22 in this state.

23 “(d) The [*Director of the Oregon Department of Administrative Services*]  
24 **State Chief Information Officer** shall appoint two members as follows:

25 “(A) [*The*] **A representative of the State Chief Information Officer**; and

26 “(B) A representative of the Oregon Department of Administrative Ser-  
27 vices.

28 “(e) The State Treasurer shall appoint one member who represents the  
29 State Treasurer.

30 “(2) Members of the Legislative Assembly who are members of the advi-

1 sory board are nonvoting members and may act only in an advisory capacity.

2 “(3) The advisory board shall:

3 “(a) Advise the **State Chief Information Officer and the Oregon De-**  
4 **partment of Administrative Services** concerning:

5 “(A) The development of electronic government portals for the **State**  
6 **Chief Information Officer, the** department and other state agencies;

7 “(B) The amount, collection methods or other aspects of a convenience fee  
8 that the [*department*] **State Chief Information Officer** or an electronic  
9 government portal provider collects;

10 “(C) The priority of new governmental service applications that may be  
11 provided by means of an electronic government portal;

12 “(D) Terms and conditions of contracts between state agencies and elec-  
13 tronic government portal providers; and

14 “(E) Rules necessary to implement electronic government portals.

15 “(b) Monitor the layout, content and usability of electronic government  
16 portals and advise **the State Chief Information Officer and** the depart-  
17 ment on ways to improve the delivery of government services by means of  
18 electronic government portals, the accountability of state agencies’ use of  
19 electronic government portals to provide government services and user sat-  
20 isfaction with electronic government portals.

21 “(c) Study, propose, develop or coordinate activities that:

22 “(A) Consider the needs of residents of this state;

23 “(B) Evaluate the performance and transparency of state agency delivery  
24 of government services; and

25 “(C) Further the effectiveness of and user satisfaction with:

26 “(i) Electronic government portals; and

27 “(ii) State agencies’ performance and accountability in [*the use of*] **using**  
28 electronic government portals to provide government services.

29 “(4) A majority of the members of the advisory board constitutes a quo-  
30 rum for [*the transaction of*] **transacting** business.

1 “(5) [*Official action by the advisory board requires the approval of*] A ma-  
2 jority of the members of the advisory board **must approve official action**  
3 **by the advisory board.**

4 “(6) The advisory board shall elect one of the members of the advisory  
5 board to serve as chairperson.

6 “(7) If a vacancy on the advisory board occurs for any cause, the ap-  
7 pointing authority shall make an appointment [*to become*] **that becomes**  
8 immediately effective.

9 “(8) The advisory board shall meet at times and places [*specified by the*  
10 *call of*] **that** the chairperson or [*of*] a majority of the members of the advi-  
11 sory board **specifies.**

12 “(9) The advisory board may adopt rules necessary [*for the operation of*]  
13 **to operate** the advisory board.

14 “(10) The Oregon Department of Administrative Services shall provide  
15 staff support to the advisory board.

16 “(11) Members of the advisory board who are not members of the Legis-  
17 lative Assembly [*are not entitled to*] **may not receive** compensation, but may  
18 be reimbursed for actual and necessary travel and other expenses the mem-  
19 bers incur in the performance of the members’ official duties in the manner  
20 and amounts provided for in ORS 292.495. Claims for expenses [*incurred*] **the**  
21 **members incur** in performing functions of the advisory board shall be paid  
22 out of funds appropriated to the Oregon Department of Administrative Ser-  
23 vices for purposes of the advisory board.

24 “(12) All state agencies shall assist the advisory board in the advisory  
25 board’s performance of the advisory board’s duties and, to the extent per-  
26 mitted by laws relating to confidentiality, to furnish information and advice  
27 as the members of the advisory board consider necessary to perform the du-  
28 ties of the advisory board.

29 **“SECTION 15.** ORS 182.132 is amended to read:

30 “182.132. (1) The [*Oregon Department of Administrative Services*] **State**

1 **Chief Information Officer**, with the advice of the Electronic Government  
2 Portal Advisory Board, shall provide the ability for state agencies to offer  
3 government services by means of an electronic government portal. The elec-  
4 tronic government portal must be secure and must *[meet]* **comply with the**  
5 **information security rules, policies and standards that the State Chief**  
6 **Information Officer adopts under ORS 182.122 and meet the** usability  
7 standards developed in cooperation with the advisory board.

