2 2 through 4 and insert:

3 **“SECTION 1. As used in sections 1 to 5 of this 2015 Act:**

4 **“(1) ‘County project coordinator’ means the county forester or a**
5 **designee of the county forester or, if there is no county forester, a**
6 **designee of the county governing body.**

7 **“(2) ‘Dealer’ means a person or agent of a person, other than a co-**
8 **operative, that purchases or contracts to purchase forestry products.**

9 **“(3) ‘Forestry product cooperative project’ means a county pro-**
10 **gram, administered by a county project coordinator, for forestry pro-**
11 **ducts grown on nonforest land within the county to be commercially**
12 **produced and marketed through a forestry products cooperative.**

13 **“(4) ‘Forestland’ means land that has a highest and best use other**
14 **than the growing of forest products.**

15 **“(5) ‘Forestry products’:**

16 **“(a) Except as provided in paragraph (b) of this subsection means**
17 **products from harvested timber.**

18 **“(b) Does not mean products from short rotation fiber grown under**
19 **agricultural conditions as described in ORS 321.267 (3) or 321.824 (3),**
20 **western juniper or products from harvested western juniper.**

21 **“(6) ‘Local government’ has the meaning given that term in ORS**
22 **174.116.**

1 **“(7) ‘Nonforest lands’ means lands other than:**

2 **“(a) Lands in western Oregon that are forestland as defined in ORS**
3 **321.257; or**

4 **“(b) Land in eastern Oregon that are forestland as defined in ORS**
5 **321.805.**

6 **“(8) ‘Party’ means a county, county project coordinator, county**
7 **employee, producer or dealer that carries out activities or engages in**
8 **transactions regarding a forestry product cooperative project.**

9 **“(9) ‘Producer’ means a possessor of land on which trees are grown**
10 **for harvesting as forestry products.**

11 **“SECTION 2. (1) It is the intent of sections 1 to 5 of this 2015 Act**
12 **to allow the displacement of competition through a regulatory system**
13 **for the production and marketing of forestry products under the**
14 **forestry product cooperative projects of counties to a limited degree.**
15 **The regulatory system is intended to grant immunity from federal and**
16 **state antitrust laws to the parties to a forestry product cooperative**
17 **project for the limited purpose of allowing the parties to bargain col-**
18 **lectively and to arrive at a negotiated price for forestry products**
19 **produced on nonforest land within a county.**

20 **“(2) The activities of any party that comply with the requirements**
21 **of the regulatory system described in sections 1 to 5 of this 2015 Act**
22 **and State Forester rules for carrying out the regulatory system and**
23 **forestry product cooperative projects may not be considered to be in**
24 **restraint of trade, a conspiracy or combination or any other unlawful**
25 **activity in violation of any provision of ORS 646.705 to 646.826 or fed-**
26 **eral antitrust laws.**

27 **“(3) The State Forester shall actively supervise the conduct of a**
28 **party in establishing the price of forestry products bought and sold as**
29 **part of a forestry product cooperative project. The State Forester shall**
30 **actively supervise, and establish procedures and guidelines for, the**

1 negotiations between the parties, review the prices established by the
2 negotiations and approve the prices proposed by the parties before the
3 prices take effect. Any adjustments to previously approved prices must
4 be approved by the State Forester before the adjustments may be im-
5 plemented.

6 “(4) The State Forester may compel the parties to take whatever
7 action the State Forester considers necessary to:

8 “(a) Ensure that the parties are engaging in conduct that is au-
9 thorized under sections 1 to 5 of this 2015 Act;

10 “(b) Ensure that the policies of this state are being fulfilled under
11 a forestry product cooperative project; and

12 “(c) Prevent conduct by any of the parties that is not authorized
13 under the regulatory system administered by the State Forester or
14 conduct that, in the opinion of the State Forester, does not advance
15 the interests of this state in carrying out the regulatory system for
16 forestry product cooperative projects.

17 “(5) The State Forester may take any actions the State Forester
18 deems appropriate to resolve disputes between the parties that involve
19 or arise out of a forestry product cooperative project, including but
20 not limited to referring the dispute for mediation, arbitration or
21 hearing.

22 “(6) The State Forester may designate employees of the State
23 Forestry Department to carry out the responsibility of actively super-
24 vising the conduct of the parties, including serving as intermediaries
25 between parties or prospective parties.

