Subject: HB 4040A
Date: Wednesday, February 17, 2016 2:51:32 PM

I would urge the passing of this bill, HB4040A, to delist the wolves in Oregon.

I read the ODFW report regarding the health and status of the wolf population in this state very carefully. In light of that information and my desire to see the integrity of the embarked upon public process upheld I am making this request of you.

Thank you,

Carol Hemphill
Philomath, Oregon
