

**PROPOSED AMENDMENTS TO  
SENATE BILL 660**

1 Delete lines 4 through 11 of the printed bill and insert:

2 **“SECTION 1. (1) The Oregon Health Authority shall establish an**  
3 **oral health program for the purpose of collecting data about, moni-**  
4 **toring and providing assistance to students who are at risk of tooth**  
5 **decay. As part of the program, the authority shall:**

6 **“(a) Create a statewide plan for screening and providing dental**  
7 **sealants to students that the authority determines are at risk of tooth**  
8 **decay.**

9 **“(b) Screen and ensure the provision of dental sealants to students**  
10 **who attend an elementary school or middle school in which at least**  
11 **40 percent of all students attending the school are eligible to receive**  
12 **assistance under the United States Department of Agriculture’s Na-**  
13 **tional School Lunch Program.**

14 **“(c) Determine whether each school eligible to participate in the**  
15 **program may benefit from an independent oral health program that**  
16 **provides dental sealants to students.**

17 **“(d) For a school that the authority determines cannot benefit from**  
18 **an independent oral health program, directly provide dental sealants**  
19 **to students who attend that school.**

20 **“(e) For a school that the authority determines may benefit from**  
21 **an independent oral health program, establish standards for the oper-**  
22 **ation of an independent oral health program.**

1       **“(f) Create processes and standards for certifying and recertifying**  
2 **individuals who administer dental sealants through the program,**  
3 **whether through the authority or through an independent oral health**  
4 **program, including any training necessary to administer dental**  
5 **sealants.**

6       **“(g) Certify individuals who administer dental sealants.**

7       **“(h) Recertify individuals who administer dental sealants.**

8       **“(2) If the authority directly provides dental sealants to students**  
9 **who attend a school eligible to participate in the program, and if the**  
10 **authority determines that an independent oral health program is ca-**  
11 **pable of providing those services, then the authority shall develop a**  
12 **plan to transition the provision of services from the authority to the**  
13 **independent oral health program.**

14       **“(3) If the authority directly provides dental sealants to a student**  
15 **pursuant to subsection (1)(d) of this section, the authority shall de-**  
16 **termine whether the student is a member of a coordinated care or-**  
17 **ganization and, if the student is a member of a coordinated care**  
18 **organization, inform the coordinated care organization that the stu-**  
19 **dent has received dental sealants through the program.”.**
