

Honorable members of the Rules Committee

Salem, OR

Dear Legislators:

I am writing to hope you will pass HJM 201 which calls for supporting the sponsors of this bill.

Corporations are NOT people, & what the Supreme Court has ruled has opened an awful surge of money for election campaigns.

This bill would call for a Convention to overturn "Citizens United" so we know just what the corporations send to each candidate and can't hide behind Super PACS.

Thank you for your consideration. I will be watching what transpires in Salem on this issue.
