24 governing board on whose behalf the bonds were issued before the ef-

26 “SECTION 8. ORS 286A.035 is amended to read:

27 “286A.035. (1) Each related agency shall report the plans of the related
28 agency for the issuance of bonds during the next biennium. The related
29 agency shall submit the related agency’s report to the Governor by a date
30 determined by the Governor and shall include in the report a description of

13 the State Treasurer may issue for each bond program for a biennium.

14 “(4) [*Except as otherwise provided in ORS 351.476,*] The Legislative As-

16 for each state agency for a biennium. If the Legislative Assembly fails to
17 make the determination described in this subsection by the first day of the
18 biennium, the unused portion of the authorization the Legislative Assembly
19 made for the preceding biennium is deemed to carry forward for the current
20 biennium at the amount authorized for the preceding biennium until the
21 earlier of:

22 “(a) The date on which legislation authorizing the amount of bonds for
23 the current biennium is enacted; or

24 “(b) The date on which the Legislative Assembly adjourns sine die.

25 “(5) [*Except as otherwise provided in ORS 351.476,*] The amount of bonds
26 that may be issued under bond programs may be modified by the Governor.
27 However, the Governor may not modify the amount of bonds that may be
28 issued under bond programs in a way that would cause the maximum amount
29 established by the Legislative Assembly for a category of bond programs to
30 be exceeded if the Legislative Assembly:

1 “(a) Has categorized the bonds that may be issued under bond programs
2 as general obligation, direct revenue and pass-through revenue bonds; and

3 “(b) Assigned a maximum amount to each category.

4 “(6) This section applies to bonds:

25 the state and nation.

26 “(d) A well-trained and skilled citizenry enhances economic development
27 of the state.

29 a formal education, a lifetime pursuit of learning contributes to a well-

7 selves or any citizen is in the social and economic interest of the State of
8 Oregon.

9 “(i) A systematic way to save for post-secondary education can assist all
10 of Oregon’s higher education, community college and career schools to better
11 project enrollments, thereby permitting the prudent allocation of scarce re-
12 sources.

13 “(4) At the request of the Higher Education Coordinating Commission, the

16 to save for post-secondary education opportunities.

20 are not limited to, adjustments in the denominations in which the bonds are
21 issued and the frequency with which the bonds are issued.

22 “(5) The purchase of an Oregon Baccalaureate Bond does not guarantee
23 the purchaser, owner or beneficiary of the bond admittance to a public uni-
24 versity or private post-secondary institution.

25 **“SECTION 10.** ORS 291.445 is amended to read:

26 “291.445. (1) Before July 1 of each fiscal year, the Oregon Department of
27 Administrative Services shall request from the appropriate state agency a
28 certificate as prescribed in this section. The request shall be made by letter
29 to the agency.

30 “(2) Each state agency authorized to issue general obligation bonds that

1 are ordinarily to be repaid from other than General Fund appropriations
2 shall, on or before August 15 of each fiscal year:

3 “(a) Certify to the Director of the Oregon Department of Administrative
4 Services that the amounts available or that will become available during the
5 current year to the bond program debt service fund to pay bond principal
6 and interest that has accrued or will accrue during the current year are
7 sufficient and will be sufficient to pay bond program principal and interest
8 scheduled for payment during the current year; or

9 “(b) Certify to the Director of the Oregon Department of Administrative
10 Services that the amounts available or that will become available during the
11 current year to the bond program debt service fund will not be sufficient to
12 pay bond program principal and interest scheduled for payment during the
13 current year. A certificate issued under this paragraph shall specify the
14 amount of the anticipated current year deficit. The Director of the Oregon
15 Department of Administrative Services shall review and confirm the cor-
16 rectness of each certification made under this paragraph.

