City of Sandy SAM & STAR Services

February 2016

Sandy Transit

Sandy Transit, most widely recognized by our fixed/commuter route **SAM**, has three fixed/commuter routes. **SAM Gresham** provides a fixed route within the City and a commuter route from Sandy to the Gresham Transit Center. **SAM Estacada** provides a route from Sandy to Eagle Creek and Estacada. **SAM** is the vital link between the greater Metro region and the Mount Hood Express service to Timberline Lodge. Sandy Transit also operates a dial-a-ride service that is available to everyone who lives in the City.

SAM Fixed Routes :

This service is designed for all to ride. Adult fares are \$1.00 per boarding; passes are available. Seniors and those with a disability are provided a free in-town return trip. Children under 6 ride free.

Fiscal Year 2015 these fixed routes carried 118,510 passengers.

STAR: Dial-A-Ride :

This service is primarily aimed at seniors and those with disabilities but is available to anyone in the city of Sandy. The fare is the same as the fixed route.

Fiscal Year 2015 this service provided 17,761 rides. Sixty-five percent of those rides were provided to elderly and/or disabled individuals.
