

**PROPOSED AMENDMENTS TO
SENATE BILL 714**

1 On page 5 of the printed bill, delete lines 9 through 24 and insert:

2 “(17) Take any adverse action against a dealer for violating a prohibition
3 that the manufacturer, distributor or importer imposes on the dealer’s ex-
4 porting a motor vehicle or selling a motor vehicle for resale because the
5 dealer sold a motor vehicle to a customer that exported or resold the motor
6 vehicle in violation of the prohibition, unless the manufacturer, distributor
7 or importer provided the dealer with written notice of the prohibition and
8 the dealer knew or reasonably should have known at the time the dealer sold
9 the motor vehicle to the customer that the customer intended to export or
10 resell the vehicle in violation of the prohibition. A dealer that registers or
11 causes a motor vehicle to be registered in this state or another state and that
12 collects or causes to be collected any sales or use tax required in this state
13 establishes a rebuttable presumption that the dealer did not have reason to
14 know that the customer intended to export or resell the motor vehicle.”.