26 “(7) The State Forester may adopt rules to carry out the State
27 Forester’s authority under sections 1 to 5 of this 2015 Act. The de-
28 partment and a county operating a forestry product cooperative
29 project program shall enter into a memorandum of understanding for
30 the county to reimburse the department for the actual costs to the

1 department of providing services for the benefit of the program.
2 Moneys paid by a county as reimbursement shall be deposited in the
3 State Forestry Department Account established under ORS 526.060.

4 **“SECTION 3. Subject to section 2 of this 2015 Act, a county admin-**
5 **istering a forestry product cooperative project may do the following**
6 **to carry out the program:**

7 **“(1) Negotiate and enter into an agreement with any person or**
8 **governmental entity willing to commercially produce forestry products**
9 **as a member of the forestry product cooperative. The agreement must**
10 **specify the number, type and location of trees covered by the agree-**
11 **ment. The State Forester may impose additional requirements for the**
12 **contents of agreements described in this subsection. A tree that is**
13 **covered by an agreement must be marked for identification purposes**
14 **as required by the county. An agreement may not be used to alter the**
15 **supply of buildable land within an urban growth boundary.**

16 **“(2) Negotiate with one or more producers and dealers to establish**
17 **the price for forestry products sold through the cooperative. The**
18 **dealers may negotiate through a committee that sets forth the views**
19 **of the dealers and votes on any issues being negotiated as authorized**
20 **by this section, including the price for forestry products. However, a**
21 **person that is both a producer and a dealer may not participate in**
22 **negotiations under this section.**

23 **“(3) Enter into intergovernmental agreements with other counties**
24 **for the sharing of administrative or other project resources and ser-**
25 **vices and to provide for joint action by the counties in the selling of**
26 **forest projects. An intergovernmental agreement described in this**
27 **subsection may not take effect unless the agreement has been re-**
28 **viewed and approved by the State Forester. An intergovernmental**
29 **agreement described in this subsection is a part of the forestry product**
30 **cooperative project of each county entering into the agreement. An**

1 intergovernmental agreement described in this subsection must in-
2 clude a provision allowing a county to withdraw from the agreement
3 after notice to the other party counties and to the State Forester.

4 **“SECTION 4. (1) Except as provided in this section, a local govern-
5 ment may not enforce an ordinance to require or prohibit the removal
6 of a tree that is subject to a forestry product cooperative project. This
7 subsection does not prohibit a local government from:**

8 **“(a) Enforcing a county ordinance approved by the State Forester
9 for regulating trees subject to a forestry product cooperative project
10 or regulating land on which a tree that is subject to a forestry product
11 cooperative project is located;**

12 **“(b) Enforcing a county ordinance adopted to implement compre-
13 hensive plan policies developed to address statewide land use goals;**

14 **“(c) Enforcing a local ordinance regulating a tree that is removed
15 from a forestry product cooperative project;**

16 **“(d) Exercising the power of eminent domain to acquire fee title to
17 the land on which a tree subject to a forestry product cooperative
18 project is planted; or**

19 **“(e) Acting or requiring action to remedy or mitigate a hazardous
20 condition in a tree that presents an imminent threat of serious harm
21 to persons or property.**

22 **“(2) This section does not prevent the application of a local ordi-
23 nance to require or prohibit the removal of a tree if the tree becomes
24 subject to the forestry product cooperative project more than five
25 years after the tree is planted.**

26 **“(3) This section does not require a county project coordinator or
27 the State Forester to consent to the inclusion or continued inclusion
28 of a tree in a forestry product cooperative project.**

29 **“(4) If the land on which a tree subject to a forestry product coop-
30 erative project is located is sold, the tree shall continue to be a tree**

1 **subject to the forestry product cooperative project unless:**

2 **“(a) The new owner of the land removes the tree from the project;**

3 **or**

4 **“(b) The county project coordinator determines that the tree is not**
5 **being maintained as required by the project.**

6 **“SECTION 5. (1) A county may not have more than one forestry**
7 **product cooperative project operating.**

8 **“(2) The State Forester may terminate the participation of a**
9 **forestry product cooperative project in the regulatory system estab-**
10 **lished under sections 1 to 5 of this 2015 Act if the State Forester de-**
11 **termines that the project is not being conducted in accordance with**
12 **sections 1 to 5 of this 2015 Act or rules adopted under section 2 of this**
13 **2015 Act.”.**
