February 9, 2016

Chair Rosenbaum and Members of the Senate Rules Committee:

We are contacting you to convey our wholehearted support of Zory Hill's appointment to the Mechanical Board.

Mrs. Hill has been nominated by the Governor to fill the Board's public member position and we urge Senate confirmation of this appointment.

The Plumbing Mechanical Contractors Association (PMCA) and our partners at UA Local 290 support the appointment of Mrs. Hill to the Mechanical Board. Our organizations represent over 200 licensed construction contractors and over 4,000 construction workers in Oregon.

Zory Hill is a member of UA Local 290 and has 27 years of experience in the plumbing industry. She also has a deep commitment to public service and a demonstrated drive to serve her community; she served on the Myrtle Creek City Council from 2008-2010 and has been an active volunteer over the years, serving as a foster parent, volunteering for Women in the Trades Fair, the Main Street Myrtle Creek Association and on the Economic development Advisory Committee of Myrtle Creek. Now residing in Washington County, her dedication to service and knowledge of the industry make her an ideal candidate for the public member position on this oversight and regulatory board.

We encourage confirmation of Mrs. Hill's appointment to the Mechanical Board.

Sincerely,