8 “(2) For the purposes of subsection (1) of this section, the *[department]*  
9 **State Chief Information Officer**, under the provisions of the Public Con-  
10 tracting Code, may contract with an electronic government portal provider  
11 **in a manner that is consistent with the State Chief Information**  
12 **Officer’s rules, policies and standards.**

13 “(3)(a) The *[department]* **State Chief Information Officer** may charge  
14 members of the public a convenience fee or may authorize an electronic  
15 government portal provider to charge a convenience fee for an electronic  
16 government service if the advisory board recommends that the *[department]*  
17 **State Chief Information Officer** charge or authorize a convenience fee for  
18 the electronic government service. The convenience fee must reflect the costs  
19 incurred in hosting, operating, maintaining or implementing the electronic  
20 government portal.

21 “(b) The *[department]* **State Chief Information Officer** shall cooperate  
22 with the advisory board to identify the electronic government portals or  
23 governmental services to which the convenience fee applies.

24 “(4) The *[department]* **State Chief Information Officer** may adopt rules  
25 to implement the provisions of this section.

26 “(5) Not later than the beginning of each odd-numbered year regular leg-  
27 islative session, the *[department]* **State Chief Information Officer** shall  
28 prepare and submit to the Legislative Assembly a report in the manner pro-  
29 vided in ORS 192.245 that summarizes the *[department’s]* **State Chief In-**  
30 **formation Officer’s** activities under the provisions of this section.

12 “283.120. Subject to rules [*prescribed by*] **that** the Oregon Department of  
13 Administrative Services **prescribes, or that the State Chief Information**  
14 **Officer prescribes for information technology and**  
15 **telecommunications,** any state agency may establish a service unit within  
16 the agency to furnish to other units of [*such*] **the** agency the services, facil-  
17 ities and materials that the **agency establishes the** service unit [*is estab-*  
18 *lished*] to provide. The **state agency shall charge the service unit’s**  
19 expenses [*of the service unit shall be charged*] to the units served and, except  
20 as provided in ORS 283.076 (3), the amounts [*so charged*] **the state agency**  
21 **charges must** [*shall*] be credited to the miscellaneous receipts account es-  
22 tablished pursuant to ORS 279A.290. **The moneys in the account** [*and*  
23 *hereby*] are appropriated continuously for expenditure by the state agency  
24 subject to the allotment system provided by ORS 291.234 to 291.260.

25 **“SECTION 26.** ORS 283.140 is amended to read:

26 “283.140. [*(1) The Oregon Department of Administrative Services shall ex-*  
27 *ercise budgetary management, supervision and control over all telephone and*  
28 *telecommunications service for all state agencies. The department may operate*  
29 *central mail, shuttle bus or messenger services for agencies located in Salem,*  
30 *Portland or other cities, where it would be economical so to do. The cost of*

1 *maintaining and operating any central telephone exchange, switching system,*  
2 *network service and facility, intercity or intracity network trunk or line or*  
3 *switchboard, or the cost of mail, shuttle bus and messenger services, shall be*  
4 *charged to the various agencies served and paid to the department in the same*  
5 *manner as other claims against the agencies are paid.]*

6       “(1) **The State Chief Information Officer shall exercise budgetary**  
7 **management, supervision and control over all telephone and telecom-**  
8 **munications service for all state agencies in a manner that is con-**  
9 **sistent with plans, standards, policies, goals, directives and rules that**  
10 **the State Chief Information Officer sets, specifies or adopts. The**  
11 **Oregon Department of Administrative Services may operate central**  
12 **mail, shuttle bus or messenger services for state agencies located in**  
13 **Salem, Portland or other cities, if doing so is economical. The State**  
14 **Chief Information Officer may charge the cost of maintaining and**  
15 **operating any central telephone exchange, switching system, network**  
16 **service and facility, intercity or intracity network trunk or line or**  
17 **switchboard to the state agencies that the State Chief Information**  
18 **Officer serves. The department shall charge the cost of providing mail,**  
19 **shuttle bus and messenger services to the state agencies that the de-**  
20 **partment serves. The state agencies shall pay the costs to the State**  
21 **Chief Information Officer or the department, as appropriate, in the**  
22 **same manner in which the state agencies pay other claims. The State**  
23 **Chief Information Officer shall deposit all moneys that the State Chief**  
24 **Information Officer receives from state agencies for services under**  
25 **this section into the State Information Technology Operating Fund.**

26       “(2) If the department operates central mail service, *[it]* **the department**  
27 **shall:**

28       “(a) Approve or disapprove all state agency mail equipment or mail ser-  
29 vice acquisitions.

