

**PROPOSED AMENDMENTS TO
HOUSE BILL 3363**

1 On page 1 of the printed bill, line 2, after the first semicolon delete the
2 rest of the line and line 3 and insert “amending ORS 336.423.”.

3 After line 3, insert:

4 “Whereas childhood obesity rates in the United States have risen dra-
5 matically over the past 30 years; and

6 “Whereas, in Oregon, approximately 26 percent of children are overweight
7 or obese; and

8 “Whereas poor diet and physical inactivity increase the risk for certain
9 chronic health conditions, including high blood pressure, type 2 diabetes and
10 obesity; and

11 “Whereas the marketing of foods and beverages of poor nutritional value
12 to American children contributes to the rise in obesity by affecting children’s
13 food preferences, choices and diet; and

14 “Whereas, in 2009, the food industry spent approximately \$1.8 billion on
15 marketing food to youth, the majority of which was of poor nutritional value;
16 and

17 “Whereas children are particularly vulnerable to advertising because
18 people’s cognitive abilities are not fully formed until their early twenties;
19 and

20 “Whereas the mission of our schools is to educate our children, and
21 studies demonstrate a relationship between healthy eating, regular physical
22 activity and students’ academic success; and

1 “Whereas permitting the advertising of food and beverage items at schools
2 when the food and beverage items may not be sold at the schools interferes
3 with school messages promoting good health and academic success; now,
4 therefore,”.

1 which the highest grade level in the school is grade 5 or less.

2 “(F) May not contain more than 180 total calories if sold in a school in
3 which the highest grade level in the school is grade 6, 7 or 8.

4 “(G) May not contain more than 200 total calories if sold in a school in
5 which the highest grade level in the school is grade 9, 10, 11 or 12.

6 “(b) An entree item that is sold individually:

7 “(A) May not contain more than four grams of fat per 100 calories.

8 “(B) May not contain more than 450 total calories.

9 “(4) The following shall apply to all beverages sold in a school during the
10 times described in subsection (5)(a) of this section:

11 “(a) If the beverage is sold in a school in which the highest grade level
12 in the school is grade 5 or less, the beverage may be only:

13 “(A) Water.

14 “(B) Fruit or vegetable juice, provided the beverage item is not more than
15 eight ounces, is 100 percent juice with no added sweeteners and contains no
16 more than 120 calories per eight ounces.

17 “(C) Milk or a nutritionally equivalent milk alternative, provided the
18 beverage item is not more than eight ounces, is fat free or low fat and, if
19 flavored, contains no more than 150 calories per eight ounces.

20 “(b) If the beverage is sold in a school in which the highest grade level
21 in the school is grade 6, 7 or 8, the beverage may be only:

22 “(A) Water.

23 “(B) Fruit or vegetable juice, provided the beverage item is not more than
24 10 ounces, is 100 percent juice with no added sweeteners and contains no
25 more than 120 calories per eight ounces.

26 “(C) Milk or a nutritionally equivalent milk alternative, provided the
27 beverage item is not more than 10 ounces, is fat free or low fat and, if fla-
28 vored, contains no more than 150 calories per eight ounces.

29 “(c) If the beverage is sold in a school in which the highest grade level
30 in the school is grade 9, 10, 11 or 12, the beverage may be only:

1 “(A) Water.

2 “(B) Fruit or vegetable juice, provided the beverage item is not more than
3 12 ounces, is 100 percent juice with no added sweeteners and contains no
4 more than 120 calories per eight ounces.

5 “(C) Milk or a nutritionally equivalent milk alternative, provided the
6 beverage item is not more than 12 ounces, is fat free or low fat and, if fla-
7 vored, contains no more than 150 calories per eight ounces.

8 “(D) A no-calorie or low-calorie beverage if the beverage contains no more
9 than 10 calories per eight ounces.

10 “(E) A beverage that is not more than 12 ounces and contains no more
11 than 66 calories per eight ounces.

12 “(5)(a) The standards required by this section apply to food and beverage
13 items sold in a school at all times during the regular or extended school day
14 when the activities in the school are primarily under the control of the
15 school district board. This includes, but is not limited to, the time before or
16 after classes are in session and the time when the school is being used for
17 activities such as clubs, yearbook, band or choir practice, student govern-
18 ment, drama rehearsals or child care programs.

19 “(b) The standards required by this section do not apply to food and
20 beverage items sold in a school at times when the school is being used for
21 school-related events or nonschool-related events for which parents and other
22 adults are a significant part of an audience or are selling food or beverage
23 items before, during or after the event, such as a sporting event or another
24 interscholastic activity, a play or a band or choir concert.

25 “(6) The standards required by this section do not apply to food and
26 beverage items sold in a school as part of the United States Department of
27 Agriculture’s National School Lunch Program or School Breakfast Program.

28 “(7) A school district board may adopt standards that are more restrictive
29 than the standards specified by this section.

30 “(8) Each school year, a school district board shall determine whether the

1 school district is in compliance with the standards required by this section
2 and report the results of that determination to the Department of Education.
3 The department may monitor whether school districts are in compliance with
4 the standards required by this section.

5 **“(9)(a) To the extent allowed by law, the State Board of Education**
6 **shall adopt rules that limit the marketing of food and beverage items**
7 **that do not meet the standards required by subsections (3) and (4) of**
8 **this section. The rules shall apply only to kindergarten through grade**
9 **12 schools that participate in the United States Department of**
10 **Agriculture’s National School Lunch Program or School Breakfast**
11 **Program.**

12 **“(b) For the purpose of this subsection, ‘marketing’ means:**

13 **“(A) Any oral, written or graphic statement or representation, in-**
14 **cluding a company logo or trademark, that is made:**

15 **“(i) For the purpose of promoting the use or sale of a food or**
16 **beverage item; and**

17 **“(ii) By the producer, manufacturer, distributor or seller of a food**
18 **or beverage item or by any other entity with a commercial interest in**
19 **the food or beverage item; or**

20 **“(B) A program that is sponsored by a corporation and that:**

21 **“(i) Provides students with free or discounted food or beverage**
22 **items as a reward, such as for reaching specified academic goals; or**

23 **“(ii) Provides funding to schools or school districts in exchange for**
24 **purchases of food or beverage items.”.**
