

**PROPOSED AMENDMENTS TO
SENATE BILL 440**

1 On page 1 of the printed bill, delete lines 3 and 4 and insert “243.866,
2 413.011, 413.017, 413.032, 413.181, 414.025, 414.638, 414.679 and 417.721 and
3 section 1, chapter 608, Oregon Laws 2013; and declaring an emergency.”.

4 After line 4, insert:

5 “Whereas key elements of this state’s health system transformation efforts
6 include reducing costs while improving quality, outcomes, public health and
7 patients’ experiences; and

8 “Whereas health care data and performance metrics are important to
9 track progress and create incentives for transformation in the health care
10 system; and

11 “Whereas performance metrics will only be effective at driving transfor-
12 mation through the health care system if they are evidence-based, aligned
13 across health care programs and remain consistent long enough for the
14 transformation efforts to take root; and

15 “Whereas coordination across state agencies and programs is critical in
16 achieving transformation; and

17 “Whereas both the state and stakeholders will benefit from streamlining
18 efforts with respect to health care data reporting and use and the establish-
19 ment of performance metrics; and

20 “Whereas creating a statewide strategic plan for health care data and
21 performance metrics would ensure data collection and performance metrics
22 efforts are focused on specific goals over a period of time and provide value

1 to this state, stakeholders and consumers; and

2 “Whereas utilizing a single body to align health care data use and per-
3 formance measures will ensure efforts are coordinated, evidence-based and
4 transformational and remain focused on a long term statewide vision; now,
5 therefore,”.

7 **“SECTION 1. (1) The Oregon Health Policy Board, in consultation**
8 **with the Public Employees’ Benefit Board, the Oregon Educators**
9 **Benefit Board and the Department of Consumer and Business Services**
10 **shall develop a statewide strategic plan for the collection and use of**
11 **health care data. The plan must:**

12 **“(a) Include clear objectives for how health care data will be used,**
13 **and what types of data are needed, in state health care programs to**
14 **support health system transformation efforts and promote value;**

15 **“(b) Allow for alignment of performance metrics across state health**
16 **care programs;**

17 **“(c) Ensure that the state’s efforts in the collection and use of**
18 **health care data encourage integrated and coordinated care, promote**
19 **improved quality, health outcomes and patient satisfaction and help**
20 **reduce costs;**

21 **“(d) Include strategies to ensure that the state’s collection, use and**
22 **measurement of health care data advance payment reform and allow**
23 **for alternative payment methodologies;**

24 **“(e) Allow for alternative reporting and measurement mechanisms**
25 **that are not claims-based or that are for payers and providers who are**
26 **moving away from fee-for-service based reimbursement;**

27 **“(f) Identify appropriate and inappropriate uses of health care data,**
28 **including safeguards to ensure privacy and ensure that data is not**
29 **used for marketing or other inappropriate purposes; and**

30 **“(g) Outline a five-year vision including implementation timelines**

1 **in sufficient detail that health care stakeholders can plan for expected**
2 **new data reporting requirements and uses.**

3 **“(2) The Oregon Health Policy Board shall submit the plan devel-**
4 **oped under subsection (1) of this section to the interim committees**
5 **of the Legislative Assembly related to health care no later than Sep-**
6 **tember 1, 2016.**

7 **“(3) The performance measures developed by the Health Plan**
8 **Quality Metrics Committee established under ORS 413.017 (4) must be**
9 **aligned with the statewide strategic plan adopted under this section.**

10 **“SECTION 2.** ORS 413.017 is amended to read:

11 **“413.017. (1) The Oregon Health Policy Board shall establish the commit-**
12 **tees described in subsections (2) [and (3)] to (4) of this section.**

13 **“(2)(a) The Public Health Benefit Purchasers Committee shall include in-**
14 **dividuals who purchase health care for the following:**

15 **“(A) The Public Employees’ Benefit Board.**

16 **“(B) The Oregon Educators Benefit Board.**

17 **“(C) Trustees of the Public Employees Retirement System.**

18 **“(D) A city government.**

19 **“(E) A county government.**

20 **“(F) A special district.**

21 **“(G) Any private nonprofit organization that receives the majority of its**
22 **funding from the state and requests to participate on the committee.**

