Subject: "No" on SB1530

To the Committee Administrator:

SB1530 is a loser for the state, for the BLM, for the taxpayer. It will end up costing more than it will contribute. It denies due process to alleged violators, among some very onerous regulatory aspects.

It doesn't lift the moratorium, but sucks more into it. SB1530 oversteps Oregon's authority, is burdensome on constituents and the taxpayers at large. For what gain? What gain??? Tourism? No, we lose tourists with this. It is a net loss. Overkill.

Please vote "NO" on SB1530.

Thanks,
Karen Darnell
