33 real property and all interests therein and establish, operate and maintain thereon public hunting
34 areas.

35 (9) May establish and develop wildlife refuge and management areas and prescribe rules gov-
36 erning the use of such areas and the use of wildlife refuge and management areas established and
37 developed pursuant to any other provision of law.

38 (10) May by rule prescribe fees for licenses, tags, permits and applications issued or required
39 pursuant to the wildlife laws, and user charges for angling, hunting or other recreational uses of
40 lands owned or managed by the commission, unless such fees or user charges are otherwise pre-
41 scribed by law. *[Except for licenses issued pursuant to subsection (14) of this section,]* No fee or user
42 charge prescribed by the commission pursuant to this subsection shall exceed *[\$100]* **\$250**.

43 (11) May enter into contracts with any person or governmental agency for the development and
44 encouragement of wildlife research and management programs and projects.

45 (12) May perform such acts as may be necessary for the establishment and implementation of

1 cooperative wildlife management programs with agencies of the federal government.

7 section shall be based on actual or projected costs of administering falconry regulations and shall

 40 2009, and section 1, chapter 363, Oregon Laws 2013, is amended to read:

41 **Sec. 2.** Notwithstanding any other provision of the wildlife laws, during the period beginning
 42 January 1, 1996, and ending January 2, *[2020]* **2022**, the following provisions apply with regard to
 43 the issuance and use of landowner preference tags referred to in ORS 496.146 (4):

44 (1) Landowner preference tags shall be issued for the hunting of deer, elk or antelope.

45 (2) Landowner preference tags may be used only for hunting on the landowner's property.

1 (3) Subject to subsection (6) of this section, landowner preference tags for the hunting of deer
2 or elk may be transferred to any person of the landowner's choosing and shall be used for the taking
3 of antlerless animals.

4 (4) Landowner preference tags for the hunting of antelope are not transferable and may not be
5 used for the taking of buck antelope.

6 (5) Each landowner preference tag for the hunting of deer may be used to take two antlerless
7 animals before, during or after the hunting season for which the tags are valid for the purpose of
8 alleviating damage that is presently occurring to the landowner's property, in accordance with such
9 rules as the State Fish and Wildlife Commission may adopt.

10 (6) Landowner preference tags for the hunting of deer or elk may be transferred to a person of
11 the landowner's choosing as follows:

12 (a) A landowner who is issued only one tag may not transfer that tag.

13 (b) A landowner who is issued two or more tags may transfer not more than 50 percent of the

16 a fraction, the commission shall round up the number of tags to the next whole number.

17 (7)(a) As specified pursuant to a formula determined by the commission by rule, the number of
18 landowner preference tags issued for mule deer must be based upon the management, research and
19 habitat needs set forth in the wildlife management plan for mule deer.

20 (b) If the population of mule deer in a wildlife management unit is greater than the goal speci-
21 fied in the wildlife management plan for mule deer, a landowner who is issued a landowner prefer-

23 tags that corresponds to the number of acres that landowner has registered with the State Depart-
24 ment of Fish and Wildlife for participation in the program.

25 (c) The commission may specify by rule a formula for determining the number of landowner
26 preference tags that are available for controlled hunts for mule deer in a wildlife management unit
27 in which the population of mule deer is less than the goal specified for that wildlife management
28 unit in the wildlife management plan for mule deer.

29 (8) Landowners shall pay [*a \$30 fee*] **the applicable fee under the fee schedule in section 2**
30 **of this 2015 Act** to register for participation in the program.

11 **SECTION 35.** ORS 508.550 is amended to read:

12 508.550. Notwithstanding any other provision of this chapter, a person who holds a valid Oregon
13 commercial fishing license may sell any species of food fish taken in lawful commercial fishing ac-
14 tivity directly from the license holder's boat, subject to the following conditions:

15 (1) The person must first obtain from the State Fish and Wildlife Commission an annual limited
16 fish seller permit for such sales, the **annual** fee for which is [~~\$40.~~]:

17 **(a) \$100 for resident applicants.**

18 **(b) \$150 for nonresident applicants.**

19 (2) The commission by rule may limit the number of permits available for any species of food
20 fish.

21 [~~(2)~~] (3) Prior to making any sale pursuant to this section, the person must notify the commis-
22 sion, in such manner as the commission prescribes, of the estimated number of food fish on board
23 the boat and of the location where the sale is to take place.

24 [~~(3)~~] (4) Within seven days of making any sale pursuant to this section, the person shall submit

27 commission by rule may prescribe.

28 [~~(4)~~] (5) The person may sell food fish from any port and dock location in this state.

29 [~~(5)~~] (6) If a person fails to comply with subsection (3) of this section, the commission may re-

31 **SECTION 36.** ORS 508.760 is amended to read:

32 508.760. (1) Notwithstanding any other provision of the commercial fishing laws, in order to
33 provide a sea urchin (*Strongylocentrotus franciscanus*, *S. purpuratus* and *S. droebachiensis*) com-
34 mercial fishery with optimum profits to those engaged in the fishery and to prevent a concentration
35 of fishing effort that would deplete the resource, the State Fish and Wildlife Commission, by rule,
36 shall establish a system for limiting participation in the sea urchin commercial fishery. Any such
37 system may include, but is not limited to, provisions on the following matters:

38 (a) Establishment of criteria for initial entry into fishery participation and for annual qualifica-
39 tion for participation thereafter.