23 **“(b) The Public Health Benefit Purchasers Committee shall:**

24 **“(A) Identify and make specific recommendations to achieve uniformity**
25 **across all public health benefit plan designs based on the best available**
26 **clinical evidence, recognized best practices for health promotion and disease**
27 **management, demonstrated cost-effectiveness and shared demographics**
28 **among the enrollees within the pools covered by the benefit plans.**

29 **“(B) Develop an action plan for ongoing collaboration to implement the**
30 **benefit design alignment described in subparagraph (A) of this paragraph and**

1 shall leverage purchasing to achieve benefit uniformity if practicable.

2 “(C) Continuously review and report to the Oregon Health Policy Board
3 on the committee’s progress in aligning benefits while minimizing the cost
4 shift to individual purchasers of insurance without shifting costs to the pri-
5 vate sector or the Oregon Health Insurance Exchange.

6 “(c) The Oregon Health Policy Board shall work with the Public Health
7 Benefit Purchasers Committee to identify uniform provisions for state and
8 local public contracts for health benefit plans that achieve maximum quality
9 and cost outcomes. The board shall collaborate with the committee to de-
10 velop steps to implement joint contract provisions. The committee shall
11 identify a schedule for the implementation of contract changes. The process
12 for implementation of joint contract provisions must include a review process
13 to protect against unintended cost shifts to enrollees or agencies.

14 “[*(d) Proposals and plans developed in accordance with this subsection*
15 *shall be completed by October 1, 2010, and shall be submitted to the Oregon*
16 *Health Policy Board for its approval and possible referral to the Legislative*
17 *Assembly no later than December 31, 2010.*]

18 “(3)(a) The Health Care Workforce Committee shall include individuals
19 who have the collective expertise, knowledge and experience in a broad
20 range of health professions, health care education and health care workforce
21 development initiatives.

22 “(b) The Health Care Workforce Committee shall coordinate efforts to
23 recruit and educate health care professionals and retain a quality workforce
24 to meet the demand that will be created by the expansion in health care
25 coverage, system transformations and an increasingly diverse population.

26 “(c) The Health Care Workforce Committee shall conduct an inventory
27 of all grants and other state resources available for addressing the need to
28 expand the health care workforce to meet the needs of Oregonians for health
29 care.

30 “(4)(a) **The Health Plan Quality Metrics Committee shall include:**

1 **“(A) An individual appointed by the Oregon Health Authority;**

2 **“(B) An individual appointed by the Oregon Educators Benefit**
3 **Board;**

4 **“(C) An individual appointed by the Public Employees’ Benefit**
5 **Board;**

6 **“(D) An individual appointed by the Department of Consumer and**
7 **Business Services; and**

8 **“(E) Individuals appointed by the Oregon Health Policy Board in**
9 **collaboration with the Oregon Educators Benefit Board, the Public**
10 **Employees’ Benefit Board and the Department of Consumer and**
11 **Business Services including:**

12 **“(i) Two health care providers;**

13 **“(ii) One individual representing hospitals;**

14 **“(iii) One individual representing insurers, large employers or mul-**
15 **tiiple employer welfare arrangements;**

16 **“(iv) Two individuals representing health care consumers;**

17 **“(v) Two individuals representing coordinated care organizations;**
18 **and**

19 **“(vi) Three individuals who, collectively, have expertise in health**
20 **care research, health care quality measures and mental health and**
21 **addiction services.**

22 **“(b) The committee shall work collaboratively with the Oregon Ed-**
23 **ucators Benefit Board, the Public Employees’ Benefit Board and the**
24 **Department of Consumer and Business Services to adopt health out-**
25 **come and quality measures that are focused on specific goals and**
26 **provide value to the state, employers, insurers, health care providers**
27 **and consumers. The committee shall be the single body to align health**
28 **outcome and quality measures used in this state with the require-**
29 **ments of health care data reporting to ensure that the measures and**
30 **requirements are coordinated, evidence-based and focused on a long**

1 term statewide vision.

