## Attorney General's Sexual Assault Task Force

---

Testimony in support of SB 1567  
House Committee on Judiciary  
Submitted by: Jackie Sandmeyer, Campus Coordinator

February 17, 2016

Chair Barker and members of the committee,

My name is Jackie Sandmeyer, Campus Coordinator of the Oregon Attorney General's Sexual Assault Task Force. The Sexual Assault Task Force is a private, non-profit, nongovernmental statewide agency with over 100 multi-disciplinary members who serve as advisors on 1 of 8 subcommittees including: Campus, Criminal Justice, Legislative & Public Policy, Medical-Forensic, Men's Engagement, Offender Management, Prevention Education, and Victim Response.

Our mission is to facilitate and support a collaborative, survivor-centered approach to the prevention of and response to sexual violence. We accomplish our mission by providing multidisciplinary training and technical assistance to sexual assault responders in Oregon and nationally.

**I submit this testimony in support of SB 1567**, an important mechanism to hold offenders who choose to use technology as a form of sexual violence accountable, by criminalizing the impersonation of another person with the intent to harm, humiliate, threaten or intimidate. SB 1567 strengthens the work you accomplished in 2015 when the Oregon legislature passed SB 188, and keeps our laws up-to-date within a fast-paced digital age, while positively impacting the lives of victims.

I appreciate the opportunity to testify in support of SB 1567 and am available for any additional questions you may have.

Respectfully submitted,
