

Hello Representatives,

HJM 201 is a critical piece of legislation because it will help remove the influence of big money in politics. The most pressing issues in our country today and the greatest challenges of tomorrow require a government that is responsive to the public and not beholden to big donors. HJM 201 will allow us to create this government.

Please support HJM 201.

We need HJM 201 in order to preserve our country and the well being of our citizens.
Thank you for your time and consideration.
