**Measure Description:**

Removes products of seed from statute prohibiting local governments from inhibiting or preventing production of seed.

**Government Unit(s) Affected:**

Cities, Counties, Department of Agriculture

**Summary of Expenditure Impact:**

See Analysis below.

**Local Government Mandate:**

This bill does not affect local governments' service levels or shared revenues sufficient to trigger Section 15, Article XI of the Oregon Constitution.

**Analysis:**

This bill would remove “products of seeds” from the statute preempting local governments from prohibiting or regulating seed or seed products. The fiscal impact is indeterminate because it is possible that counties could incur some costs from litigation and other expenses relating to the change, but there is no way to calculate the amount of such costs.
