*Dear Representative,*

*The Oregon background check system is faulty. Every year thousands of people's rights are infringed as a result of the inability of the OSP ID unit to accurately complete the mandated "check."*

*It makes no sense to further punish those people by removing the one small safeguard the law allows for people who are the victims of a broken system.*

Instead, I propose you properly fund and staff the OSP to accurately enforce the existing laws and arrest the prohibited persons attempting to unlawfully get firearms.

I fought for freedoms, not the policies of communist dictatorships.