17 “(3) On or before August 15 of each fiscal year, the administrative divi-
18 sion of the Oregon Department of Administrative Services that has primary
19 responsibility for accounting for each general obligation bond program in
20 which the bond principal and interest is ordinarily to be repaid from General
21 Fund appropriations shall:

22 “(a) Certify to the Director of the Oregon Department of Administrative
23 Services that the amounts available or that will become available during the
24 current year from General Fund appropriations to defray program bond
25 principal and interest that has accrued or will accrue during the current
26 year are sufficient and will be sufficient to pay program bond principal and
27 interest scheduled for payment during the current year; or

28 “(b) Certify to the Director of the Oregon Department of Administrative
29 Services that the amounts available or that will become available during the
30 current year from General Fund appropriations will not be sufficient to pay

1 program bond principal and interest scheduled for payment during the cur-

3 of the anticipated current year deficit.

4 “(4)(a) If a deficit in funds available to pay principal and interest in any
5 general obligation bond program is certified and confirmed under subsection
6 (2) or certified under subsection (3) of this section, the amount of the deficit,
7 together with any deficit that is certified for any other general obligation
8 bond program shall upon certification constitute a state tax levy on property
9 that shall be apportioned among and charged to the several counties in that
10 proportion which the total assessed value of all the taxable property in each
11 county bears to the total assessed value of all the taxable property of the
12 state as equalized.

13 “(b) If any agency fails to make the certification under subsection (2) or
14 (3) of this section with respect to any general obligation bond fund program,
15 the Oregon Department of Administrative Services shall determine the
16 amount of revenue and other funds that are available and the amount of
17 taxes, if any, that should be levied in addition to the revenues and funds, to
18 pay bond principal and interest under the program for the fiscal year in
19 question. The additional amount so determined shall thereupon constitute a
20 state tax levy on property that shall be apportioned, certified, collected and
21 distributed as if determined and certified as a deficit by the agency. The
22 Oregon Department of Administrative Services shall charge the agency for
23 cost recovery for time spent on that agency’s behalf.

24 “(5) Immediately after the department has determined the amount of a
25 state tax levy on property in accordance with subsection (4) of this section,
26 a certificate of levy, signed by the director of the department, shall be filed
27 in the office of the department. If no state levy is required for the fiscal or
28 tax year, a certificate so stating and signed by the director shall be filed in
29 the office of the department.

30 “(6) If, for any reason, after the close of any regular session of the Leg-

1 islative Assembly, it becomes necessary to reduce General Fund appropri-
2 ations, General Fund appropriations for a debt service fund of a general
3 obligation bond program described under subsection (3) of this section may
4 not be reduced.

5 “(7) For purposes of this section:

6 “(a) State agencies that are authorized to issue general obligation bonds

4 **“SECTION 62.** ORS 238.215 is amended to read:

5 “238.215. Notwithstanding any other provision of this chapter:

6 “(1) An employee, as defined in ORS 243.910 (2), who is an active member
7 of the system and who has elected, and not canceled that election, to be as-
8 sisted under ORS 243.920 (1) by the [*State Board of Higher Education or*]
9 governing board of a public university [*with a governing board*] listed in ORS
10 [*352.054*] **352.002**, may not contribute to the fund on any part of the annual
11 salary of the employee in excess of \$4,800 at any time during which the
12 **governing** board assists the employee under ORS 243.920 (1).

13 “(2) The current service pension, whether for service or disability retire-

26 to so assist the employee, a pension computed as provided in ORS 238.300 (2),
27 but if the employee retires before reaching the normal retirement age,
28 actuarially reduced and computed on the then attained age. For the purpose
29 of computing the pension under this subparagraph, only the number of years
30 of membership of the employee after the day before that date and only the

1 salary of the employee on which the employee contributes to the fund for
2 those years shall be considered.

3 “(3) Subsection (2) of this section does not apply to an employee, as de-
4 fined in ORS 243.910 (2), who is an active member of the system, who elected
5 to be assisted by the State Board of Higher Education or governing board
6 under ORS 243.920 (1) before January 1, 1968, who canceled that election
7 within the first 60 days of the calendar year 1968 as provided in ORS 243.940
8 (5) and who does not thereafter elect to be assisted by the board under ORS
9 243.920 (1).

