

**PROPOSED AMENDMENTS TO  
A-ENGROSSED HOUSE BILL 2941**

1 On page 2 of the printed A-engrossed bill, line 33, delete “and”.

2 After line 33, insert:

3 “(e) The costs and benefits of each program that incentivizes the devel-  
4 opment and use of solar photovoltaic energy systems; and”.

5 In line 34, delete “(e)” and insert “(f)”.

6 After line 39, insert:

7 **“SECTION 3. (1) The Public Utility Commission shall hold a pro-  
8 ceeding that includes opportunity for public comment, in a manner  
9 determined by the commission, for the purpose of examining a range  
10 of community solar programs and the attributes of different commu-  
11 nity solar program designs that allow individual customers to share  
12 in the costs and benefits of solar facilities. For purposes of this sub-  
13 section, attributes of different community solar program designs in-  
14 clude ownership structure, eligibility criteria, length and terms of  
15 contracts, subscription pricing and how bill credits are calculated.**

16 **“(2) As part of the proceeding held under subsection (1) of this  
17 section, the commission shall consider:**

18 **“(a) Individual ratepayer access to a specific solar resource;**

19 **“(b) Costs to community solar program subscribers and non-  
20 subscribers;**

21 **“(c) The role of utilities; and**

22 **“(d) Any other reasonable consideration related to community solar**

1 **program designs.**

2 **“(3) The commission shall recommend a community solar program**  
3 **design, or a set of preferred attributes of different community solar**  
4 **program designs, that best balances the resource value benefits, costs**  
5 **and impacts to ratepayers to the interim committees of the Legislative**  
6 **Assembly related to energy and business on or before November 1,**  
7 **2015.”.**

8 In line 40, delete “3” and insert “4”.
