Establishes [*Two Generational Approach to Success*] Task Force **on Measures of Economic and Social Success**. Specifies membership and duties. Sunsets task force on December 31, 2016. Declares emergency, effective on passage.

A BILL FOR AN ACT

2 Relating to economic well-being; and declaring an emergency.

3 Whereas the federal poverty guidelines, used almost universally, have many shortcomings but 4 remain in use because the guidelines enable comparisons across the country; and

5 Whereas the federal poverty guidelines are antiquated in terms of defining the amount of money 6 families need for a decent life and measure only cash income; and

7 Whereas leading a prosperous life is not just being able to have enough money to meet basic

8 needs but is also about access to human opportunities and choices that address poverty, hunger,

9 lack of basic human services, poor health, social discrimination and exclusion, lack of a voice in
10 decision-making, lack of human rights and a sense of dignity; now, therefore,