2 “(c) The committee shall use a public process that includes an op-
3 portunity for public comment to identify health outcome and quality
4 measures that may be applied to services provided by coordinated care
5 organizations or paid for by health benefit plans sold through the
6 health insurance exchange or offered by the Oregon Educators Benefit
7 Board or the Public Employees’ Benefit Board. The Oregon Health
8 Authority, the Department of Consumer and Business Services, the
9 Oregon Educators Benefit Board and the Public Employees’ Benefit
10 Board are not required to adopt all of the health outcome and quality
11 measures identified by the committee but may not adopt any health
12 outcome and quality measures that are different from the measures
13 identified by the committee. The measures must take into account the
14 differences in the populations served by coordinated care organizations
15 and by commercial insurers.

16 “(d) In identifying health outcome and quality measures, the com-
17 mittee shall prioritize measures that:

18 “(A) Utilize existing state and national health outcome and quality
19 measures, including measures adopted by the Centers for Medicare and
20 Medicaid Services, that have been adopted or endorsed by other state
21 or national organizations and have a relevant state or national
22 benchmark;

23 “(B) Given the context in which each measure is applied, are not
24 prone to random variations based on the size of the denominator;

25 “(C) Utilize existing data systems for reporting the measures to
26 minimize redundant reporting and undue burden on the state, health
27 benefit plans and health care providers;

28 “(D) Can be meaningfully adopted for a minimum of three years;

29 “(E) Use a common format in the collection of the data and facili-
30 tate the public reporting of the data; and

1 “(F) Can be reported in a timely manner and without significant
2 delay so that the most current and actionable data is available.

3 “(e) The committee shall evaluate on a regular and ongoing basis
4 the health outcome and quality measures adopted under this section.

5 “(f) The committee may convene subcommittees to focus on gaining
6 expertise in particular areas such as data collection, health care re-
7 search and mental health and substance use disorders in order to aid
8 the committee in the development of health outcome and quality
9 measures. A subcommittee may include staff from the Oregon Health
10 Authority, the Department of Human Services, the Department of
11 Consumer and Business Services, the Early Learning Council or any
12 other agency staff with the appropriate expertise in the issues ad-
13 dressed by the subcommittee.

14 “(g) This subsection does not prevent the Oregon Health Authority,
15 the Department of Consumer and Business Services, commercial
16 insurers, the Public Employees’ Benefit Board or the Oregon Educa-
17 tors Benefit Board from establishing programs that provide financial
18 incentives to providers for meeting specific health outcome and quality
19 measures adopted by the committee.

20 “[(4)] (5) Members of the committees described in subsections (2) [*and*
21 (3)] to (4) of this section who are not members of the Oregon Health Policy
22 Board are not entitled to compensation but shall be reimbursed from funds
23 available to the board for actual and necessary travel and other expenses
24 incurred by them by their attendance at committee meetings, in the manner
25 and amount provided in ORS 292.495.

26 “**SECTION 3.** The Oregon Health Authority shall submit two reports
27 to the Legislative Assembly, in the manner provided in ORS 192.245,
28 on the activities of the Health Plan Quality Metrics Committee and the
29 authority in complying with the provisions of ORS 413.017 (4)(b) to (f).
30 The first report shall be submitted during the 2017 regular session of

1 **the Legislative Assembly. A second report shall be submitted during**
2 **the 2019 regular session of the Legislative Assembly.**

3 **“SECTION 4.** ORS 243.135 is amended to read:

4 “243.135. (1) Notwithstanding any other benefit plan contracted for and
5 offered by the Public Employees’ Benefit Board, the board shall contract for
6 a health benefit plan or plans best designed to meet the needs and provide
7 for the welfare of eligible employees, the state and the local governments.
8 In considering whether to enter into a contract for a plan, the board shall
9 place emphasis on:

- 10 “(a) Employee choice among high quality plans;
- 11 “(b) A competitive marketplace;
- 12 “(c) Plan performance and information;
- 13 “(d) Employer flexibility in plan design and contracting;
- 14 “(e) Quality customer service;
- 15 “(f) Creativity and innovation;
- 16 “(g) Plan benefits as part of total employee compensation; *[and]*
- 17 “(h) The improvement of employee health; **and**
- 18 **“(i) Health outcome and quality measures, described in ORS 413.017**
19 **(4), that are reported by the plan.**

20 “(2) The board may approve more than one carrier for each type of plan
21 contracted for and offered but the number of carriers shall be held to a
22 number consistent with adequate service to eligible employees and their
23 family members.

