Dear Feature comment on Rasins the  
Mimun Wadgis

Hi There my name is Mark Knecht I am an  
advocate for people with disabilities my concern  
is that people that work in good will garden  
foundation they could ~~end~~ up losing their jobs =  
they go could loose ~~the~~ there 55% DIS = when the  
wadgis went up several go to there were some people  
that worked in <sup>macdonalds</sup> ~~macdonalds~~ ~~park~~ but has Resdat  
if that for they very laid off = Becas of this  
Thank you for consideration = this matter we  
did not get a Raisin in ~~the~~ site this year  
but the Rent goes up + priceing = eat

your Respectfully -
