RE: Unmanned Aerial Systems investments

As background for our SOAR Oregon testimony on Tuesday, Feb, 16, we wanted to share a list of our investments in the unmanned aerial systems industry ("UAS"). Since 2009, Business Oregon has invested \$7.8 million in grants and loans with UAS companies, industry groups and test ranges. A complete list is enclosed.

Awardee	Biennium	Description	Amount
Northwest ULD Inc.	2009-11	UAS fuel system R&D	\$ 200,000
AUVSI Cascade Chapter	2011-13	UAS trade show support	\$ 20,000
Economic Development for Central Oregon	2011-13	Test range support	\$ 15,000
City of Pendleton	2013-15	UAS test range infrastructure	\$ 1,130,000
Confederated Tribes of the Warm Springs Reservation	2013-15	UAS test range infrastructure	\$ 500,000
Port of Tillamook Bay	2013-15	UAS test range infrastructure	\$ 500,000
SOAR Oregon	2013-15	UAS economic development	\$ 900,000
City of Pendleton	2013-15	UAS test range infrastructure	\$ 545,000
Confederated Tribes of the Warm Springs Reservation	2013-15	UAS test range infrastructure	\$ 500,000
SOAR Oregon	2015-17	UAS economic development	\$ 3,000,000
Port of Tillamook Bay	2015-17	UAS test range infrastructure	\$ 500,000
		Total	\$ 7,810,000