30       “(b) Report biennially to the Director of the Oregon Department of Ad-

1 ministrative Services on opportunities for savings through state agency mail  
2 room centralization, consolidation and automation and through mail route  
3 coordination.

4 “[3] (c) *[The department shall]* Adopt rules *[pursuant to]* **under** which  
5 persons associated with government either temporarily or otherwise, includ-  
6 ing but not limited to unsalaried volunteers, part-time employees, contractors  
7 with the state and employees of contractors, political subdivisions and the  
8 federal government may use shuttle bus services.

9 “[4] (3) *[For the purposes of]* **As used in** this section, ‘telecommuni-  
10 cations’ means media that communicate voice, data, text, images or video  
11 over a distance using electrical, electronic or light wave transmission media.

29 *and the Oregon Health and Science University to the Oregon Department of*  
30 *Administrative Services in lieu of the surcharge provided for in this section.]*

1       “(1) To encourage utilization of statewide integrated  
2 videoconferencing and statewide online access services, the State Chief  
3 Information Officer may, in addition to any other charge or assess-  
4 ment for providing telecommunications services to state agencies,  
5 impose upon each state agency and public corporation a surcharge, in  
6 an amount the State Chief Information Officer establishes. The State  
7 Chief Information Officer shall deposit all surcharge moneys into the  
8 State Information Technology Operating Fund. The State Chief Infor-  
9 mation Officer may expend moneys in the fund for state agency and  
10 public corporation telecommunication and videoconferencing activ-  
11 ities, under such terms and conditions as the State Chief Information  
12 Officer may prescribe and in a manner that is consistent with plans,  
13 standards, policies, goals, directives and rules that the State Chief  
14 Information Officer sets, specifies or adopts.

15       “(2) Notwithstanding subsection (1) of this section, the State Chief  
16 Information Officer may not impose the surcharge established by this  
17 section on the Oregon University System or the Oregon Health and  
18 Science University. The State Chief Information Officer shall enter  
19 into an agreement with the Oregon University System and the Oregon  
20 Health and Science University on the amounts that the Oregon Uni-  
21 versity System and the Oregon Health and Science University must  
22 pay to the State Chief Information Officer in lieu of the surcharge  
23 provided for in this section.

24       “**SECTION 28.** ORS 283.505 is amended to read:

25       “283.505. *[(1) The Oregon Department of Administrative Services shall co-*  
26 *ordinate the consolidation and operation of all telecommunications systems*  
27 *used by the state and state agencies. Notwithstanding any other provision of*  
28 *law, no agent or agency of the state shall construct, purchase or otherwise gain*  
29 *access to a telecommunications system without the prior approval of the de-*  
30 *partment.]*

1       “(1) **The State Chief Information Officer shall coordinate, in a**  
2 **manner that is consistent with plans, standards, policies, goals, di-**  
3 **rectives and rules that the State Chief Information Officer sets, spec-**  
4 **ifies or adopts, the consolidation and operation of all**  
5 **telecommunications systems, including emergency telecommuni-**  
6 **cations systems, that the state and state agencies use. Notwith-**  
7 **standing any other provision of law, an agent or agency of the state**  
8 **may not construct, purchase or otherwise gain access to a telecom-**  
9 **munications system without the prior approval of the State Chief In-**  
10 **formation Officer.**

11       “(2) *[The department shall coordinate the consolidation and operation of*  
12 *emergency telecommunications systems used by the state and state agencies.*  
13 *The provisions of this section shall not be construed to require consolidation*  
14 *of]* **The provisions of this section do not require emergency service**  
15 **providers, as defined by the State Chief Information Officer, to con-**  
16 **solidate** telecommunications systems *[used by]* **that** emergency service pro-  
17 **viders use** *[, as defined by the department,]* into nonemergency networks.

18       “**SECTION 29.** ORS 283.510 is amended to read:

19       “283.510. (1) As used in this section:

20       “(a) ‘Advanced digital communications’ means equipment, facilities and  
21 capability to distribute digital communications signals for *[the transmission*  
22 *of]* **transmitting** voice, data, image and video over distance.

