

# Petition to Oregon Legislators:

## Create Minoru Yasui Day in Oregon

Submitted by the ACLU of Oregon

February 18, 2016

### Petition Text:

Oregonian Minoru Yasui fought back against the unfair and unconstitutional treatment of Japanese Americans during World War II and dedicated his life to safeguarding the rights of Americans and all peoples on her soil and advancing equal treatment for all people. His story is a reminder of the struggles for freedom and rights in our country.

In honor of his sacrifices and legacy, we ask that the Oregon Legislature dedicate March 28th in his honor in perpetuity as Minoru Yasui Day. This day will be an opportunity for students and all Oregonians to learn about his fight against Japanese American internment and all of his work for equal rights and justice.

It is important that we remember our history, so we can learn from our mistakes. Together we can ensure Oregon is a place where all people can enjoy the liberty and freedoms enshrined in the Constitution.
