## JOINT MEMORIAL

1  
2 To the Senate and the House of Representatives of the United States of America, in Congress as-  
3 sembled:

4 We, your memorialists, the Seventy-eighth Legislative Assembly of the State of Oregon, in leg-  
5 islative session assembled, respectfully represent as follows:

6 Whereas the failure of the federal budget process has produced an enormous federal budget  
7 deficit, and growing national debt presently burdens the American people and threatens to burden  
8 their descendants for generations to come; and

9 Whereas the congressional practice of deficit spending and repeated raising of the ceiling on  
10 maximum federal debt has had the effect of endangering the jobs, incomes, retirement security,  
11 welfare and future of American citizens; and

12 Whereas federal debt diverts scarce resources from crucial programs to pay interest on the na-  
13 tional debt, constricts the ability of the federal government to address long-standing national prob-  
14 lems and to respond to new needs and increases pressure to raise taxes on the American people;  
15 and

16 Whereas Article V of the United States Constitution provides that an amendment to the United  
17 States Constitution may be proposed by Congress or, on the application of the legislatures of two-  
18 thirds of the states, Congress is required to call a constitutional convention for the purpose of pro-  
19 posing amendments to the United States Constitution; and

20 Whereas in either case, a proposed amendment shall become part of the United States Consti-  
21 tution when ratified by three-fourths of the states; now, therefore,

### 22 **Be It Resolved by the Legislative Assembly of the State of Oregon:**

23 (1) We, the members of the Seventy-eighth Legislative Assembly, pursuant to Article V of the  
24 United States Constitution, hereby petition Congress to call, as soon as this petition and the similar  
25 petitions of other states constitute petitions from two-thirds of the states, a convention for the pur-  
26 pose of proposing an amendment to the United States Constitution to require that in the absence  
27 of a national emergency the total of all federal government outlays made by Congress for any fiscal  
28 year not exceed the total of all estimated federal revenues for that fiscal year, together with any  
29 related and appropriate fiscal restraints.

30 (2) A copy of this memorial shall be sent to the Senate Majority Leader, to the Secretary of the  
31 Senate, to the Speaker of the House of Representatives, to the Chief Clerk of the House of Repre-