23       “(b) ‘Telecommunications provider’ means any person **that is** capable of  
24 providing advanced digital communications including, but not limited to, a  
25 telecommunications utility as defined in ORS 759.005, a competitive tele-  
26 communications provider as defined in ORS 759.005, a cable television pro-  
27 vider or an interstate telecommunications provider.

28       “*[(2) Notwithstanding ORS chapters 279A, 279B and 279C, the Oregon*  
29 *Department of Administrative Services by contract shall acquire advanced*  
30 *digital communications services from telecommunications providers or a con-*

1 *sortium of such providers. Contracts under this section shall provide that all*  
2 *responsibility for construction, installation, operation and maintenance of the*  
3 *network shall remain with the contracting provider.]*

4 *“(3) Upon installation of an advanced digital communications network, the*  
5 *Oregon Department of Administrative Services shall provide all telecommuni-*  
6 *cations services and operations for the state and its agencies. The department*  
7 *shall not approve the procurement of any telecommunications system or equip-*  
8 *ment that is incompatible with the network.]*

9 **“(2) Notwithstanding ORS chapters 279A, 279B and 279C, the State**  
10 **Chief Information Officer may provide advanced digital communi-**  
11 **cations services directly, may enter into an interagency or intergov-**  
12 **ernmental agreement under ORS chapter 190 to have another state**  
13 **agency or governmental agency provide advanced digital communi-**  
14 **cations services or may acquire advanced digital communications ser-**  
15 **vices by entering into contracts with telecommunications providers**  
16 **or a consortium of telecommunications providers in a manner that is**  
17 **consistent with the State Chief Information Officer’s rules, policies**  
18 **and standards.**

19 **“(3) After a telecommunications provider or a consortium of tele-**  
20 **communications providers has installed an advanced digital commu-**  
21 **nications network, the State Chief Information Officer shall provide**  
22 **all telecommunications services and operations for the state and state**  
23 **agencies directly, or shall enter into interagency or intergovernmental**  
24 **agreements under ORS chapter 190 to have another state agency or**  
25 **another governmental agency provide the telecommunications services**  
26 **and operations in a manner that is consistent with the State Chief**

30 **network or that is inconsistent with the State Chief Information**

1 **Officer's rules, policies and standards.**

2 **"SECTION 30.** ORS 283.515 is amended to read:

3 "283.515. The [*Oregon Department of Administrative Services*] **State Chief**  
4 **Information Officer** annually shall review **each state agency's budget**, in  
5 conjunction with [*each*] **the** state agency, [*the budget of that agency*] to  
6 identify [*agency funds to be used for*] **funds that the state agency uses for**  
7 travel and transportation that [*may be used*] **the state agency could in-**  
8 **stead use** for telecommunications. If the [*department*] **State Chief Infor-**  
9 **mation Officer** determines that a **state agency could use a** portion of the  
10 **state agency's** [*agency*] travel and transportation funds [*can be used*] more  
11 effectively [*through use of*] **by instead using** telecommunications, without  
12 diminishing the affected agency's existing internal and external communi-  
13 cations, the [*department*] **State Chief Information Officer** shall [*make rec-*

15 291.326 [*for such action as the department*] **action that the State Chief In-**  
16 **formation Officer** determines **is** necessary to dedicate the identified **state**  
17 agency travel and transportation funds for use in telecommunications. The  
18 [*department*] **State Chief Information Officer** shall make [*its*] **the** recom-  
19 mendations to the Emergency Board not later than January 1.

20 **"SECTION 31.** ORS 283.520 is amended to read:

21 "283.520. (1) For the purposes of ORS 283.500 to 283.520, the [*Oregon De-*  
22 *partment of Administrative Services may*] **State Chief Information Officer**  
23 **may, in a manner that is consistent with the State Chief Information**  
24 **Officer's rules, policies and standards**, enter into a contract or contracts  
25 with telecommunications service providers and equipment manufacturers for  
26 [*the purchase, use or operation of*] **purchasing, using or operating** tele-  
27 communications equipment and services for a period not to exceed 10 years.

