

**PROPOSED AMENDMENTS TO
A-ENGROSSED SENATE BILL 324**

1 On page 3 of the printed A-engrossed bill, after line 8, insert:

2 “(g)(A) On the date that the commission first implements the low carbon
3 fuel standards or any requirements to begin compliance with the standards,
4 the commission shall begin monitoring the daily average retail price of gas-
5 oline in this state.

6 “(B) If the commission determines that the daily average retail price of
7 gasoline in this state on a date exceeds \$3.00 per gallon, within five business
8 days after that date, the commission shall suspend any implemented re-
9 quirements to comply with the low carbon fuel standards.

10 “(C) Following a suspension of compliance requirements under subpara-
11 graph (B) of this paragraph, the commission may reinstate requirements to
12 comply with the low carbon fuel standards within five business days after a
13 date that the commission determines that the average retail price of gasoline
14 in this state is \$2.75 per gallon or less.”.
