Summary of Subcommittee Action

Higher Education Coordinating Commission

Public Universities:

The Subcommittee approved a \$10,150,000 increase in the Other Funds Capital Construction six-year expenditure limitation for the Higher Education Coordinating Commission (HECC) for distribution of general obligation bond proceeds to public universities. This amount corresponds to the total project amounts for five university projects authorized in House Bill 5202, net of one project that was reduced. Projects are funded with proceeds from the issuance of Article XI-Q bonds and Article XI-F (1) bonds and will be disbursed as grants or loans, as applicable, pursuant to grant contracts and loan agreements between HECC and each university. Project descriptions are included in House Bill 5202. The expenditure limitation expires June 30, 2021.

Community Colleges:

Portland Community College: The Subcommittee approved establishing a \$1 Other Funds (XI-G bond proceeds) expenditure limitation for the Higher Education Coordinating Commission for distribution to Portland Community College to finance the acquisition of and improvements to land and the acquisition, construction, or alteration of the American Manufacturing Innovation District Building, including furnishing and equipping of the building. HB 5202 authorizes \$5.0 million of Article XI-G bonds proceeds for this project while another \$2.5 million of lottery revenue bond proceeds are also authorized for the project in the same bill. The American Manufacturing Innovation District is a collaborative effort between governments, industry, and academic institutions to invest in manufacturing infrastructure to promote advanced manufacturing. Portland Community College and its partners in the project must return to the Emergency Board or the Legislature in 2017 with a presentation of a business plan for developing the District prior to receiving further expenditure limitation.

Oregon Military Department

Oregon Military Museum: The Subcommittee approved establishing an Other Funds (Capital Projects Fund) expenditure limitation of \$725,963 to enable the Military Department to spend funds raised by the Heritage Outreach Foundation in support of completing the museum's repository, vestibule, and rain skin projects for the main building.

In addition, the Subcommittee approved an increase of \$622,748 in Federal Funds capital construction expenditure limitation for 2013-15 to use recently received National Guard Bureau funding for supervision, inspection, and overhead in the architect's contract, and for the museum's rain skin project.

Sharff Hall/Maison Armory: In 2013, the Legislature authorized capital construction expenditure limitation to acquire and remodel Sharff Hall, in Portland, to convert it into an armory. The name was later changed to Maison Armory. In late September 2015, the National Guard Bureau notified the Military Department that federal funding had been approved to augment bonding proceeds already secured. The Subcommittee approved establishing a Federal Funds capital construction expenditure limitation of \$2,051,033. The funding will be used to enhance window replacements, energy and water saving measures, and kitchen and utility upgrades. With federal support, the project total is now \$4,832,033.

Medford Armory: Adding to existing resources to renovate the Medford Armory, the National Guard Bureau made additional funding available above the \$1.9 million provided earlier. The Subcommittee approved increasing the Federal Funds capital construction expenditure limitation by \$940,800. The project is now \$5,276,108 total funds to provide additions and alterations to the armory, HVAC replacement, upgrades to windows, restrooms, kitchen, administrative, and storage areas, and information technology systems, as well as implementing feasible energy and water savings measures.

Regional Training Institute: The Subcommittee approved establishing an \$11,500,000 Other Funds capital construction expenditure limitation to enable the Military Department to construct and expand a new Regional Training Institute at Camp Umatilla. The funding consists of \$5 million from the sale of the current Regional Training Institute building on the Western Oregon University campus in Monmouth and \$6.5 million in Article XI-Q bond proceeds. The bonding authority is included in HB 5202.
