

Plumbing and Mechanical  
Contractors Association

UA Plumbers and  
Steamfitters Local #290

February 9, 2016

Chair Rosenbaum and Members of the Senate Rules Committee:

**We are contacting you to convey our enthusiastic support of Craig Anderson's appointment to the Oregon State Plumbing Board and Senate confirmation.**

The Plumbing Mechanical Contractors Association (PMCA) and our partners at UA Local 290 support the appointment of Mr. Anderson to the plumbing business position on the State Plumbing Board. Our organizations represent over 200 licensed construction contractors and over 4,000 construction workers in Oregon. The role of the State Plumbing Board has a direct impact on our work and our industry throughout the state.

Craig will bring a wealth of experience and knowledge to the State Plumbing Board; he has been a journey level plumber for 27 years and established his plumbing business, Craig Anderson Plumbing, in 1994. Craig has worked in all aspects of the plumbing industry, including commercial, new residential, remodeling and service plumbing. He also works as an instructor at UA 290 and teaches continuing education courses for journey level plumbers and his business is a registered training agent for apprentices learning the craft.

Over the years, Craig has demonstrated a commitment to serving our industry and supporting health and safety standards as well as ensuring licensing and education standards are upheld. His depth of knowledge will be a valuable asset to the Oregon State Plumbing Board.

**We encourage confirmation of Mr. Anderson's appointment to the Oregon State Plumbing Board.**

Sincerely,

Kate Newhall
