Subject: Public hearing SB1530

Please do not shut us miners down and constantly change the rules on us miners.

Please table this SB1530 There is no rush. Us miners know you in Salem are kissing the Ceira clubs ass to get money from them. Why not be fare and take in to consideration every ones needs?

Please table this bill that would change mining fore ever and have more public input.

Thanks and I hope you can be fare and impartial.
