(b) Notice of the board's declaration was given as required under section 10 of this 2015 Act.

(2) Subsection (1) of this section does not apply to:

(a) Historically filled lands, as defined in ORS 274.905, over which the State Land Board asserted title prior to January 1, 2016;

(b) Nothing contained in paragraph (a)(C) of this section is intended to affect the ability of a court of competent jurisdiction to make a determination with respect to a private claim to or interest in real property.

(c) In directing a determination by the department under this subsection, the board may designate a specifically described area of land within which the department shall make its determination.

(2) Upon direction by the board under subsection (1) of this section, the department shall conduct a study to make the determination. In completing the study, the department shall comply with the following procedures:

(a) The department shall provide prompt public notice to affected property owners that the department is beginning the study.

(c) The department shall provide appropriate prior public notice to affected property owners and other interested parties concerning the draft report. The notice shall provide an opportunity for a public hearing in the area of the affected lands and an opportunity for the public to submit written comments on the draft report and to submit testimony or other evidence concerning the presence of historically filled lands, as defined in ORS 274.905, or the State of Oregon's interest in the historically filled lands.

SECTION 9. (1) Upon the adoption of a final report by the State Land Board under section 8 of this 2015 Act, the board shall declare the nature and extent of the state's claim to any interest that remains or is vested in the State of Oregon with respect to historically filled lands described in the report.

(2) A declaration made by the board pursuant to subsection (1) of this section shall be binding upon the State of Oregon with respect to the interest, if any, of the State of Oregon in historically filled lands described in the declaration.

(3) A declaration under this section is not a final order as defined in ORS 183.310.

(4) Nothing contained in this section is intended to affect the ability of a court of competent jurisdiction to make a determination with respect to a private claim to or interest in real property.

SECTION 10. Immediately following a declaration made by the State Land Board pursuant to section 9 of this 2015 Act, the board shall:

(1) Cause reasonable public notice of the declaration to be given to interested parties. The notice shall describe the land or waterway affected and the nature and extent of the state's claim. Notice under this section need not describe the land or waterway in legal terms, but by the use of common descriptions or maps shall be designed to identify the land or waterway in a manner intelligible to the layperson and useful in establishing the exact location of the state claim in relation to existing legal descriptions.

(2) Give notice to each owner of record of land described in the declaration by transmitting by registered mail or by certified mail, return receipt requested, a copy of the declaration made with respect to the land and a statement informing the owner of record of a point of contact at the Department of State Lands, and of options available to the owner of record based on the notice.

NOTE: Section 11 was deleted by amendment. Subsequent sections were not renumbered.

SECTION 12. The Department of State Lands shall submit a report on the department's progress in implementing sections 7 to 10 of this 2015 Act, and may include recommendations for legislation, to the interim committees of the Legislative Assembly related to the environment and natural resources in the manner provided under ORS 192.245 on or before September 15, 2017.