24 “(3) Where appropriate for a contracted and offered health benefit plan,
25 the board shall provide options under which an eligible employee may ar-
26 range coverage for family members.

27 “(4) Payroll deductions for costs that are not payable by the state or a
28 local government may be made upon receipt of a signed authorization from
29 the employee indicating an election to participate in the plan or plans se-
30 lected and the deduction of a certain sum from the employee’s pay.

1 “(5) In developing any health benefit plan, the board may provide an op-
2 tion of additional coverage for eligible employees and their family members
3 at an additional cost or premium.

4 “(6) Transfer of enrollment from one plan to another shall be open to all
5 eligible employees and their family members under rules adopted by the
6 board. Because of the special problems that may arise in individual instances
7 under comprehensive group practice plan coverage involving acceptable
8 [*physician-patient*] **provider-patient** relations between a particular panel of
9 [*physicians*] **providers** and particular eligible employees and their family
10 members, the board shall provide a procedure under which any eligible em-
11 ployee may apply at any time to substitute a health service benefit plan for
12 participation in a comprehensive group practice benefit plan.

13 “(7) The board shall evaluate a benefit plan that serves a limited ge-
14 ographic region of this state according to the criteria described in subsection
15 (1) of this section.

16 **“SECTION 5.** ORS 243.866 is amended to read:

17 “243.866. (1) The Oregon Educators Benefit Board shall contract for ben-
18 efit plans best designed to meet the needs and provide for the welfare of el-
19 igible employees, the districts and local governments. In considering whether
20 to enter into a contract for a benefit plan, the board shall place emphasis
21 on:

22 “(a) Employee choice among high-quality plans;

23 “(b) Encouragement of a competitive marketplace;

24 “(c) Plan performance and information;

25 “(d) District and local government flexibility in plan design and con-
26 tracting;

27 “(e) Quality customer service;

28 “(f) Creativity and innovation;

29 “(g) Plan benefits as part of total employee compensation; [*and*]

30 “(h) Improvement of employee health; **and**

1 “(i) **Health outcome and quality measures, described in ORS 413.017**
2 **(4), that are reported by the plan.**

3 “(2) The board may approve more than one carrier for each type of benefit
4 plan offered, but the board shall limit the number of carriers to a number
5 consistent with adequate service to eligible employees and family members.

6 “(3) When appropriate, the board shall provide options under which an
7 eligible employee may arrange coverage for family members under a benefit
8 plan.

9 “(4) A district or a local government shall provide that payroll deductions
10 for benefit plan costs that are not payable by the district or local govern-
11 ment may be made upon receipt of a signed authorization from the employee
12 indicating an election to participate in the benefit plan or plans selected and
13 allowing the deduction of those costs from the employee’s pay.

14 “(5) In developing any benefit plan, the board may provide an option of
15 additional coverage for eligible employees and family members at an addi-
16 tional premium.

17 “(6) The board shall adopt rules providing that transfer of enrollment
18 from one benefit plan to another is open to all eligible employees and family
19 members. Because of the special problems that may arise involving accepta-
20 ble [*physician-patient*] **provider-patient** relations between a particular panel
21 of [*physicians*] **providers** and a particular eligible employee or family mem-
22 ber under a comprehensive group practice benefit plan, the board shall pro-
23 vide a procedure under which any eligible employee may apply at any time
24 to substitute another benefit plan for participation in a comprehensive group
25 practice benefit plan.

26 “(7) An eligible employee who is retired is not required to participate in
27 a health benefit plan offered under this section in order to obtain dental
28 benefit plan coverage. The board shall establish by rule standards of eligi-
29 bility for retired employees to participate in a dental benefit plan.