28 "(2) For purposes of ORS 291.038, the [*Oregon Department of Administra-*  
29 *tive Services*] **State Chief Information Officer** may extend the benefits of  
30 telecommunications contracts for networks, equipment and services to

1 nonprofit organizations that *[have been designated]* **the State Chief Infor-**  
2 **mation Officer designates** as communities of interest **under ORS 291.038.**

3 **“SECTION 32.** ORS 283.524 is amended to read:

12 **“SECTION 39.** ORS 291.032 is amended to read:

13 “291.032. The Oregon Department of Administrative Services, **or the**  
14 **State Chief Information Officer for purposes related to information**  
15 **and telecommunications technology,** may provide technical services to  
16 state agencies for management improvement development and the develop-  
17 ment of economies in the organization and administration of state agencies.  
18 The technical services may include consulting studies in work simplification,  
19 work measurement, equipment utilization and other management improve-  
20 ment concepts. The **department or the State Chief Information Officer**  
21 **shall determine and charge the** cost of the technical services, or portions  
22 *[thereof, as determined by the department, shall be charged]* **of the technical**  
23 **services,** to the **state** agency served *[and paid]*. **The state agency shall**  
24 **pay the cost** to the department **or the State Chief Information Officer,**  
25 **as appropriate,** in the same manner *[as]* **that the state agency pays** other  
26 claims against the **state** agency *[are paid]*. **The State Chief Information**  
27 **Officer shall deposit all moneys that the State Chief Information Of-**

12 **mation Officer’s rules, policies and standards. The technical services**  
13 **may include consulting and programming services and assistance in**  
14 **locating electronic data processing installations. The State Chief In-**  
15 **formation Officer shall determine and charge the cost of the technical**  
16 **services, or portions of the technical services, to the state agency that**  
17 **the State Chief Information Officer serves. The state agency shall pay**  
18 **the cost to the State Chief Information Officer in the same manner**  
19 **that the state agency pays other claims against the state agency. The**  
20 **State Chief Information Officer shall deposit all moneys that the State**  
21 **Chief Information Officer receives from state agencies for services**  
22 **under this section into the State Information Technology Operating**  
23 **Fund.**

24       “**SECTION 41.** ORS 291.038, as amended by section 4, chapter 102, Oregon  
25 Laws 2014, is amended to read:

26       “291.038. (1) The State Chief Information Officer shall oversee [*policy*  
27 *for]* and coordinate **the** planning, **budgeting**, architecture and standardi-  
28 zation, **consolidation, acquisition and oversight** of all information and  
29 telecommunications technology by state government and agencies of state  
30 government so that statewide and individual state agencies’ plans and ac-

1 tivities are addressed in the most integrated, economic and efficient manner,  
2 in a manner that minimizes duplication, fragmentation, redundancy and cost  
3 in state [agency] **government** operations and in a manner that most effec-  
4 tively meets state **government and state** agency program needs.

5 “(2) To facilitate accomplishment of the purpose set forth in subsection  
6 (1) of this section, the State Chief Information Officer shall:

7 “(a) Adopt rules, policies and standards to plan for, develop architecture  
8 for and standardize the state’s information resources and technologies. In  
9 developing rules, policies and standards, the State Chief Information Officer  
10 shall consult with state agencies that have needs that information resources  
11 may satisfy. State agencies shall cooperate with the State Chief Information  
12 Officer in preparing and complying with rules, policies and standards **that**  
13 **the State Chief Information Officer adopts.**

14 “(b) Formulate rules, policies and standards to promote electronic com-  
15 munication and information sharing among state agencies and programs,  
16 between state and local governments and with the public where appropriate.

17 “[*(c) Seek to minimize duplicative or redundant advisory boards by recom-*  
18 *mending streamlined governance structures for information technology projects*  
19 *that involve more than one state agency, board or commission.*]

20 “**(c) Adopt and maintain an information technology governance**  
21 **program for the executive branch.**

22 “[*(3)*] **(d)** [*The State Chief Information Officer shall*] Formulate rules,  
23 policies, plans, standards and specifications to ensure that information re-  
24 sources and technologies fit together in a statewide system capable of pro-  
25 viding ready access to information, [*computing*] **information technology** or  
26 telecommunication resources. Plans and specifications that the State Chief  
27 Information Officer adopts must be based on industry standards for open  
28 systems to the greatest extent possible.

