

MEDFORD PARKS & RECREATION

HEALTHY LIVES. HAPPY PEOPLE. STRONG COMMUNITY.

January 2016

To Whom It May Concern,

The City of Medford Arts Commission enthusiastically supports efforts to restore the Holly Theater and staunchly encourages local residents, businesses and others to join this outstanding cause that will preserve a nationally recognized landmark, bring a variety of performing arts opportunities to the community and revitalize an historic section of the downtown core.

The renovation of and future operations of the Holly Theater dovetail with the Arts Commission's mission of enhancing the quality of life in our community by supporting public art, programs, awareness and education to enable all of Medford's citizens to enjoy and appreciate the arts.

The Commission looks forward to partnering with the Holly Theater, both now and for years to come.

Sincerely,

Michael Crane
Chair, Medford Arts Commission
