Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 406.050 is amended to read:

406.050. In addition to other powers and duties, the Department of Veterans' Affairs is authorized:

(1) To cooperate with officers and agencies of the United States in all matters affecting veterans' welfare.

(2) To accept monetary and nonmonetary grants, donations and gifts on behalf of this state from any person or governmental or nongovernmental entity. The department shall deposit with the State Treasurer all monetary grants, donations and gifts received. The State Treasurer shall credit the amounts deposited to a trust fund established for the purposes of this section. feasible or appropriate. The department shall deposit the moneys realized from any sale or conversion under this subsection into the trust fund established in subsection (2) of this section.

(6) If the department determines that the nature of a nonmonetary grant, donation or gift makes its use by the department, or its sale or conversion to moneys for use by the department not feasible or appropriate, to donate or otherwise transfer all or any portion of the nonmonetary grant, donation or gift to:

(b) If a county public guardian and conservator operating under the provisions of ORS 125.700 to 125.730 is appointed to act as a professional fiduciary, or a conservator operating under the authority of ORS 406.050 [(8)] (10) is appointed, the public guardian or conservator must file with the court within three days after receipt of written notice of the appointment a statement containing the name, address and telephone number of the individual who will act as primary decision maker for the protected person and the name of the person with whom the protected person will have personal contact if the person named as primary decision maker will not have personal contact with the protected person.

The professional fiduciary must provide an updated statement without demand to the court, the protected person and persons entitled to notice under ORS 125.060 (3) at any time that there is a change in the information provided under subsection (1)(m) or (3)(b) of this section.

(5) As used in this section, "professional fiduciary" means a person nominated as a fiduciary or serving as a fiduciary who is acting at the same time as a fiduciary for three or more protected persons who are not related to the fiduciary.

125.410. (1) Except as provided in subsection (2) of this section, the court shall require a conservator to furnish a bond conditioned upon faithful discharge of all duties of the conservator according to law, with sureties as specified by the court. Unless otherwise directed, the bond must be in the amount of the aggregate capital value of the property of the estate in the control of the conservator plus one year's estimated income minus the value of securities and money deposited under arrangements requiring an order of the court for their removal and the value of any real property that the conservator, by express limitation of power, lacks power to sell or convey without court authorization.

(2)(a) The court may waive a bond for good cause shown.

(b) Subsection (1) of this section does not affect the provisions of ORS 709.240, relating to a trust company acting as fiduciary, ORS 125.715, relating to a county public guardian and conservator acting as fiduciary, section 7, chapter 117, Oregon Laws 2014, relating to the Oregon Public Guardian and Conservator or a deputy public guardian and conservator acting as fiduciary under

sections 2 to 7, chapter 117, Oregon Laws 2014, or ORS 406.050 [(8)] (10), relating to the Department of Veterans' Affairs acting as fiduciary.

(3) Sureties for a bond required under this section are jointly and severally liable with the conservator and with each other.

(4) Letters of conservatorship may not be issued until the bond required by this section is approved by the court.

(5) The bond of the conservator continues in effect until the sureties on the bond are released by order of the court.

(6) The court may at any time increase or reduce the amount of the bond required of a conservator for the protection of the protected person and the estate of the protected person.

(7) If a surety on a bond required by this section gives notice of intent to cancel the bond, the conservator shall execute and file in the protective proceeding a new bond before the cancellation date specified by the surety. The new bond shall be in the amount and subject to those conditions that may be required by the court. If the conservator fails to file a new bond, the authority of the conservator ends on the date specified by the surety for cancellation of the bond. The letters of conservatorship issued to the conservator are void from that date, and the conservator must make and file the final accounting of the conservator.
