

Chair Gelser and members of the committee:

I am Rachel Pinkston of [organization-193] from Bend. I am writing to ask you to support allowing cities to use inclusionary zoning as a local housing solution.

Inclusionary zoning can help increase housing opportunity by providing cities with an important tool to create more affordable units and diverse communities.

We must act now to increase the number of affordable units, and inclusionary zoning is an important local solution that Oregon should allow. I hope that you will support these measures, and I thank you for your service.

Sincerely,  
Rachel Pinkston
