Please Support: HB 4040A

A SAMPLE OF ORS' that  
REQUIRE RATIFICATION  
or approval by the Legislature

THIS SESSION: HB 4126-passed off House Floor 54-0

- It codifies in statute that cities who are "in progress" using the old method don't have to restart using the new rules. This provision is in the rule already at DCLD.

2013-HB 3452 (Passed House 57:2; Passed Senate 30:0): Relating to wolves and describes circumstances in which wolves may be taken.

- ODFW came up with the rules in the Oregon Wolf Plan on when a wolf can and cannot be taken and the legislature agreed on these rules.

196.175-Pacific Ocean Resources Compact

- This statute ratifies a decision made by the joint-agency, multi-state committee on managing ocean fisheries.

291.055-State agency fee approval

- State agency's that temporarily establish fees must be approved by the legislature during session or the fee amounts revert back to the prior amount upon Sine Die.

273.900-Confirmation of title to tide lands and tide flats

- An individual may purchase land from the State of Oregon in good faith and the State of Oregon will uphold the sale and confirm the transaction when the purchase is paid in full.

273.902-Confirmation of title to swamp and overflow lands; deed to claimant

- For persons who have completed settlement or who may complete settlement, the State of Oregon will confirm settlement upon receiving settlement certificate or payment.

273.903-Title of certain swamp lands not to be questioned by department; prohibition against sale of certain swamp lands

- The Department of State lands will not call into question the title of any person to any swamp lands which the person may not have acquired by full and complete compliance and the department cannot sell anyone any unsurveyed swamp land.