10 “(4) Subsection (2) of this section does not apply to an employee, as de-

20 employee was assisted by the board under ORS 243.920 (1), a year of mem-
21 bership as used in ORS 238.300 (2) shall be a portion of a year which is re-

6 executive branch of government.

7 “(5) This section does not apply to personnel who administer unemploy-
8 ment insurance benefits programs of the Employment Department, to per-
9 sonnel who administer programs required to be implemented as a condition
10 for the continued certification of the Employment Division Law by the
11 United States Secretary of Labor or to personnel who administer programs

4 teaching assistant, graduate research assistant or a fellow at the institution
5 and elects to participate; or

6 “(2) Notwithstanding ORS 243.105 (4)(b)(B) or (C), the person is employed
7 on a less than half-time basis in an unclassified instructional or research

14 ployment Relations Board or voluntarily recognized by the public employer
15 to be appropriate for collective bargaining. However, an appropriate bar-

18 include but are not limited to teachers, nurses, counselors, therapists, psy-

3 agreements that have been reached on behalf of the public employer and the
4 employees in the bargaining unit covered by such negotiations. The obli-
5 gation to meet and negotiate does not compel either party to agree to a
6 proposal or require the making of a concession. This subsection may not be
7 construed to prohibit a public employer and a certified or recognized repre-

26 on management’s prerogative than on employee wages, hours, or other terms
27 and conditions of employment.

28 “(d) ‘Employment relations’ does not include subjects that have an in-

3 for evaluation of teachers, the school curriculum, reasonable dress, grooming
4 and at-work personal conduct requirements respecting smoking, gum chewing
5 and similar matters of personal conduct, the standards and procedures for
6 student discipline, the time between student classes, the selection, agendas
7 and decisions of 21st Century Schools Councils established under ORS
8 329.704, requirements for expressing milk under ORS 653.077, and any other

23 at-work personal conduct requirements respecting smoking, gum chewing,

9 of a petition by 30 percent or more of the employees in an appropriate bar-
10 gaining unit covered by such union security agreement declaring they desire
11 that the agreement be rescinded, the board shall take a secret ballot of the
12 employees in the unit and certify the results thereof to the recognized or
13 certified bargaining representative and to the public employer. Unless a
14 majority of the votes cast in an election favor the union security agreement,
15 the board shall certify deauthorization of the agreement. A petition for de-
16 authorization of a union security agreement must be filed not more than 90
17 calendar days after the collective bargaining agreement is executed. Only
18 one such election may be conducted in any appropriate bargaining unit dur-

7 levy taxes.

8 “(16) ‘Managerial employee’ means an employee of the State of Oregon
9 or [*the Oregon University System*] **a public university listed in ORS 352.002**
10 who possesses authority to formulate and carry out management decisions
11 or who represents management’s interest by taking or effectively recom-
12 mending discretionary actions that control or implement employer policy,
13 and who has discretion in the performance of these management responsi-
14 bilities beyond the routine discharge of duties. A ‘managerial employee’ need

26 any, or must be an amount agreed upon by the public employer and the ex-
27 clusive representative of the employees.

28 “(19) ‘Public employee’ means an employee of a public employer but does
29 not include elected officials, persons appointed to serve on boards or com-

25 action, if in connection therewith, the exercise of the authority is not of a
26 merely routine or clerical nature but requires the use of independent judg-

14 or ORS 243.910 to 243.945, [*the State Board of Higher Education and*] the
15 governing board of a public university [*with a governing board*] listed in ORS
16 [352.054] **352.002** shall establish and administer an Optional Retirement Plan
17 for administrative and academic employees of the [*Oregon University System*
18 *or*] public university. The Optional Retirement Plan must be a qualified plan
19 under the Internal Revenue Code, capable of accepting funds transferred
20 under subsection (7) of this section without the transfer being treated as a
21 taxable event under the Internal Revenue Code, and willing to accept those
22 funds. Retirement and death benefits shall be provided under the plan by the
23 purchase of annuity contracts, fixed or variable or a combination thereof,
24 or by contracts for investments in mutual funds.

