

Mark Nesser  
Musician/Songwriter/Sound Engineer

HJM201 is very important to me, because the American elections should be free of the corrupting influence of excessive spending by outside interests and fair enough that any citizen can run for public office. Congress should be "dependent on the people alone" and not the donors from the richest 1% of the 1%. If anybody follows the big money trail, it will lead them to the root cause of almost every problem we are facing in our society today!
