

PRINCIPLES OF HOUSING ADVOCACY:

- **Hardworking people should be able to afford housing and still have enough money for basic necessities;**
- **Children deserve an opportunity to succeed in school and life, which is tied to having a stable home;**
- **Housing gives people an opportunity to build better lives. To succeed you need a place to call home;**
- **It's only fair that everyone has an affordable, safe, and decent place to live.**