30 “(8) The board shall evaluate a benefit plan that serves a limited ge-

1 ographic region of this state according to the criteria described in subsection
2 (1) of this section.

3 **“SECTION 6.** ORS 413.011 is amended to read:

4 “413.011. (1) The duties of the Oregon Health Policy Board are to:

5 “(a) Be the policy-making and oversight body for the Oregon Health Au-
6 thority established in ORS 413.032 and all of the authority’s departmental
7 divisions.

8 “(b) Develop and submit a plan to the Legislative Assembly by December
9 31, 2010, to provide and fund access to affordable, quality health care for all
10 Oregonians by 2015.

11 “(c) Develop a program to provide health insurance premium assistance
12 to all low and moderate income individuals who are legal residents of
13 Oregon.

14 “(d) [*Establish and continuously refine uniform, statewide health care*
15 *quality standards for use by all purchasers of health care, third-party payers*
16 *and health care providers as quality performance benchmarks] **Publish health**
17 **outcome and quality measure data collected by the Oregon Health**
18 **Authority at aggregate levels that do not disclose information other-**
19 **wise protected by law. The information published must report, for each**
20 **coordinated care organization and each health benefit plan sold**
21 **through the health insurance exchange or offered by the Oregon Ed-**
22 **ucators Benefit Board or the Public Employees’ Benefit Board:***

23 **“(A) Quality measures;**

24 **“(B) Costs;**

25 **“(C) Health outcomes; and**

26 **“(D) Other information that is necessary for members of the public**
27 **to evaluate the value of health services delivered by each coordinated**
28 **care organization and by each health benefit plan.**

29 “(e) Establish evidence-based clinical standards and practice guidelines
30 that may be used by providers.

1 “(f) Approve and monitor community-centered health initiatives described
2 in ORS 413.032 (1)(h) that are consistent with public health goals, strategies,
3 programs and performance standards adopted by the Oregon Health Policy
4 Board to improve the health of all Oregonians, and shall regularly report to
5 the Legislative Assembly on the accomplishments and needed changes to the
6 initiatives.

7 “(g) Establish cost containment mechanisms to reduce health care costs.

8 “(h) Ensure that Oregon’s health care workforce is sufficient in numbers
9 and training to meet the demand that will be created by the expansion in
10 health coverage, health care system transformations, an increasingly diverse
11 population and an aging workforce.

12 “(i) Work with the Oregon congressional delegation to advance the
13 adoption of changes in federal law or policy to promote Oregon’s compre-
14 hensive health reform plan.

15 “(j) Establish a health benefit package in accordance with ORS 741.340
16 to be used as the baseline for all health benefit plans offered through the
17 Oregon health insurance exchange.

18 “(k) Investigate and report annually to the Legislative Assembly on the
19 feasibility and advisability of future changes to the health insurance market
20 in Oregon, including but not limited to the following:

21 “(A) A requirement for every resident to have health insurance coverage.

22 “(B) A payroll tax as a means to encourage employers to continue pro-
23 viding health insurance to their employees.

24 “(C) The implementation of a system of interoperable electronic health
25 records utilized by all health care providers in this state.

26 “(L) Meet cost-containment goals by structuring reimbursement rates to
27 reward comprehensive management of diseases, quality outcomes and the ef-
28 ficient use of resources by promoting cost-effective procedures, services and
29 programs including, without limitation, preventive health, dental and pri-
30 mary care services, web-based office visits, telephone consultations and tele-

1 medicine consultations.

2 “(m) Oversee the expenditure of moneys from the Health Care Workforce
3 Strategic Fund to support grants to primary care providers and rural health
4 practitioners, to increase the number of primary care educators and to sup-
5 port efforts to create and develop career ladder opportunities.

6 “(n) Work with the Public Health Benefit Purchasers Committee, admin-
7 istrators of the medical assistance program and the Department of Cor-
8 rections to identify uniform contracting standards for health benefit plans
9 that achieve maximum quality and cost outcomes and align the contracting
10 standards for all state programs to the greatest extent practicable.