29 “**(3)** Before adopting rules described in subsection (2) of this section, the  
30 State Chief Information Officer shall present the proposed rules to the Joint

1 Legislative Committee on Information Management and Technology.

2 “(4) The State Chief Information Officer has the responsibility to review,  
3 oversee and ensure that state agencies’ rules and planning, acquisition and  
4 implementation activities **related to information technology and tele-**  
5 **communications** align with and support the [*statewide information resources*  
6 *management plan*] **Enterprise Information Resources Management**  
7 **Strategy. State agencies shall cooperate with the State Chief Infor-**  
8 **mation Officer to ensure that the state agencies’ rules and planning,**  
9 **acquisition and implementation activities align with and support the**  
10 **Enterprise Information Resources Management Strategy. If the**  
11 **Oregon Department of Administrative Services procures information**  
12 **technology or the Director of the Oregon Department of Administra-**  
13 **tive Services delegates authority under ORS 279A.075 to procure in-**  
14 **formation technology, the [*Oregon Department of Administrative Services***  
15 *is responsible for procuring*] **department and a state contracting agency,**  
16 **as defined in ORS 279A.010, shall procure** information technology fairly,  
17 competitively and in a manner that is consistent with the State Chief Infor-  
18 mation Officer’s rules, **policies and standards.**

19 “[~~(4)(a)~~] (5)(a) The policy of the State of Oregon is that state government  
20 telecommunications networks should be designed to provide state-of-the-art  
21 services where economically and technically feasible, using shared, rather  
22 than dedicated, lines and facilities.

23 “(b) The [*department*] **State Chief Information Officer** shall, when pro-  
24 curing telecommunications network services, consider [*achieving the eco-*  
25 *nomic development and quality of life outcomes set forth in the Oregon*  
26 *benchmarks*] **the goals and objectives outlined within the Enterprise**  
27 **Information Resources Management Strategy and the policy, acquisi-**  
28 **tion, coordination and consolidation objectives for information tech-**  
29 **nology that are specified in ORS 283.500 to 283.520 and 283.524.**

30 “[~~(5)(a)~~] (6)(a) The [*department*] **State Chief Information Officer**, upon

1 request, may furnish and deliver statewide integrated videoconferencing and  
2 statewide online access service to a public or private entity that primarily  
3 conducts activities for the direct good or benefit of the public or community  
4 at large in providing educational, economic development, health care, human  
5 services, public safety, library or other public services. The [*department*]  
6 **State Chief Information Officer** shall adopt rules with respect to [*fur-*  
7 *nishing*] **the State Chief Information Officer’s furnishing of** the service.

8 “(b) The [*department*] **State Chief Information Officer** shall establish  
9 statewide integrated videoconferencing and statewide online access user fees,  
10 services, delivery, rates and long range plans. The rates must reflect the  
11 [*department’s*] **State Chief Information Officer’s** cost in providing the  
12 service.

13 “(c) The [*department*] **State Chief Information Officer** by rule shall re-  
14 strict the [*department’s furnishing or delivery of*] Internet access service **that**  
15 **the State Chief Information Officer furnishes or delivers** to private en-  
16 tities if the service would directly compete with two or more local estab-  
17 lished providers of Internet access services within the local exchange  
18 telecommunications service area.

19 “(d) The rates and services established and provided under this section  
20 are not subject to the Public Utility Commission’s regulation or authority.

21 “[~~(6)~~] (7) An organization or organizations recognized as tax exempt under  
22 section 501(c)(3) of the Internal Revenue Code that primarily conduct activ-  
23 ities for the direct good or benefit of the public or community at large in  
24 providing educational, economic development, health care, human services,  
25 public safety, library or other public services and **that** have formed an af-  
26 filiation with one or more federal, state or local governmental units within  
27 this state may apply to the [*department*] **State Chief Information Officer**  
28 for designation as a community of interest. The application must be in the  
29 form that the [*department*] **State Chief Information Officer** prescribes and  
30 contain information [*regarding*] **about** the governmental affiliation relation-

1 ship, the tax exempt status of each organization and the public benefit ser-  
2 vices the organization provides or intends to provide. The *[department]* **State**  
3 **Chief Information Officer** shall establish an application review and appeal  
4 process to ensure that designating the organizations as a community of in-  
5 terest for the purposes of including the organization in telecommunications  
6 contracts under ORS 283.520 will result in providing educational, medical,  
7 library or other services for public benefit.

8 “[~~(7)~~] **(8)** This section does not apply to the State Board of Higher Edu-  
9 cation, *[or]* any public university listed in ORS 352.002 **or a public univer-**  
10 **sity with a governing board that is listed in ORS 352.054.**

11 “[~~(8)~~] **(9)** As used in this section **and ORS 291.039:**
