

Testimony of James White, Executive Director, Nonprofit Association of Oregon
HB4067
February 10, 2016
House Committee on Judiciary

The further amendments to HB4067 have not remedied the Nonprofit Association of Oregon's (NAO) concerns regarding this legislation and so we remain opposed to the passage of HB4067.

NAO believes that HB4067 is redundant with current regulations and best practices, impinges on nonprofit independence, and creates a burden on nonprofits (especially small and rural nonprofits) that is unnecessary.

NAO is a registered 501(c)3 nonprofit organization representing over 1,100 Oregon nonprofit organizations and affiliate members which provide assistance to the nonprofit sector. Our members are located throughout the state and come from all areas which serve our communities, including education, health and human services, the arts, and environmental protection. NAO's mission is to strengthen the collective voice, leadership and capacity of Oregon nonprofits to enrich the lives of all Oregonians. We do this by conducting training, offering executive transition and consulting services, and supporting public policy advocacy. More information about our many programs and services can be found at www.nonprofitoregon.org.