11 “(2) The Oregon Health Policy Board is authorized to:

12 “(a) Subject to the approval of the Governor, organize and reorganize the
13 authority as the board considers necessary to properly conduct the work of
14 the authority.

15 “(b) Submit directly to the Legislative Counsel, no later than October 1
16 of each even-numbered year, requests for measures necessary to provide
17 statutory authorization to carry out any of the board’s duties or to imple-
18 ment any of the board’s recommendations. The measures may be filed prior
19 to the beginning of the legislative session in accordance with the rules of
20 the House of Representatives and the Senate.

21 “(3) If the board or the authority is unable to perform, in whole or in
22 part, any of the duties described in ORS 413.006 to 413.042 and 741.340
23 without federal approval, the authority is authorized to request, in accord-
24 ance with ORS 413.072, waivers or other approval necessary to perform those
25 duties. The authority shall implement any portions of those duties not re-
26 quiring legislative authority or federal approval, to the extent practicable.

27 “(4) The enumeration of duties, functions and powers in this section is
28 not intended to be exclusive nor to limit the duties, functions and powers
29 imposed on the board by ORS 413.006 to 413.042 and 741.340 and by other
30 statutes.

1 “(5) The board shall consult with the Department of Consumer and Busi-
2 ness Services in completing the tasks set forth in subsection (1)(j) and (k)(A)
3 of this section.

4 **“SECTION 7.** ORS 413.032 is amended to read:

5 “413.032. (1) The Oregon Health Authority is established. The authority
6 shall:

7 “(a) Carry out policies adopted by the Oregon Health Policy Board;

8 “(b) Administer the Oregon Integrated and Coordinated Health Care De-
9 livery System established in ORS 414.620;

10 “(c) Administer the Oregon Prescription Drug Program;

11 “(d) Develop the policies for and the provision of publicly funded medical
12 care and medical assistance in this state;

13 “(e) Develop the policies for and the provision of mental health treatment
14 and treatment of addictions;

15 “(f) Assess, promote and protect the health of the public as specified by
16 state and federal law;

17 “(g) Provide regular reports to the board with respect to the performance
18 of health services contractors serving recipients of medical assistance, in-
19 cluding reports of trends in health services and enrollee satisfaction;

20 “(h) Guide and support, with the authorization of the board, community-
21 centered health initiatives designed to address critical risk factors, especially
22 those that contribute to chronic disease;

23 “(i) Be the state Medicaid agency for the administration of funds from
24 Titles XIX and XXI of the Social Security Act and administer medical as-
25 sistance under ORS chapter 414;

26 “(j) In consultation with the Director of the Department of Consumer and
27 Business Services, periodically review and recommend standards and meth-
28 odologies to the Legislative Assembly for:

29 “(A) Review of administrative expenses of health insurers;

30 “(B) Approval of rates; and

1 “(C) Enforcement of rating rules adopted by the Department of Consumer
2 and Business Services;

3 “(k) Structure reimbursement rates for providers that serve recipients of
4 medical assistance to reward comprehensive management of diseases, quality
5 outcomes and the efficient use of resources and to promote cost-effective
6 procedures, services and programs including, without limitation, preventive
7 health, dental and primary care services, web-based office visits, telephone
8 consultations and telemedicine consultations;

9 “(L) Guide and support community three-share agreements in which an
10 employer, state or local government and an individual all contribute a por-
11 tion of a premium for a community-centered health initiative or for insur-
12 ance coverage;

13 “(m) Develop, in consultation with the Department of Consumer and
14 Business Services, one or more products designed to provide more affordable
15 options for the small group market; *[and]*

16 “(n) Implement policies and programs to expand the skilled, diverse
17 workforce as described in ORS 414.018 (4); **and**

18 **“(o) Implement a process for collecting the health outcome and**
19 **quality measure data identified by the Health Plan Quality Metrics**
20 **Committee and report the data to the Oregon Health Policy Board.**

21 “(2) The Oregon Health Authority is authorized to:

22 “(a) Create an all-claims, all-payer database to collect health care data
23 and monitor and evaluate health care reform in Oregon and to provide
24 comparative cost and quality information to consumers, providers and pur-
25 chasers of health care about Oregon’s health care systems and health plan
26 networks in order to provide comparative information to consumers.

