

**PROPOSED AMENDMENTS TO
A-ENGROSSED HOUSE BILL 2941**

1 On page 2 of the printed A-engrossed bill, after line 39, insert:

2 **“SECTION 3. (1) The Public Utility Commission shall hold a pro-**
3 **ceeding that includes opportunity for public comment, in a manner**
4 **determined by the commission, for the purpose of examining a range**
5 **of community solar programs and the attributes of different commu-**
6 **nity solar program designs that allow individual customers to share**
7 **in the costs and benefits of solar facilities. For purposes of this sub-**
8 **section, attributes of different community solar program designs in-**
9 **clude ownership structure, eligibility criteria, length and terms of**
10 **contracts, subscription pricing and how bill credits are calculated.**

11 **“(2) As part of the proceeding held under subsection (1) of this**
12 **section, the commission shall consider:**

13 **“(a) Individual ratepayer access to a specific solar resource;**

14 **“(b) Costs to community solar program subscribers and non-**
15 **subscribers;**

16 **“(c) The role of utilities; and**

17 **“(d) Any other reasonable consideration related to community solar**
18 **program designs.**

19 **“(3) The commission shall recommend a particular community solar**
20 **program design, or a set or preferred attributes of different commu-**
21 **nity solar program designs, that best balances the resource value**
22 **benefits, costs and risks to ratepayers to the interim committees of**

1 **the Legislative Assembly related to energy and business on or before**
2 **November 1, 2015.”.**

3 In line 40, delete “3” and insert “4”.
