Subject: *House Bill 4131A*
Public Hearing and Possible Work Session Recommendations

House Bill 4131A relates to collection of debts by state agencies. The measure has an emergency clause and is effective on passage; however an operative date does not authorize the data match system to become effective until July 1, 2017.

A preliminary staff measure summary and fiscal impact are available on the Oregon Legislative Information System (OLIS). A revenue impact statement is in process; however, due to the operative date there is no revenue impact for the 2015-17 biennium.
