

**PROPOSED AMENDMENTS TO  
SENATE BILL 874**

1 On page 1 of the printed bill, line 2, after “insufficiency” delete the rest  
2 of the line and insert a period.

3 Delete lines 4 through 30 and delete page 2 and insert:

4 **“SECTION 1. (1) The Oregon Health Authority shall compile infor-**  
5 **mation on the following:**

6 **“(a) The dangers associated with adrenal insufficiency;**

7 **“(b) How to identify a person suffering an adrenal crisis; and**

8 **“(c) The types of medications that treat adrenal insufficiency.**

9 **“(2) The authority shall disseminate the information described in**  
10 **subsection (1) of this section to health care professionals and the**  
11 **public for the purpose of educating health care professionals and the**  
12 **public about adrenal insufficiency. The authority may disseminate the**  
13 **information through print or electronic publications, through video**  
14 **productions or by any other method determined to be cost-effective**  
15 **by the authority.**

16 **“(3) In disseminating the information described in subsection (1) of**  
17 **this section, the authority shall consider the most effective means of**  
18 **providing the information to emergency medical services providers li-**  
19 **censed under ORS chapter 682 and health care professionals who work**  
20 **in a hospital emergency department.”.**