25 “(2) An administrative or academic employee may elect to participate in
26 the Optional Retirement Plan upon completion of:

27 “(a) Six hundred hours of employment, or the equivalent as determined

13 elect to participate in the Optional Retirement Plan are ineligible for active
14 membership in the Public Employees Retirement System or for any assistance
15 by the [*State Board of Higher Education or*] governing board under ORS
16 243.920 as long as those employees are employed in the [*Oregon University*
17 *System or*] public university and the plan is in effect.

18 “(6)(a) An administrative or academic employee who elects to participate

29 238 as defined by ORS 238.005 and who is vested shall be considered to be
30 an inactive member by the Public Employees Retirement Board and shall

1 retain all the rights, privileges and options under ORS chapter 238 unless the
2 employee makes a written request to the Public Employees Retirement Board
3 for a transfer of the amounts credited to the member account of the member
4 to the Optional Retirement Plan. A request for a transfer must be made at
5 the time the member elects to participate in the Optional Retirement Plan.
6 Upon receiving the request, the Public Employees Retirement Board shall
7 transfer all amounts credited to the member account of the member directly
8 to the Optional Retirement Plan, and shall terminate all rights, privileges
9 and options of the employee under ORS chapter 238.

10 “(c) An administrative or academic employee who elects to participate in
11 the Optional Retirement Plan, and who is not a vested member of the pension
12 program of the Oregon Public Service Retirement Plan as described in ORS
13 238A.115 on the date that the election becomes effective, shall be considered
14 to be a terminated member of the pension program by the Public Employees
15 Retirement Board as of the effective date of the election.

16 “(d) An administrative or academic employee who elects to participate in

2 gram directly to the Optional Retirement Plan, and shall terminate the
3 membership of the employee in the pension program.

4 “(e) An administrative or academic employee who elects to participate in
5 the Optional Retirement Plan, and who is a vested member of the individual
6 account program of the Oregon Public Service Retirement Plan as described
7 in ORS 238A.320 on the date that the election becomes effective, shall be
8 considered an inactive member of the individual account program by the
9 Public Employees Retirement Board as of the effective date of the election.
10 An employee who is subject to the provisions of this paragraph retains all
11 the rights, privileges and options of an inactive member of the individual
12 account program. An administrative or academic employee who elects to
13 participate in the Optional Retirement Plan, and who is a member of the
14 individual account program of the Oregon Public Service Retirement Plan,
15 may make a written request to the Public Employees Retirement Board that

20 Retirement Plan. Upon receiving the request, the Public Employees Retire-
21 ment Board shall transfer the amounts directly to the Optional Retirement
22 Plan, and shall terminate the membership of the employee in the individual
23 account program upon making the transfer.

25 Public Employees Retirement Board may not treat any employee as an inac-

27 ceiving any benefit under ORS chapter 238 or 238A that requires that the
28 employee be separated from all service with participating public employers
29 and with employers who are treated as part of a participating public
30 employer's controlled group under the federal laws and rules governing the

1 status of the **Public Employees Retirement** System and the Public Em-

3 trust.

4 “(7) Any amounts transferred from the Public Employees Retirement Fund
5 under subsection (6) of this section shall be transferred directly to the Op-
6 tional Retirement Plan by the Public Employees Retirement Board and may
7 not be made available to the employee.

8 “(8) An employee participating in the Optional Retirement Plan who was
9 hired before July 1, 2014, shall contribute monthly an amount equal to the
10 percentage of the employee’s salary that the employee would otherwise have
11 contributed as an employee contribution to the Public Employees Retirement
12 System if the employee had not elected to participate in the Optional Re-
13 tirement Plan.

14 “(9) For an employee participating in the Optional Retirement Plan who
15 was hired before July 1, 2014, the [*State Board of Higher Education or*] gov-
16 erning board shall contribute monthly to the Optional Retirement Plan the
17 percentage of salary of the employee equal to the percentage of salary that
18 would otherwise have been contributed as an employer contribution on be-