27 “(b) Develop uniform contracting standards for the purchase of health
28 care, including the following:

29 “(A) Uniform quality standards and performance measures;

30 “(B) Evidence-based guidelines for major chronic disease management and

1 health care services with unexplained variations in frequency or cost;

2 “(C) Evidence-based effectiveness guidelines for select new technologies
3 and medical equipment; and

4 “(D) A statewide drug formulary that may be used by publicly funded
5 health benefit plans.

6 “(3) The enumeration of duties, functions and powers in this section is
7 not intended to be exclusive nor to limit the duties, functions and powers
8 imposed on or vested in the Oregon Health Authority by ORS 413.006 to
9 413.042 and 741.340 or by other statutes.

10 **“SECTION 8.** ORS 413.181 is amended to read:

11 “413.181. (1) The Department of Consumer and Business Services and the
12 Oregon Health Authority may enter into agreements governing the disclo-
13 sure of information reported to the department by insurers with certificates
14 of authority to transact insurance in this state.

15 “(2) The authority may use information disclosed under subsection (1) of
16 this section for the purpose of carrying out ORS **413.032**, 414.625, 414.635,
17 414.638, 414.645 and 414.651.

18 **“SECTION 9.** ORS 414.025 is amended to read:

19 “414.025. As used in this chapter and ORS chapters 411 and 413, unless
20 the context or a specially applicable statutory definition requires otherwise:

21 “(1)(a) ‘Alternative payment methodology’ means a payment other than a
22 fee-for-services payment, used by coordinated care organizations as compen-
23 sation for the provision of integrated and coordinated health care and ser-
24 vices.

25 “(b) ‘Alternative payment methodology’ includes, but is not limited to:

26 “(A) Shared savings arrangements;

8 “**SECTION 11.** ORS 414.679 is amended to read:

9 “414.679. (1) The Oregon Health Authority shall ensure the appropriate
10 use of member information by coordinated care organizations, including the
11 use of electronic health information and administrative data that is available
12 when and where the data is needed to improve health and health care
13 through a secure, confidential health information exchange.

14 “(2) A member of a coordinated care organization must have access to the
15 member’s personal health information in the manner provided in 45 C.F.R.
16 164.524 so the member can share the information with others involved in the
17 member’s care and make better health care and lifestyle choices.

18 “(3) Notwithstanding ORS 179.505, a coordinated care organization, its
19 provider network and programs administered by the Department of Human
20 Services for seniors and persons with disabilities shall use and disclose
21 member information for purposes of service and care delivery, coordination,
22 service planning, transitional services and reimbursement, in order to im-
23 prove the safety and quality of care, lower the cost of care and improve the
24 health and well-being of the organization’s members.

25 “(4) A coordinated care organization and its provider network shall use
26 and disclose sensitive diagnosis information including HIV and other health
27 and mental health diagnoses, within the coordinated care organization for
28 the purpose of providing whole-person care. Individually identifiable health
29 information must be treated as confidential and privileged information sub-
30 ject to ORS 192.553 to 192.581 and applicable federal privacy requirements.

1 Redisclosure of individually identifiable information outside of the coordi-
2 nated care organization and the organization’s providers for purposes unre-
3 lated to this section or the requirements of ORS **413.032**, 414.625, 414.632,
4 414.635, 414.638, 414.653 or 414.655 remains subject to any applicable federal
5 or state privacy requirements.

6 “(5) This section does not prohibit the disclosure of information between
7 a coordinated care organization and the organization’s provider network, and
8 the Oregon Health Authority and the Department of Human Services for the
9 purpose of administering the laws of Oregon.

10 “(6) The Health Information Technology Oversight Council shall develop
11 readily available informational materials that can be used by coordinated
12 care organizations and providers to inform all participants in the health care
13 workforce about the appropriate uses and limitations on disclosure of elec-
14 tronic health records, including need-based access and privacy mandates.