40 (b) Establishment of terms and conditions for transferring participation rights.

41 (2)(a) The annual fee to participate in the sea urchin fishery is:

42 (A) [~~\$100~~] **\$125** for resident applicants.

43 (B) [~~\$150~~] **\$175** for nonresident applicants.

44 (b) A fee of \$100 shall be charged for each transfer of participation rights under this section.

45 **SECTION 37.** ORS 508.790 is amended to read:

1 508.790. (1) The annual fee for the vessel permit required by ORS 508.775 is:

2 (a) [~~\$26~~] **\$51** for resident applicants.

3 (b) [~~\$76~~] **\$101** for nonresident applicants.

4 (2) Applications shall be in such form and contain such information as the State Department of
5 Fish and Wildlife, by rule, may prescribe.

6 **SECTION 38.** ORS 508.816 is amended to read:

7 508.816. (1) The annual fee for the vessel permit required by ORS 508.801 is:

8 (a) [~~\$35~~] **\$60** for resident applicants.

9 (b) [~~\$85~~] **\$110** for nonresident applicants.

10 (2) Applications shall be in such form and contain such information as the State Department of
11 Fish and Wildlife, by rule, may prescribe.

13 508.901. (1) The annual fee for the vessel permit required by ORS 508.880 is:

16 (2) Applications shall be in such form and contain such information as the State Department of
17 Fish and Wildlife, by rule, may prescribe.

18 **SECTION 40.** ORS 508.941 is amended to read:

19 508.941. (1) The system established under ORS 508.921 shall include any other provisions for
20 participation that the State Fish and Wildlife Commission considers appropriate.

21 (2) Any determination by the commission regarding the eligibility of a vessel to participate in
22 the ocean Dungeness crab commercial fishery or to transfer participation rights is subject to review
23 by the Commercial Fishery Permit Board, in accordance with ORS chapter 183. The board may
24 waive the eligibility requirements contained in ORS 508.931 if the board finds that the individual
25 fails to meet the requirements as the result of illness, fire, sinking, accident or other circumstances
26 beyond the individual's control. In making a determination of eligibility under this section, the board
27 shall consider the applicant's history of participation in the Oregon ocean Dungeness crab fishery.
28 If a vessel for which application is made is owned by a person who has served in the Armed Forces
29 of the United States and the person establishes that a service-related disability prevented the person
30 from lawfully landing crab in two seasons during the prescribed time period, there is a rebuttable
31 presumption in favor of issuing an illness waiver for one of the two seasons of lawfully landing crab
32 in Oregon required under ORS 508.931 so as to require the landing of crab in only one season during
33 the prescribed time period. The rebuttable presumption created by this subsection may be overcome
34 only by clear and convincing evidence that the service-related disability of the person did not pre-
35 vent the person from lawfully landing crab in two seasons during the prescribed time period. Orders
36 issued by the board are not subject to review by the commission, but may be appealed as provided
37 in ORS 183.480 to 183.540.

38 (3) A commercial fishing vessel that holds a valid Washington or California permit to fish for
39 ocean Dungeness crab shall be eligible to participate in the Oregon ocean Dungeness crab fishery
40 provided there is reciprocal statutory authority in Washington or California that provides for equal
41 access for vessels holding Oregon ocean Dungeness crab permits to Washington or California
42 coastal waters and Washington waters of the Columbia River. If such reciprocal statutory authority
43 exists, a vessel licensed by Washington or California is eligible to participate in accordance with
44 rules that establish reciprocal border agreements that recognize traditional fishing patterns.

45 (4) The annual fee to participate in the ocean Dungeness crab fishery is:

1 (a) [~~\$125~~] **\$200** for resident applicants.

2 (b) [~~\$175~~] **\$250** for nonresident applicants.

3 **SECTION 41.** ORS 508.949 is amended to read:

4 508.949. (1) The annual fee for a black rockfish and blue rockfish vessel permit or a black
5 rockfish and blue rockfish vessel permit with a nearshore fish endorsement issued under ORS
6 508.947 is [~~\$100.~~]:

7 (a) **\$125 for resident applicants.**

8 (b) **\$175 for nonresident applicants.**

9 (2) Applications for a permit shall be in such form and contain such information as the State
10 Department of Fish and Wildlife, by rule, may prescribe.

11 (3) All fees collected under this section and ORS 508.505 (1)(b) and 508.947 shall be placed into
12 the Black Rockfish, Blue Rockfish and Nearshore Species Research Account established in ORS
13 508.951.

6 and grants made to carry out the fish restoration and enhancement program may be expended only
7 if recommended by the board and approved by the commission. Such amounts may be expended:
