33 **of complying, after January 1, 2017, with the amendments to ORS 653.025 by section 3 of this**  
34 **2016 Act. The amount of the credit in any one tax year is computed by calculating a per-**  
35 **centage of the net increase in wages paid by a taxpayer to employees of the taxpayer as re-**  
36 **quired under the amendments to ORS 653.025 by section 3 of this 2016 Act during the tax**

2 “(b) Pay the taxpayer’s employees in accordance with all applicable federal, state and  
3 local laws.

4 “(3) If the amount allowable as a credit under this section, when added to the sum of the  
5 amount of estimated tax paid under ORS 314.515 and any other tax prepayment amounts,  
6 exceeds the taxes imposed by ORS chapters 314 and 317 for the tax year (reduced by any  
7 nonrefundable credits allowable for purposes of ORS chapter 317 for the tax year), the  
8 amount of the excess shall be refunded to the taxpayer as provided in ORS 314.415.

9 “(4) A nonresident shall be allowed the credit under this section. The credit shall be  
10 computed in the same manner and be subject to the same limitations as the credit granted  
11 to a resident.

12 “(5) If a change in the taxable year of the taxpayer occurs as described in ORS 314.085,  
13 or if the Department of Revenue terminates the taxpayer’s taxable year under ORS 314.440,  
14 the credit allowed by this section shall be prorated or computed in a manner consistent with  
15 ORS 314.085.

16 “(6) If a change in the status of a taxpayer from resident to nonresident or from non-  
17 resident to resident occurs, the credit allowed by this section shall be determined in a man-  
18 ner consistent with ORS 316.117.

19 “SECTION 7. (1) A credit against taxes that are otherwise due under ORS chapter 316  
20 or, if the taxpayer is a corporation, under ORS chapter 317 or 318 is allowed to a taxpayer  
21 that has 50 or fewer employees at any time during the tax year and that, after January 1,  
22 2017, pays any employee at or above the state mandated minimum wage required by ORS  
23 653.025 (1)(c)(B) and (d)(B) for employers with more than 50 employees that are subject to  
24 the state mandated minimum wage required by ORS 653.025 (1)(c)(B) and (d)(B). The amount  
25 of the credit in any one tax year is computed by calculating the difference in total wages paid  
26 by a taxpayer to employees above that required of the taxpayer during the tax year.

27 “(2) A taxpayer may qualify for the credit allowed under this section if the taxpayer pays  
28 the taxpayer’s employees in accordance with all applicable federal, state and local laws.

29 “(3) A nonresident shall be allowed the credit under this section. The credit shall be  
30 computed in the same manner and be subject to the same limitations as the credit granted  
31 to a resident.

32 “(4) If a change in the taxable year of the taxpayer occurs as described in ORS 314.085,  
33 or if the Department of Revenue terminates the taxpayer’s taxable year under ORS 314.440,  
34 the credit allowed by this section shall be prorated or computed in a manner consistent with  
35 ORS 314.085.

36 “(5) If a change in the status of a taxpayer from resident to nonresident or from non-  
37 resident to resident occurs, the credit allowed by this section shall be determined in a man-  
38 ner consistent with ORS 316.117.

39 “SECTION 8. (1)(a) As used in this subsection, ‘youth employee’ has the meaning given  
40 that term in section 2 of this 2016 Act.

41 “(b) A credit against taxes that are otherwise due under ORS chapter 316 or, if the tax-  
42 payer is a corporation, under ORS chapter 317 or 318 is allowed to a taxpayer for the costs  
43 of complying, after January 1, 2017, with the amendments to ORS 653.025 by section 3 of this  
44 2016 Act. The amount of the credit in any one tax year is computed by multiplying by 15  
45 percent the amount of wages paid to youth employees for the first 515 hours worked during

1 the tax year by each employee who is a youth employee. The amount of any wages for which  
2 a credit is claimed for the tax year under section 6 or 7 of this 2016 Act shall be excluded  
3 from the calculation under this paragraph.

4 “(2) In order to qualify for the credit under this section, a taxpayer must pay the  
5 taxpayer’s employees in accordance with all applicable federal, state and local laws.

6 “(3) A nonresident shall be allowed the credit under this section. The credit shall be  
7 computed in the same manner and be subject to the same limitations as the credit granted  
8 to a resident.

9 “(4) If a change in the taxable year of the taxpayer occurs as described in ORS 314.085,  
10 or if the Department of Revenue terminates the taxpayer’s taxable year under ORS 314.440,  
11 the credit allowed by this section shall be prorated or computed in a manner consistent with  
12 ORS 314.085.

13 “(5) If a change in the status of a taxpayer from resident to nonresident or from non-  
14 resident to resident occurs, the credit allowed by this section shall be determined in a man-  
15 ner consistent with ORS 316.117.

16 “SECTION 9. (1) A credit against taxes that are otherwise due under ORS chapter 316 is  
17 allowed to a taxpayer if:

18 “(a) On other than a joint return, the taxpayer’s total reported wages for the tax year,  
19 when divided by hours worked by the taxpayer, do not exceed the state mandated minimum  
20 wage required under ORS 653.025; or

21 “(b) On a joint return, the sum of the reported wages of both taxpayers, when divided  
22 by the sum of hours worked by both taxpayers does not exceed the state mandated minimum  
23 wage required under ORS 653.025.

24 “(2) The credit allowed under this section shall equal the taxes that would otherwise be  
25 imposed under ORS 316.037, prior to the calculation of any other credit.

26 “(3) A nonresident shall be allowed the credit under this section. The credit shall be  
27 computed in the same manner and be subject to the same limitations as the credit granted  
28 to a resident.

29 “(4) If a change in the taxable year of the taxpayer occurs as described in ORS 314.085,  
30 or if the Department of Revenue terminates the taxpayer’s taxable year under ORS 314.440,  
31 the credit allowed by this section shall be prorated or computed in a manner consistent with  
32 ORS 314.085.

33 “(5) If a change in the status of a taxpayer from resident to nonresident or from non-  
34 resident to resident occurs, the credit allowed by this section shall be determined in a man-  
35 ner consistent with ORS 316.117.

36 “SECTION 10. ORS 314.752 is amended to read:

37 “314.752. (1) Except as provided in ORS 314.740 (5)(b), the tax credits allowed or allowable to  
38 a C corporation for purposes of ORS chapter 317 or 318 shall not be allowed to an S corporation.  
39 The business tax credits allowed or allowable for purposes of ORS chapter 316 shall be allowed or  
40 are allowable to the shareholders of the S corporation.

41 “(2) In determining the tax imposed under ORS chapter 316, as provided under ORS 314.734, on  
42 income of the shareholder of an S corporation, there shall be taken into account the shareholder’s  
43 pro rata share of business tax credit (or item thereof) that would be allowed to the corporation (but  
44 for subsection (1) of this section) or recapture or recovery thereof. The credit (or item thereof), re-  
45 capture or recovery shall be passed through to shareholders in pro rata shares as determined in the

1 manner prescribed under section 1377(a) of the Internal Revenue Code.

2 “(3) The character of any item included in a shareholder’s pro rata share under subsection (2)  
3 of this section shall be determined as if such item were realized directly from the source from which  
4 realized by the corporation, or incurred in the same manner as incurred by the corporation.

5 “(4) If the shareholder is a nonresident and there is a requirement applicable for the business  
6 tax credit that in the case of a nonresident the credit be allowed in the proportion provided in ORS  
7 316.117, then that provision shall apply to the nonresident shareholder.

8 “(5) As used in this section, ‘business tax credit’ means a tax credit granted to personal income  
9 taxpayers to encourage certain investment, to create employment, economic opportunity or incentive  
10 or for charitable, educational, scientific, literary or public purposes that is listed under this sub-  
11 section as a business tax credit or is designated as a business tax credit by law or by the Depart-  
12 ment of Revenue by rule and includes but is not limited to the following credits: ORS 285C.309  
13 (tribal taxes on reservation enterprise zones and reservation partnership zones), ORS 315.104 (fore-

23 “**SECTION 11.** ORS 318.031 is amended to read:

24 “318.031. It being the intention of the Legislative Assembly that this chapter and ORS chapter  
25 317 shall be administered as uniformly as possible (allowance being made for the difference in im-  
26 position of the taxes), ORS 305.140 and 305.150, ORS chapter 314 and the following sections are in-  
27 corporated into and made a part of this chapter: ORS 285C.309, 315.104, 315.141, 315.156, 315.204,  
28 315.208, 315.213, 315.304, 315.326, 315.331, 315.336, 315.507 and 315.533 **and sections 6 to 8 of this**  
29 **2016 Act** (all only to the extent applicable to a corporation) and ORS chapter 317.

30 “**SECTION 12.** **Sections 6 to 9 of this 2016 Act and the amendments to ORS 314.752 and**

32 **1, 2017, and before January 1, 2021.**

33 “**SECTION 13.** **By September 30 of each year, the Department of Revenue shall report to**  
34 **the Legislative Assembly, in the manner provided by ORS 192.245, the cost for the prior year**  
35 **of the tax credit provided under section 6 of this 2016 Act.**

36 “**SECTION 14.** ORS 18.838 is amended to read:

37 “18.838. Instructions to garnishees must be in substantially the following form:

38 “

39  
40 INSTRUCTIONS TO GARNISHEE

41  
42 Except as specifically provided in these instructions, you must complete and deliver the  
43 Garnishee Response within seven calendar days after you receive the writ of garnishment. If the  
44 writ does not comply with Oregon law, the writ is not effective to garnish any property of the  
45 Debtor, but you still must complete and deliver the Garnishee Response. You must complete and

1 deliver the response even though you cannot determine from the writ whether you hold any property  
2 or owe any debt to the Debtor. If the seventh calendar day is a Saturday, Sunday or legal holiday,  
3 you must deliver your response on or before the next following day that is not a Saturday, Sunday  
4 or legal holiday.

5  
6 The writ is not effective, and you need not make a Garnishee Response, if:

- 7
- 8 • You do not receive the writ within 60 days after the date of issuance shown on the face of  
9 the writ.
- 10
- 11 • You do not receive an original writ of garnishment or a copy of the writ.
- 12

13 Statutes that may affect your rights and duties under the writ can be found in ORS 18.600 to  
14 18.850.

15  
16 NOTE: The Garnishor may be the Creditor, the attorney for the Creditor or some other person  
17 who is authorized by law to issue the writ of garnishment. See the writ to determine who the  
18 Garnishor is.

19  
20 STEP 1. FILL OUT THE GARNISHEE RESPONSE.

21  
22 All garnishees who are required to deliver a garnishee response must fill in Part I of the  
23 Garnishee Response. Garnishees who employ the Debtor must also fill in Part II of the response.  
24 You should keep a copy of the response for your records.

25  
26 Completing Part I of the Garnishee Response. If you discover before you deliver your response  
27 that a bankruptcy petition has been filed by or on behalf of the Debtor, and the bankruptcy petition  
28 was filed after a judgment was entered against the Debtor or after the debt otherwise became sub-  
29 ject to garnishment (see the date specified in the writ), you must put a check by the appropriate  
30 statement in Part I. If a bankruptcy petition has been filed, you should not make any payments to  
31 the Garnishor unless the court orders otherwise. You need not complete any other part of the re-  
32 sponse, but you still must sign the response and deliver it in the manner described in Step 2 of these  
33 instructions.

34 In all other cases you must list in Part I all money and personal property of the Debtor that is  
35 in your possession, control or custody at the time of delivery of the writ. You must also list all debts  
36 that you owe to the Debtor, whether or not those debts are currently due (e.g., money loaned to you  
37 by the Debtor that is to be repaid at a later time).

38 If you are the employer of the Debtor at the time the writ is delivered to you, you must put a  
39 check by the appropriate statement in Part I. In addition, you must complete Part II of the response.

40 If you believe that you may hold property of the Debtor or that you owe a debt to the Debtor,  
41 but you are not sure, you must put a check by the appropriate statement and provide an explana-  
42 tion. When you find out what property you hold that belongs to the Debtor, or you find out whether  
43 you owe money to the Debtor and how much, you must prepare and deliver an amended response.  
44 You must do this even if you find out that you have no property of the Debtor or that you do not  
45 owe anything to the Debtor.

1 If you determine that the writ, on its face, does not comply with Oregon laws governing writs  
2 of garnishment, or if you are unable to determine the identity of the Debtor from the information  
3 in the writ, then the writ is not effective to garnish any property of the Debtor. You must put a  
4 check by the appropriate statement in Part I and provide an explanation. You still must complete  
5 the response and deliver the response in the manner described in Step 2 of these instructions.

6 If you have received an order to withhold income that applies to the income of the Debtor and  
7 that order has priority over the garnishment, and if compliance with the order will reduce or elim-  
8 inate the money or property that you would otherwise deliver under the garnishment, you must put  
9 a check by the appropriate statement in Part I. You still must fill out the remainder of the response  
10 and deliver the response in the manner described in Step 2 of these instructions. If you employ the  
11 Debtor, you still must complete Part II of the response.

12 If you receive notice of a challenge to the garnishment before you send your response, you must  
13 complete and deliver your response as otherwise required by these instructions. However, see Step  
14 3 of these instructions regarding payment of money or delivery of property after receipt of notice  
15 of a challenge to the garnishment.

16 If you owe a debt to the Debtor and the Debtor owes a debt to the holder of an underlying lien  
17 on your property, you may be able to offset the amount payable to the underlying lienholder. See  
18 ORS 18.620. You must note that you have made the offset in Part I of the response (under  
19 “Other”) and specify the amount that was offset.

20  
21 Completing Part II of the Garnishee Response (employers only). You must fill in Part II of the  
22 response if you employ the Debtor on the date the writ of garnishment is delivered to you, or if you  
23 previously employed the Debtor and still owe wages to the Debtor on the date the writ is delivered  
24 to you.

25  
26 Wages affected. Except as provided below, the writ garnishes all wages that you owe to the  
27 Debtor for work performed before the date you received the writ, even though the wages will not  
28 be paid until a later date. The writ also garnishes all wages that are attributable to services per-  
29 formed during the 90-day period following the date you received the writ, even though you would  
30 not pay the Debtor for all or part of those services until after the end of the 90-day period. Wages  
31 subject to garnishment under the writ include all amounts paid by you as an employer, whether on  
32 an hourly, weekly or monthly basis, and include commission payments and bonuses.

33  
34 Example 1: Debtor A is employed by you and is paid a monthly salary on the first day of  
35 each month. You receive a writ of garnishment on July 17. The writ garnishes all wages  
36 that you owe to Debtor A for work performed on or before July 17. If Debtor A was paid  
37 on July 1 for services performed in the month of June, the writ garnishes Debtor A’s salary  
38 for the period beginning July 1 and ending October 15 (90 days after receipt of the writ).

39  
40 The writ does not garnish any wages you owe to a Debtor for a specific pay period if:

41 (a) The writ is delivered to you within two business days before the Debtor’s normal payday for  
42 the pay period;

43 (b) When the writ is delivered to you, the Debtor’s wages are paid by direct deposit to a finan-  
44 cial institution, or you use an independent contractor as payroll administrator for your payroll; and

45 (c) Before the writ was delivered to you, you issued instructions to the financial institution or

1 the payroll administrator to pay the Debtor for the pay period.

2 If any wages are not garnishable by reason of the issuance of instructions to a financial insti-  
3 tution or a payroll administrator as described above, you must so note in the Garnishee Response.  
4 Thereafter, you must pay to the Garnishor all wages that are subject to garnishment that are at-  
5 tributable to services performed by the Debtor during the 90-day period following the date you re-  
6 ceived the writ.

7  
8 Calculation of wages subject to garnishment. A Wage Exemption Calculation form is attached  
9 to the writ of garnishment. You must use this form to calculate the amount of the Debtor's wages  
10 that is subject to garnishment. You should read the instructions printed on the Wage Exemption  
11 Calculation form to determine the normal wage exemption and the **state mandated** minimum wage  
12 exemption for each payment you make under the writ.

13 A Wage Exemption Calculation form must be sent with the first payment you make under the  
14 writ. For the 90-day period during which the writ is effective, you must also fill out and return a  
15 Wage Exemption Calculation form with a subsequent payment any time the initial calculation  
16 changes. Finally, you must fill out and return a Wage Exemption Calculation form with the final  
17 payment that you make under the writ.

18  
19 Payment of amount subject to garnishment. Payments under the writ must be made at the fol-  
20 lowing times, unless the amount owing on the judgment or other debt is fully paid before the final  
21 payment is made or the writ is released:

22 (a) You must make a payment to the Garnishor of all wages subject to garnishment at the time  
23 you next pay wages to the Debtor. Complete the wage exemption computation, using the Wage Ex-  
24 emption Calculation form, to determine the portion of the Debtor's wages that is subject to  
25 garnishment. Be sure to adjust the minimum exemption amount for any payment that covers less  
26 than a full pay period. You must include a copy of the Wage Exemption Calculation form with this  
27 first payment.

28  
29 Example 2: Using the facts given in Example 1, when you next make any payment of wages  
30 to Debtor A after you receive the writ on July 17, you must complete the Wage Exemption  
31 Calculation form and send the form to the Garnishor along with all amounts determined to  
32 be subject to garnishment that are attributable to the period covered by the payment. If you  
33 pay Debtor A on August 1, the payment will be for all wages attributable to the period be-  
34 ginning July 1 and ending July 31.

35  
36 (b) Unless the writ of garnishment is satisfied or released, during the 90-day period following the  
37 date you received the writ, you must pay to the Garnishor all wages that are determined to be  
38 subject to garnishment whenever you issue a paycheck to the Debtor. If the Debtor is paid on a  
39 weekly basis, you must make payment under the writ on a weekly basis. If the Debtor is paid on a  
40 monthly basis, you must make payment under the writ on a monthly basis. If the amount paid to the  
41 Debtor varies from paycheck to paycheck, or changes at any time from the amount being paid at the  
42 time the writ was delivered to you, you must perform a new wage exemption computation to deter-  
43 mine the amount of wages subject to garnishment under the writ. You must send a copy of the new  
44 Wage Exemption Calculation form with your payment to the Garnishor.

1           Example 3: Using the facts given above, as you make each subsequent payment of wages to  
2 Debtor A you must make a payment of that portion of the Debtor’s wages that are subject  
3 to garnishment. If you continue to pay Debtor A on the first of each month, payments must  
4 be made on September 1 and October 1.

5  
6           (c) Upon the expiration of the 90-day period, you must make a final payment to the Garnishor  
7 for all wages that were owing to the Debtor for the work performed by the Debtor through the 90th  
8 day following your receipt of the writ. This payment may be made at the time of the Debtor’s next  
9 paycheck. You will need to complete another Wage Exemption Calculation form to determine the  
10 amount of the wages subject to garnishment.

11  
12           Example 4: Using the facts given above, you must make a final payment for the wages owing  
13 to Debtor A for the period beginning October 1 and ending October 15. You may make this  
14 payment at the time you issue Debtor A’s paycheck on November 1, but you must make the  
15 payment at any time you issue a paycheck to Debtor A after October 15. Be sure that in  
16 completing the wage exemption computation for the final payment you adjust the minimum  
17 exemption amount to take into account the fact that the period covered is only 15 days of  
18 the full month (see instructions on Wage Exemption Calculation form).

19  
20           Processing fee. You may collect a \$2 processing fee for each week of wages, or fraction of a  
21 week of wages, for which a payment is made under the writ. The fee must be collected after you  
22 make the last payment under the writ. The fee must be withheld from the wages of the debtor, and  
23 is in addition to the amounts withheld for payment to the garnishor under the writ or under any  
24 other writ you have received.

25  
26           If you receive more than one writ of garnishment. If you receive a second writ of garnishment  
27 for the same Debtor from another Garnishor, the first writ will have priority for wages. The priority  
28 of the first writ lasts for the 90-day period following delivery of that writ to you, or until the first  
29 writ is paid in full, whichever comes first. In your response to the second writ, you must put a check  
30 by the appropriate statement in Part II and indicate the date on which the first writ will expire (90  
31 days after the date you received the writ). You should make no payments under the second writ  
32 until expiration of the first writ. The expiration date of the second writ is 90 days after the date  
33 you received the second writ; the expiration date is not affected by any delay in payment attribut-  
34 able to the priority of the first writ.

35  
36           STEP 2. DELIVER THE GARNISHEE RESPONSE.

37  
38           You must deliver your Garnishee Response and copies of the response in the manner provided  
39 in this step. The response and copies may be mailed or delivered personally.

40  
41           You must complete and deliver the Garnishee Response within seven calendar days after you  
42 receive the writ of garnishment. If the seventh calendar day is a Saturday, Sunday or legal holiday,  
43 you must deliver your response on or before the next following day that is not a Saturday, Sunday  
44 or legal holiday.

1 If you are required to hold any property under the writ or make any payment under the writ,  
2 either at the time of making your response or later, you must:

3 (a) Send the original of your Garnishee Response to the Garnishor at the address indicated on  
4 the writ under Important Addresses.

5 (b) Send a copy of your Garnishee Response to the court administrator at the address indicated  
6 on the writ under Important Addresses.

7 (c) Send a copy of your Garnishee Response to the Debtor if an address is indicated on the writ  
8 under Important Addresses.

9  
10 If you are not required to hold any property under the writ or make any payment under the  
11 writ, either at the time of making your response or later, you must:

12 (a) Send the original of your Garnishee Response to the Garnishor at the address indicated on  
13 the writ under Important Addresses.

14 (b) Send a copy of your Garnishee Response to the Debtor if an address is indicated on the writ  
15 under Important Addresses.

16  
17 STEP 3. DELIVER THE FUNDS OR OTHER PROPERTY.

18  
19 As long as the writ is in effect, you may be liable to the Creditor if you pay any debt or turn  
20 over any property to the Debtor except as specifically allowed by law. If you have any money or  
21 property of the Debtor in your possession, control or custody at the time of delivery of the writ, or  
22 owe any debt to the Debtor, you must pay the money or hold the property as required by this step.  
23 Exceptions to this requirement are listed below.

24  
25 IF YOU ARE HOLDING MONEY FOR THE DEBTOR OR OWE A DEBT THAT IS CUR-  
26 RENTLY DUE, you must pay the money to the Garnishor with your response. You must send your  
27 payment to the Garnishor at the address indicated on the writ under Important Addresses. Make  
28 your check payable to the Garnishor.

29  
30 IF YOU OWE A DEBT TO THE DEBTOR THAT WILL BECOME DUE WITHIN 45 DAYS  
31 AFTER THE DATE YOU RECEIVED THE WRIT, you must send your payment directly to the  
32 Garnishor at the address provided in the writ when the debt becomes due. Make your check payable  
33 to the Garnishor.

34  
35 IF YOU ARE HOLDING PROPERTY THAT BELONGS TO THE DEBTOR, OR OWE A DEBT  
36 TO THE DEBTOR THAT WILL NOT BECOME DUE WITHIN 45 DAYS AFTER THE DATE YOU  
37 RECEIVED THE WRIT, you must keep the property or debt in your possession, control or custody  
38 until you receive written notice from the Sheriff. The Sheriff's notice will tell you what to do with  
39 the property or debt. If you have followed all of the instructions in the writ and you receive no  
40 notice from the Sheriff within 30 days after the date on which you delivered your Garnishee Re-  
41 sponse, you may treat the writ as being of no further force or effect.

42  
43 **EXCEPTIONS:**

44  
45 1. Challenge to garnishment or specific directions from court. If you are making any payments

1 under the garnishment and before making a payment you receive notice of a challenge to the  
2 garnishment from the court, or receive a specific direction from the court to make payments to the  
3 court, you must send or deliver the payment directly to the court administrator. If the money is  
4 currently due when you receive the notice, send the payment promptly to the court. If the payment  
5 is for a debt that is payable within 45 days after you receive the writ, make the payment to the  
6 court promptly when it becomes due. If you make payment by check, make the check payable to the  
7 State of Oregon. Because you may be liable for any payment that does not reach the court, it is  
8 better not to send cash by mail.

9 A challenge to the garnishment does not affect your duty to follow the instructions you receive  
10 from the Sheriff for property that belongs to the Debtor and debts that you owe to the Debtor that  
11 do not become due within 45 days.

12  
13 2. Previous writ of garnishment. If you receive a second writ of garnishment for the same Debtor  
14 from another Garnishor, the first writ will have priority and you need not make payments or deliver  
15 property under the second writ to the extent that compliance with the first writ will reduce or  
16 eliminate the payment of money or delivery of property that you would otherwise make under the  
17 garnishment. You must still deliver a Garnishee Response to the second writ, and must commence  
18 payment under the second writ as soon as the first writ is satisfied or expires.

19  
20 3. Offset for payment of underlying lien. If you owe a debt to the Debtor and the Debtor owes  
21 a debt to the holder of an underlying lien on your property, you may be able to offset the amount  
22 payable to the underlying lienholder. See ORS 18.620.

23  
24 4. Subsequent events:

25  
26 (a) Bankruptcy. If you make your response and then discover that a voluntary or involuntary  
27 bankruptcy petition has been filed by or on behalf of the Debtor after the judgment was entered  
28 against the Debtor or after the debt otherwise became subject to garnishment (see date in writ), you  
29 may not make any further payments or delivery of property under the writ unless the court orders  
30 otherwise. If you have not delivered all property that is subject to garnishment under this writ when  
31 you discover that a bankruptcy petition has been filed, you must mail the following notice to the  
32 Garnishor and to the Debtor.

33  
34 (b) Order to withhold income. If you make your response and then receive an order to withhold  
35 income that has priority over the writ, you may make payments or deliver property under the writ  
36 only after payment of the amounts required under the order to withhold income. If you have not  
37 delivered all property that is subject to garnishment under this writ when you receive an order to  
38 withhold income that has priority, you must mail the following notice to the Garnishor and to the  
39 Debtor.

42 SUPPLEMENTAL GARNISHEE  
43 RESPONSE  
44

45 TO: The Garnishor and the Debtor

1 RE: Writ of garnishment received \_\_\_\_\_, 2\_\_ (date), in the case of \_\_\_\_\_ (Plaintiff)  
2 vs. \_\_\_\_\_ (Defendant), Circuit Court of \_\_\_\_\_ County, Oregon, Case No. \_\_\_\_\_.

3  
4 The undersigned Garnishee furnished a Garnishee Response to this writ of garnishment on  
5 \_\_\_\_\_, 2\_\_ (date). Since that time (check appropriate statement):

6  
7 — I have discovered that a voluntary or involuntary bankruptcy petition has been filed by or  
8 on behalf of the Debtor after the judgment was entered against the Debtor or after the debt  
9 otherwise became subject to garnishment.

10  
11 — I have received an order to withhold income of the Debtor by reason of a support obligation.  
12 Under ORS 25.375, the order to withhold income has priority over any other legal process  
13 under Oregon law against the same income. The withholding of income pursuant to the or-  
14 der to withhold income might reduce or eliminate subsequent payments under the  
15 garnishment. (Provide details, including the name of the agency serving the order to with-  
16 hold, the date the order was served on you and the amounts to be withheld.)

30 SPECIAL INSTRUCTIONS FOR BANKS  
31 AND OTHER FINANCIAL INSTITUTIONS

32

33 Unless a Notice of Right to Garnish Federal Benefits from the United States Government or  
34 from a state child support enforcement agency is attached to or included in the garnishment, you  
35 must conduct a garnishment account review for each account that you hold for the debtor. If a  
36 Notice of Right to Garnish Federal Benefits from the United States Government or from a state  
37 child support enforcement agency is attached to or included in the garnishment, you should not  
38 conduct a garnishment account review, and should proceed upon the garnishment in the normal  
39 manner.

40 If you hold an account for the debtor, and any of the payments listed below has been deposited  
41 in the account by direct deposit or electronic payment during the lookback period described in ORS  
42 18.784 (2) (the period that begins on the date preceding the date of your garnishment account review  
43 and that ends on the corresponding date of the month two months earlier, or on the last day of the  
44 month two months earlier if the corresponding date does not exist), an amount equal to the lesser  
45 of the sum of those payments or the total balance in the debtor’s account is not subject to

1 garnishment, and you may not deliver that amount to the garnishor:

2 (a) Federal benefit payments as defined in ORS 18.600 (payments from the United States Social  
3 Security Administration, the United States Department of Veterans Affairs, the United States Office  
4 of Personnel Management or the Railroad Retirement Board);

5 (b) Payments from a public or private retirement plan as defined in ORS 18.358;

6 (c) Public assistance or medical assistance, as defined in ORS 414.025, payments from the State  
7 of Oregon or an agency of the State of Oregon;

8 (d) Unemployment compensation payments from the State of Oregon or an agency of the State  
9 of Oregon;

10 (e) Black lung benefits payments from the United States Department of Labor; and

11 (f) Workers' compensation payments from a workers' compensation carrier.  
12

13 If the Garnishor fails to pay the search fee required by ORS 18.790 and you do not employ the  
14 Debtor, you are not required to deliver a Garnishee Response and you may deal with any property  
15 of the Debtor as though the garnishment had not been issued.  
16

17 If the Debtor owes a debt to you that was due at the time you received the writ of garnishment,  
18 you may be able to offset the amount of that debt. See ORS 18.795. You must note that you have  
19 made the offset in Part I of the Garnishee Response (under "Other") and specify the amount that  
20 was offset.  
21

22 Before making a payment under the writ, you may first deduct any processing fee that you are  
23 allowed under ORS 18.790. If you are required to conduct a garnishment account review, you may  
24 not charge or collect a processing fee against any amount that is not subject to garnishment, and  
25 may not charge or collect a garnishment processing fee against any amounts in the account after  
26 the date that you conduct the review.  
27

28 You need not deliver any property contained in a safe deposit box unless the Garnishor pays  
29 you in advance for the costs that will be incurred in gaining entry to the box. See ORS 18.792.  
30

31 If you are required to conduct a garnishment account review and you determine from the review  
32 that one or more of the payments listed in ORS 18.784 (3) have been deposited into the debtor's  
33 account by direct deposit or electronic payment during the lookback period described in ORS 18.784  
34 (2), and that there is a positive balance in the account, you must issue a notice to the account  
35 holder in substantially the form set forth in ORS 18.847. The notice must be issued directly to the  
36 account holder or to a fiduciary who administers the account and receives communications on behalf  
37 of the account holder. The notice must be sent separately to the account holder and may not be  
38 included with other materials being provided to the account holder that do not relate to the  
39 garnishment. You must send the notice to the account holder within three business days after you  
40 complete the garnishment account review. You may issue one notice with information related to  
41 multiple accounts of a single account holder.

1 INSTRUCTIONS FOR WAGE  
2 EXEMPTION CALCULATION FORM  
3

4 If you employ the Debtor named in the writ of garnishment, you must fill out and return this  
5 Wage Exemption Calculation form. A Wage Exemption Calculation form must be sent with the first  
6 payment you make under the writ. For the 90-day period during which the writ is effective, you must  
7 also fill out and return a Wage Exemption Calculation form with a subsequent payment any time the  
8 initial calculation changes. Finally, you must fill out and return a Wage Exemption Calculation form  
9 with the final payment that you make under the writ.  
10

11 Normal wage exemption. The wage exemption calculation is based on the amount of the payment  
12 you make under the writ of garnishment. The normal wage exemption in Line 4 is 75 percent of the  
13 employee's disposable wages in Line 3.  
14

15 State mandated minimum wage exemption. The minimum exemption in Line 5 is also based on  
16 the amount of the payment you are making. The minimum exemption is designed to ensure that an  
17 employee receives at least a certain minimum amount in any one-week period. If the payment is for  
18 a one-week period (without regard to whether the period is a calendar week or any other seven-day  
19 period), the minimum exemption is \$218. The minimum exemption is \$435 if the payment is for a  
20 two-week period. If the payment is for one-half of one month (i.e., the Debtor is paid twice each  
21 month), the minimum exemption is \$468. The minimum exemption for a monthly payment is \$936.  
22

23 If the payment you are making is based on some period of time other than one week, two weeks,  
24 half month or month, and the payment is for more than one week, you must calculate the minimum  
25 exemption by multiplying \$218 by the number of weeks covered by the paycheck, including any  
26 fraction of a week. You should round the amount calculated to the nearest dollar.  
27

28 Example 1: You pay Debtor A every 10 days. Each 10-day period is equal to 1.429 weeks (10  
29 divided by 7). The minimum exemption is \$312 ( $\$218 \times 1.429$  rounded to the nearest dollar).  
30

31 You must use this same calculation for computing the minimum exemption when making a pay-  
32 ment for less than a full pay period (e.g., for the final payment at the end of the 90-day period cov-  
33 ered by the writ).  
34

35 Example 2: You pay Debtor A on a monthly basis. You are required to make a final payment  
36 under a writ of garnishment for the wages owing to Debtor A for the period beginning Oc-  
37 tober 1 and ending October 15. This period is equal to 2.143 weeks (15 divided by 7). The  
38 minimum exemption is \$467 ( $\$218 \times 2.143$  rounded to the nearest dollar).  
39

40 The amount of time actually worked by the Debtor during the period covered by the paycheck  
41 does not affect the calculation of the minimum exemption.  
42

43 Example 3: You pay Debtor A on a weekly basis. Debtor A works two days per week. The  
44 minimum exemption is \$218 for each weekly payment you make for Debtor A.  
45

46 If the payment you are making is based on a period of time less than one week, the **state**

1 **mandated** minimum wage exemption may not exceed \$218 for any one-week period.

2  
3 If you receive more than one writ of garnishment. If you receive more than one writ of  
4 garnishment for the same debtor, the writs have priority based on the date on which you receive  
5 them. If the full amount of wages subject to garnishment for a given pay period is paid on the first  
6 writ, you should not make any payment on subsequently received writs until the first writ expires.  
7 In some cases, it may be necessary to make payments on two or more writs for the same pay period.

8  
9 Example 4. You have received two writs of garnishment for Debtor A. You pay Debtor A  
10 on a monthly basis. The first writ expires on October 16. The second writ will not expire  
11 until November 15. You will need to prepare two wage exemption calculation forms for  
12 Debtor A's October wages and make payments under both writs. The wage exemption cal-  
13 culation form for the first writ will be for the wages attributable to October 1 to October  
14 15 as described in Example 2. The wage exemption calculation form for the second writ will  
15 be for all wages for the month of October, but the amounts withheld under the first writ  
16 must be subtracted on Line 8 to determine the October wages subject to garnishment under  
17 the second writ.

20 **“SECTION 16.** ORS 25.323 is amended to read:

21 “25.323. (1) Every child support order must include a medical support clause.

22 “(2) Whenever a child support order that does not include a medical support clause is modified  
23 the modification must include a medical support clause.

24 “(3) A medical support clause may require that medical support be provided in more than one  
25 form, and may make the requirement that medical support be provided in a particular form contin-  
26 gent on the availability of another form of medical support.

27 “(4) A medical support clause must require that one or both parents provide private health care  
28 coverage for a child that is appropriate and available at the time the order is entered. If private  
29 health care coverage for a child is not appropriate and available at the time the order is entered,  
30 the order must:

31 “(a) Require that one or both parents provide private health care coverage for the child at any  
32 time thereafter when such coverage becomes available; and

33 “(b) Either require the payment of cash medical support, or include findings on why cash med-  
34 ical support has not been required.

35 “(5) For the purposes of subsection (4) of this section, private health care coverage is appropri-  
36 ate and available for a child if the coverage:

37 “(a) Is accessible, as described in subsection (6) of this section;

38 “(b) Is reasonable in cost and does not require the payment of unreasonable deductibles or  
39 copayments; and

40 “(c) Provides coverage, at a minimum, for medical expenses, hospital expenses, preventive care,  
41 emergency care, acute care and chronic care.

42 “(6) Private health care coverage is accessible for the purposes of subsection (5)(a) of this sec-  
43 tion if:

44 “(a) The coverage will be available for at least one year, based on the work history of the parent  
45 providing the coverage; and

1 “(b) The coverage either does not have service area limitations or the child lives within 30 miles  
2 or 30 minutes of a primary care provider who is eligible for payment under the coverage.

3 “(7) A medical support clause may not order a providing party to pay cash medical support or  
4 to pay to provide health care coverage if the providing party’s income is equal to or less than the  
5 [Oregon] **state mandated** minimum wage for full-time employment.

6 “(8) Cash medical support and the cost of other medical support ordered under a medical support  
7 clause constitute a child support obligation and must be included in the child support calculation  
8 made under ORS 25.275.

9 “**SECTION 17.** ORS 25.333 is amended to read:

10 “25.333. (1) When the enforcing agency issues a medical support notice under ORS 25.325, the  
11 enforcing agency shall notify the parties by regular mail to the last known addresses of the parties:

12 “(a) That the notice has been sent to the providing party’s employer; and

13 “(b) Of the providing party’s rights and duties under the notice.

14 “(2) A providing party may contest a medical support notice within 30 days after the date the  
15 premium is first withheld pursuant to the notice or, if the health benefit plan is provided at no cost  
16 to the providing party, the date the first premium is paid by the employer.

17 “(3) The only basis for contesting a medical support notice is a mistake of fact. A ‘mistake of  
18 fact’ means any of the following:

19 “(a) No order to provide health care coverage under a health benefit plan has been issued in  
20 regard to the providing party’s child;

21 “(b) The amount to be withheld for premiums is greater than is permissible under ORS 25.331;

22 “(c) The alleged providing party is not the party from whom health care coverage is required;  
23 or

24 “(d) The providing party’s income is equal to or less than [Oregon] **state mandated** minimum  
25 wage for full-time employment.

26 “(4) The providing party may contest the medical support notice by requesting an administrative  
27 review. After receiving a request for review and within 45 days after the date the premium is first  
28 withheld pursuant to the medical support notice, the enforcing agency shall determine, based on an  
29 evaluation of the facts, whether the withholding for premiums may continue. The enforcing agency  
30 shall inform the parties of the determination in writing and include information regarding the right  
31 to appeal the determination.

32 “(5) Any appeal of the enforcing agency’s determination under subsection (4) of this section is  
33 to the circuit court for a hearing under ORS 183.484.

34 “(6) The initiation of proceedings to contest a medical support notice or an appeal of the en-  
35 forcing agency’s determination under this section does not stay the withholding of premiums.

36 “**SECTION 18.** ORS 25.414 is amended to read:

37 “25.414. (1) The withholder shall withhold from the obligor’s disposable monthly income, other  
38 than workers’ compensation under ORS chapter 656 or unemployment compensation under ORS  
39 chapter 657, the amount stated in the order to withhold. The entity issuing the order to withhold  
40 shall compute this amount subject to the following:

41 “(a) If withholding is for current support only, the amount to be withheld is the amount specified  
42 as current support in the support order.

43 “(b) If withholding is for current support and there is an arrearage, the amount to be withheld  
44 is 120 percent of the amount specified as current support in the support order.

45 “(c) If withholding is only for arrearage, the amount to be withheld is one of the following:

1           “(A) The amount of the last ordered monthly support.

2           “(B) If there is no last ordered monthly support amount, the monthly support amount used to  
3 calculate the arrearage amount specified in the order or judgment for arrearage.

4           “(C) If there is no last ordered monthly support amount and if there was no monthly support  
5 amount, an amount calculated under the formula established under ORS 25.275. For purposes of this  
6 subparagraph, this calculation shall be based on the obligor’s current monthly gross income or, if  
7 the obligor’s current monthly gross income is not known, the [*Oregon hourly*] **state mandated**  
8 minimum wage converted to a monthly amount based upon a 40-hour workweek, zero income for the  
9 obligee, and one joint child, regardless of how many children the parties may actually have. No re-  
10 buttals to this calculation may be allowed.

11           “(d) Notwithstanding the amount determined to be withheld under paragraph (c) of this sub-  
12 section, the obligor must retain disposable monthly income of at least 160 times the applicable fed-  
13 eral minimum hourly wage prescribed by section 6 (a)(1) of the Fair Labor Standards Act of 1938 (29  
14 U.S.C. 206) or any future minimum hourly wages prescribed in that section, if the order to withhold  
15 is issued for:

16           “(A) Disability benefits payments from the United States Social Security Administration;  
17           “(B) Black lung benefits payments from the United States Department of Labor; or  
18           “(C) Disability benefits payments from the United States Department of Veterans Affairs.

19           “(2) The amount to be withheld from unemployment compensation under ORS chapter 657 is  
20 calculated as follows:

21           “(a) If withholding is for a current support order, regardless of the existence of arrearage, the  
22 amount to be withheld is the lesser of:

23           “(A) Twenty-five percent of the benefits paid; or  
24           “(B) The current monthly support obligation. The entity issuing the order to withhold may con-  
25 vert the monthly support obligation amount to a percentage to be withheld from each benefits pay-  
26 ment.

27           “(b) If withholding is for arrearage only, the amount to be withheld is the lesser of:

28           “(A) Fifteen percent of the benefits paid; or  
29           “(B) The amount of the last ordered monthly support obligation. The entity issuing the order to  
30 withhold may convert the last ordered monthly support obligation amount to a percentage to be  
31 withheld from each benefits payment.

32           “(c) The withholder may not charge or collect a processing fee when withholding from unem-  
33 ployment compensation.

34           “(3) The amount to be withheld from workers’ compensation under ORS chapter 656 is set forth  
35 in ORS 656.234.

36           “(4) Notwithstanding any other provision of this section, when withholding is from a lump sum  
37 payment or benefit, including but not limited to retroactive workers’ compensation benefits, lump  
38 sum retirement plan disbursements or withdrawals, insurance payments or settlements, severance  
39 pay, bonus payments or any other similar payments or benefits that are not periodic recurring in-  
40 come, the amount subject to withholding for payment of a support obligation may not exceed one-  
41 half of the amount of the lump sum payment or benefit.

42           “(5)(a) Notwithstanding any other provision of this section, when the withholding is only for  
43 arrearage, the administrator shall set a lesser amount to be withheld if the obligor demonstrates the  
44 withholding is prejudicial to the obligor’s ability to provide for a child the obligor has a duty to  
45 support or the obligor’s ability to provide for the obligor’s basic needs. The factors to be considered

1 by the administrator in determining whether the obligor can provide for the obligor's basic needs  
2 include but are not limited to:

3 "(A) The health expenses of the obligor;

4 "(B) A verified disability affecting the obligor's ability to work;

5 "(C) Whether the obligor's income remaining after withholding would be less than the self-  
6 support reserve established by rule of the Department of Justice under paragraph (c) of this sub-  
7 section;

8 "(D) The available resources of the obligor; and

9 "(E) The number and basic needs of other persons in the obligor's household.

10 "(b) The administrator shall establish a procedure to give advance and periodic notice to the  
11 obligor of the provisions of paragraph (a) of this subsection and of the means to reduce the amount  
12 stated in the order to withhold.

13 "(c) The Department of Justice shall adopt rules to implement this subsection.

14 "(6) Except as provided in subsection (2) of this section, the withholder may deduct from the  
15 obligor's disposable income a monthly processing fee not to exceed \$5. The processing fee is in ad-  
16 dition to the amount calculated to be withheld for support, unless the amount to be withheld for  
17 support is the maximum allowed under subsection (8) of this section, in which case the fee is de-  
18 ducted from the amount withheld as support.

19 "(7) If there are multiple withholding orders against the same obligor, the amount to be withheld  
20 is the sum of each support order calculated independently.

21 "(8) No withholding as calculated under this section, including the processing fee permitted in  
22 subsection (6) of this section, shall exceed 50 percent of the obligor's net disposable income. The  
23 limit established in this subsection applies whenever withholding is implemented under this section,  
24 whether by a single order or by multiple orders against the same obligor.

25 "(9) When the obligor's income is not sufficient for the withholder to fully comply with each  
26 withholding order, the withholder shall withhold the maximum amount allowed under this section.  
27 If all withholding orders for a particular obligor are payable to or through the department, the  
28 withholder shall pay to the department the income withheld and the department shall determine  
29 priorities for allocating income withheld to multiple child support cases relative to that obligor. If  
30 one or more of the withholding orders for a particular obligor require payment other than to or  
31 through the department, the withholder shall use the following to determine priorities for with-  
32 holding and allocating income withheld to multiple child support cases:

33 "(a) If the amount withheld from the obligor's income is sufficient to pay the current support  
34 due to each case but is not enough to fully comply with the withholding order for each case where  
35 past due support is owed, the withholder shall:

36 "(A) Pay to each case the amount of support due for the current month; and

37 "(B) Pay the remainder of the amount withheld in equal amounts to each case where past due  
38 support is owed. However, no case shall receive more than the total amount of current support and  
39 past due support owed to that case at the time the payment is made.

40 "(b) If the amount withheld is not sufficient to pay the current support due to each case, each  
41 case shall be paid a proportionate share of the amount withheld. The withholder shall determine this  
42 for each case by dividing the monthly amount ordered as current support for that case by the com-  
43 bined monthly amount ordered as current support for all cases relative to the same obligor, and  
44 multiplying this percentage by the total amount withheld.

45 "(10) An order to withhold income is not subject to the limitations of ORS 18.385.

1 “(11) A withholder shall withhold funds as directed in the order to withhold, except that when  
2 a withholder receives an income-withholding order issued by another state, the withholder shall  
3 apply the income-withholding law of the state of the obligor’s principal place of employment in de-  
4 termining:

5 “(a) The withholder’s fee for processing an income-withholding order;

6 “(b) The maximum amount permitted to be withheld from the obligor’s income;

7 “(c) The time periods within which the withholder must implement the income-withholding order  
8 and forward the child support payment;

9 “(d) The priorities for withholding and allocating income withheld for multiple child support  
10 obligees; and

11 “(e) Any withholding terms or conditions not specified in the order.

12 “**SECTION 19.** ORS 137.103 is amended to read:

15 any other criminal conduct admitted by the defendant.

16 “(2) ‘Economic damages’:

17 “(a) Has the meaning given that term in ORS 31.710, except that ‘economic damages’ does not  
18 include future impairment of earning capacity; and

24 Fair Labor Standards Act of 1938 (29 U.S.C. 201 et seq.).

25 “(3) ‘Restitution’ means full, partial or nominal payment of economic damages to a victim.

42 successor in interest, trust, trustee, successor trustee or beneficiary of a trust suffered economic  
43 damages as a result of the offense.

44 “(5) ‘Victim’ does not include any coparticipant in the defendant’s criminal activities.

45 “**SECTION 20.** Section 2, chapter 564, Oregon Laws 2011, is amended to read:

1       “**Sec. 2.** (1) As used in this section:

2       “(a) ‘Discretionary local permit’ includes local land use permits and licenses.

3       “(b) ‘Discretionary state permit’ does not include a permit or license issued by a state permitting

4 agency pursuant to a federally delegated program.

5       “(c) ‘Industrial use’ means employment activities generating income from:

6       “(A) The production, handling or distribution of goods including, but not limited to, manufac-

10       “(d) ‘State permitting agencies’ means the Department of Environmental Quality, the Depart-

11 ment of State Lands and the Department of Transportation.

12       “(2) Industrial development projects of state significance are projects that:

21       “(f) Do not require:

22       “(A) An exception taken under ORS 197.732 to a statewide land use planning goal;

23       “(B) A change to the acknowledged comprehensive plan or land use regulations of the local

24 government within whose land use jurisdiction the industrial development project would occur; or

25       “(C) A federal environmental impact statement under the National Environmental Policy Act.

26       “(3) In lieu of filing an application for a discretionary local permit under ORS 215.402 to 215.438

27 or 227.160 to 227.186, and in lieu of filing an application otherwise required by law for a discre-

28 tionary state permit from a state permitting agency, a person may file an application with the Eco-

29 nomic Recovery Review Council for expedited project review of an industrial development project

30 after first filing with the council a notice of intent to seek expedited project review that includes

31 evidence that the proposed project meets the criteria for state significance set forth in subsection

32 (2) of this section.

33       “(4) The Economic Recovery Review Council, established under section 3 of this 2011 Act, may

34 expedite the permitting of up to 10 industrial development projects of state significance per

35 biennium through an expedited project review process in which the council reviews the proposed

36 project to determine whether the project complies with the standards and criteria for applicable

37 discretionary local permits and discretionary state permits. The expedited project review by the

38 council must include:

39       “(a) Review of the notice of intent filed under subsection (3) of this section and a preliminary

40 determination of whether the proposed project qualifies as an industrial development project of state

41 significance.

42       “(b) Preparation and issuance of a project order, if on review of the notice of intent the pro-

1 discretionary state permit that will be addressed in the expedited project review; and

2 “(B) The deadline for an applicant to file a complete application.

3 “(c) Review of the complete application.

4 “(5) If the applicant files a complete application within the time specified by the council, the  
5 council shall:

6 “(a) Provide notice of the application in the manner required by ORS 197.763 for a land use  
7 decision or in the manner required for a conditional use permit in the applicable acknowledged land  
8 use regulations of the local government within whose land use jurisdiction the proposed project  
9 would occur, whichever results in broader notice;

10 “(b) Provide for a public hearing on the proposed project in the land use jurisdiction in which  
11 the proposed project would occur;

12 “(c) Consider recommendations of the local government and state permitting agencies that would  
13 otherwise have jurisdiction to review the discretionary local permits and discretionary state permits  
14 for the proposed project in determining whether the project complies with applicable standards and  
15 criteria and in determining whether to impose conditions of approval for the project; and

16 “(d) Apply the standards and criteria for each discretionary local permit and discretionary state  
17 permit required for the construction and operation of the proposed project and determine, within  
18 120 days after the date a complete application is filed and based on the record and the applicable  
19 law, whether the project complies with the applicable standards and criteria.

20 “(6) The council has jurisdiction to approve discretionary local permits and discretionary state  
21 permits. The council may not waive standards and criteria that apply to issuance of a discretionary  
22 local permit or a discretionary state permit. If the council determines that the proposed project  
23 complies with the applicable standards and criteria, the council shall issue a project certificate ap-  
24 proving the development project. In addition to other conditions reasonably necessary to ensure that  
25 the proposed project complies with applicable standards and criteria, the council may impose a  
26 condition requiring commencement of construction by a date calculated to ensure that a particular  
27 site is developed for the project within a specific time period. If the council determines that the  
28 project does not, or can not, comply with applicable standards and criteria, the council shall issue  
29 a final order denying the application and explaining why the application was not approved.

30 “(7) A state permitting agency or a local government may recommend conditions of approval  
31 reasonably necessary to ensure that the development project complies with applicable standards and  
32 criteria.

33 “(8) Expedited project review of an industrial development project is not subject to ORS 183.413  
34 to 183.470.

35 “(9) Issuance of a project certificate:

36 “(a) Binds public bodies, as defined in ORS 174.109, in regard to approval of construction and  
37 operation of the development project.

38 “(b) Satisfies requirements imposed on a state permitting agency by ORS 197.180 and adminis-  
39 trative rules implementing ORS 197.180.

40 “(10) After the council issues a project certificate, state permitting agencies and local govern-  
41 ments shall:

42 “(a) Issue discretionary local permits and discretionary state permits as required in the certif-  
43 icate; and

44 “(b) Exercise enforcement authority over the permits, including conditions imposed in the cer-  
45 tificate.

1 “(11) The council shall charge the applicant a fee calculated to recover the costs reasonably  
2 incurred to conduct expedited project review, including the costs incurred by state permitting  
3 agencies and local governments that make recommendations to the council concerning whether the  
4 proposed project complies with applicable standards and criteria. If the fee charged by the council  
5 includes costs incurred by a state permitting agency or a local government, the council shall pay  
6 or reimburse the state permitting agency or the local government in the manner provided by ORS  
7 469.360. The council may require the applicant to pay all or a portion of the fee before initiation  
8 of the expedited project review and may require progress payments as the review proceeds. The fee  
9 required by this section is in lieu of any fee or fees otherwise required for review of a discretionary  
10 local permit or a discretionary state permit addressed in the project certificate. The council shall  
11 deposit moneys received under this section in the Economic Recovery Review Council Fund estab-  
12 lished under section 5 of this 2011 Act.

13 “(12) The Land Use Board of Appeals does not have jurisdiction to consider decisions, aspects  
14 of decisions or actions taken under sections 1 to 5 of this 2011 Act.

15 “(13) A person who participated in the proceedings before the council may appeal a final order  
16 of the council to the Court of Appeals. The appeal shall proceed in the manner provided by ORS  
17 197.850, 197.855 and 197.860. However, notwithstanding ORS 197.850 (9) or any other provision of  
18 law, the court shall reverse or remand the decision only if the court finds that:

19 “(a) The council’s determination that the proposed project qualifies as an industrial development  
20 project of state significance under subsection (2) of this section was clearly in error;

21 “(b) There is a basis to vacate the decision as described in ORS 36.705 (1)(a) to (d) or a basis  
22 for modification or correction of an award as described in ORS 36.710; or

23 “(c) The decision was unconstitutional.

24 “**SECTION 21.** ORS 258.200 is amended to read:

25 “258.200. (1) After receiving notice from the Secretary of State that a recount is to be made, the  
26 official directed to conduct the recount shall appoint counting boards from the list of electors  
27 qualified to vote in the county in which the recount is demanded. The official shall appoint as many  
28 counting boards as may be necessary to complete the recount within the shortest practicable time  
29 after the demand is filed. No member of the counting boards shall have been a candidate for any  
30 office voted upon at the election. The members of a counting board shall not all be members of the  
31 same political party.

32 “(2) Each member of the counting board shall be compensated at a rate not less than the federal  
33 **minimum wage** or state **mandated** minimum wage, whichever is higher.

34 “**SECTION 22.** ORS 315.262 is amended to read:

35 “315.262. (1) As used in this section:

36 “(a) ‘Child care’ means care provided to a qualifying child of the taxpayer for the purpose of  
37 allowing the taxpayer to be gainfully employed, to seek employment or to attend school on a full-  
38 time or part-time basis, except that the term does not include care provided by:

39 “(A) The child’s parent or guardian, unless the care is provided in a certified or registered child  
40 care facility; or

41 “(B) A person who has a relationship to the taxpayer that is described in section 152(a) of the  
42 Internal Revenue Code who has not yet attained 19 years of age at the close of the tax year.

43 “(b) ‘Child care expenses’ means the costs associated with providing child care to a qualifying  
44 child of a qualified taxpayer.

45 “(c) ‘Disability’ means a physical or cognitive condition that results in a person requiring as-

1 sistance with activities of daily living.

2 “(d) ‘Earned income’ has the meaning given that term in section 32 of the Internal Revenue  
3 Code.

4 “(e) ‘Qualified taxpayer’ means a taxpayer:

5 “(A) Who is an Oregon resident with at least \$6,000 of earned income for the tax year or who

20 complied with, if issued.

21 “(h) The issuance of such a certificate would not tend to prevent the development of appren-  
22 ticeship under ORS 660.002 to 660.210 or would not impair established apprenticeship standards in  
23 the occupation or industry involved.

24 “(i) The number of student-learners to be employed in one establishment must not be more than  
25 a small proportion of its working force.

26 “(5) Failure to comply with subsection (2) or (3) of this section shall subject the employer to a  
27 penalty of 75 percent of the **state mandated** minimum wage prescribed by ORS 653.025 for each  
28 hour of work time that the student-learner is gainfully employed. The Commissioner of the Bureau  
29 of Labor and Industries shall have a cause of action against the employer for the recovery of the  
30 penalty.

31 “**SECTION 30.** ORS 653.606 is amended to read:

32 “653.606. (1)(a) Employers that employ at least 10 employees working anywhere in this state  
33 shall implement a sick time policy that allows an employee to earn and use up to 40 hours of paid  
34 sick time per year. Paid sick time shall accrue at the rate of at least one hour of paid sick time for  
35 every 30 hours the employee works or 1-1/3 hours for every 40 hours the employee works.

36 “(b) Employers that employ fewer than 10 employees working anywhere in this state shall im-  
37 plement a sick time policy that allows an employee to earn and use up to 40 hours of unpaid sick  
38 time per year. Unpaid sick time shall accrue at the rate of at least one hour of unpaid sick time for  
39 every 30 hours the employee works or 1-1/3 hours for every 40 hours the employee works.

40 “(c) Employers that employ at least 10 employees working anywhere in this state and front-load  
41 for employees at least 40 hours of paid sick time or paid time off at the beginning of each year used  
42 to calculate the accrual and usage of sick time or time off need not comply with subsections (1)(a)  
43 and (3) of this section.

44 “(d) Employers that employ fewer than 10 employees working anywhere in this state and front-  
45 load for employees at least 40 hours of unpaid sick time or unpaid time off at the beginning of each

1 year used to calculate the accrual and usage of sick time or time off need not comply with sub-  
2 sections (1)(b) and (3) of this section.

3 “(2)(a) The number of employees employed by an employer shall be ascertained by determining  
4 that the per-day average number of employees is 10 or greater for each of 20 workweeks in the  
5 calendar year or the fiscal year of the employer immediately preceding the year in which the leave  
6 is to be taken.

7 “(b) If the business of the employer was not in existence for the entire year preceding the de-  
8 termination made under paragraph (a) of this subsection, the number of employees shall be based  
9 on any 20 workweeks preceding the request for sick time, which may include workweeks in the  
10 current year, the preceding year or a combination of workweeks in the current year and the pre-  
11 ceding year.

12 “(3) An employee shall begin to earn and accrue sick time on the first day of employment with  
13 an employer. The employee may carry over up to 40 hours of unused sick time from one year to a  
14 subsequent year. However, an employer may adopt a policy that limits:

15 “(a) An employee to accruing no more than 80 hours of sick time; or

16 “(b) An employee to using no more than 40 hours of sick time in a year.

17 “(4)(a) An employer is not required to carry over unused sick time if, by mutual consent, the  
18 employer and an employee agree that:

19 “(A) If the employer has 10 or more employees working anywhere in this state, the employee  
20 will be paid for all unused paid sick time at the end of the year in which the sick time is accrued  
21 and the employer will credit the employee with an amount of paid sick time that meets the re-  
22 quirements of this section on the first day of the immediately subsequent year; or

23 “(B) If the employer has fewer than 10 employees working anywhere in this state, the employer  
24 will credit the employee with an amount of sick time that meets the requirements of this section  
25 on the first day of the immediately subsequent year.

26 “(b) The Commissioner of the Bureau of Labor and Industries shall adopt rules for the determi-  
27 nation of the number of employees employed by an employer.

28 “(5)(a) An employee is eligible to use sick time beginning on the 91st calendar day of employ-  
29 ment with the employer and may use sick time as it is accrued.

30 “(b) An employer may authorize an employee to use accrued sick time prior to the 91st calendar  
31 day of employment.

32 “(c)(A) An employer that employs 10 or more employees working anywhere in this state shall  
33 pay an employee for accrued sick time used at the regular rate of pay of the employee.

34 “(B) For an employee employed on a commission or piece-rate basis by an employer that employs  
35 10 or more employees working anywhere in this state, the employer shall pay the employee for ac-  
36 crued sick time used at the employee’s regular rate of pay. If the employee is paid on a commission  
37 or piece-rate basis and does not have a previously established regular rate of pay, the employer shall  
38 pay the employee at a rate equal to at least the **state mandated** minimum wage specified in ORS  
39 653.025.

40 “(6) An employee who is exempt from overtime requirements under 29 U.S.C. 213(a)(1) of the  
41 federal Fair Labor Standards Act of 1938 is presumed to work 40 hours in each workweek for the  
42 purpose of accrual of sick time unless the actual workweek of the employee is less than 40 hours,  
43 in which case sick time accrues based on the actual workweek of the employee.

44 “(7) Nothing in ORS 653.601 to 653.661 requires an employer to compensate an employee for  
45 accrued unused sick time upon the employee’s termination, resignation, retirement or other sepa-

1 ration from employment.

2 “(8) An employer may not require an employee to:

3 “(a) Search for or find a replacement worker as a condition of the employee’s use of accrued  
4 sick time; or

5 “(b) Work an alternate shift to make up for the use of sick time.

6 “(9) Upon mutual consent by the employee and the employer, an employee may work additional  
7 hours or shifts to compensate for hours or shifts during which the employee was absent from work  
8 without using accrued sick time for the hours or shifts missed. However, the employer may not  
9 require the employee to work additional hours or shifts authorized by this subsection. If the em-  
10 ployee works additional hours or shifts, the employer must comply with any applicable federal, state  
11 or local laws regarding overtime pay.

12 “(10) An employee retains accrued sick time if the employer sells, transfers or otherwise assigns  
13 the business or an interest in the business to another employer.

14 “(11)(a) An employer shall restore previously accrued unused sick time to an employee who is  
15 reemployed by that employer within 180 days of separation from employment with the employer.

16 “(b) If an employee leaves employment with an employer before the 91st day of employment and  
17 subsequently is reemployed by that employer within 180 days of separation from employment, the  
18 employer shall restore the accrued sick time balance the employee had when the employee left the  
19 employment of the employer and the employee may use accrued sick time after the combined total  
20 of days of employment with the employer exceeds 90 calendar days.

21 “(12) If an employee is transferred to a separate division, entity or location of the employer but  
22 remains employed by that same employer, the employee is entitled to use all sick time accrued while  
23 working at the former division, entity or location of the employer and is entitled to retain or use  
24 all sick time as provided by ORS 653.601 to 653.661.

25 “(13) Employers located in a city with a population exceeding 500,000 shall comply with ORS  
26 653.601 to 653.661, except that:

27 “(a) If an employer located in a city with a population exceeding 500,000 employs at least six  
28 employees working anywhere in this state, the employer shall implement a policy consistent with  
29 this section as it applies to employers with at least 10 employees working anywhere in this state.

30 “(b) If an employer located in a city with a population exceeding 500,000 employs fewer than six  
31 employees working anywhere in this state, the employer shall implement a policy consistent with  
32 this section as it applies to employers with fewer than 10 employees working anywhere in this state.

33 “**SECTION 31.** ORS 656.802 is amended to read:

34 “656.802. (1)(a) As used in this chapter, ‘occupational disease’ means any disease or infection  
35 arising out of and in the course of employment caused by substances or activities to which an em-  
36 ployee is not ordinarily subjected or exposed other than during a period of regular actual employ-  
37 ment therein, and which requires medical services or results in disability or death, including:

38 “(A) Any disease or infection caused by ingestion of, absorption of, inhalation of or contact with  
39 dust, fumes, vapors, gases, radiation or other substances.

40 “(B) Any mental disorder, whether sudden or gradual in onset, which requires medical services  
41 or results in physical or mental disability or death.

42 “(C) Any series of traumatic events or occurrences which requires medical services or results  
43 in physical disability or death.

44 “(b) As used in this chapter, ‘mental disorder’ includes any physical disorder caused or worsened  
45 by mental stress.

1 “(2)(a) The worker must prove that employment conditions were the major contributing cause  
2 of the disease.

3 “(b) If the occupational disease claim is based on the worsening of a preexisting disease or  
4 condition pursuant to ORS 656.005 (7), the worker must prove that employment conditions were the  
5 major contributing cause of the combined condition and pathological worsening of the disease.

6 “(c) Occupational diseases shall be subject to all of the same limitations and exclusions as ac-  
7 cidental injuries under ORS 656.005 (7).

8 “(d) Existence of an occupational disease or worsening of a preexisting disease must be estab-  
9 lished by medical evidence supported by objective findings.

10 “(e) Preexisting conditions shall be deemed causes in determining major contributing cause un-  
11 der this section.

12 “(3) Notwithstanding any other provision of this chapter, a mental disorder is not compensable  
13 under this chapter unless the worker establishes all of the following:

14 “(a) The employment conditions producing the mental disorder exist in a real and objective  
15 sense.

16 “(b) The employment conditions producing the mental disorder are conditions other than condi-  
17 tions generally inherent in every working situation or reasonable disciplinary, corrective or job  
18 performance evaluation actions by the employer, or cessation of employment or employment deci-  
19 sions attendant upon ordinary business or financial cycles.

20 “(c) There is a diagnosis of a mental or emotional disorder which is generally recognized in the  
21 medical or psychological community.

22 “(d) There is clear and convincing evidence that the mental disorder arose out of and in the  
23 course of employment.

24 “(4) Death, disability or impairment of health of firefighters of any political division who have  
25 completed five or more years of employment as firefighters, caused by any disease of the lungs or  
26 respiratory tract, hypertension or cardiovascular-renal disease, and resulting from their employment  
27 as firefighters is an ‘occupational disease.’ Any condition or impairment of health arising under this  
28 subsection shall be presumed to result from a firefighter’s employment. However, any such fire-  
29 fighter must have taken a physical examination upon becoming a firefighter, or subsequently thereto,  
30 which failed to reveal any evidence of such condition or impairment of health which preexisted  
31 employment. Denial of a claim for any condition or impairment of health arising under this sub-  
32 section must be on the basis of clear and convincing medical evidence that the cause of the condi-  
33 tion or impairment is unrelated to the firefighter’s employment.

34 “(5)(a) Death, disability or impairment of health of a nonvolunteer firefighter employed by a  
35 political division or subdivision who has completed five or more years of employment as a nonvol-  
36 unteer firefighter is an occupational disease if the death, disability or impairment of health:

37 “(A) Is caused by brain cancer, colon cancer, stomach cancer, testicular cancer, prostate cancer,  
38 multiple myeloma, non-Hodgkin’s lymphoma, cancer of the throat or mouth, rectal cancer, breast  
39 cancer or leukemia;

40 “(B) Results from the firefighter’s employment as a nonvolunteer firefighter; and

41 “(C) Is first diagnosed by a physician after July 1, 2009.

42 “(b) Any condition or impairment of health arising under this subsection is presumed to result  
43 from the firefighter’s employment. Denial of a claim for any condition or impairment of health aris-  
44 ing under this subsection must be on the basis of clear and convincing medical evidence that the  
45 condition or impairment was not caused or contributed to in material part by the firefighter’s em-

1 ployment.

2 “(c) Notwithstanding paragraph (b) of this subsection, the presumption established under para-  
3 graph (b) of this subsection may be rebutted by clear and convincing evidence that the use of to-  
4 bacco by the nonvolunteer firefighter is the major contributing cause of the cancer.

5 “(d) The presumption established under paragraph (b) of this subsection does not apply to pro-  
6 state cancer if the cancer is first diagnosed by a physician after the firefighter has reached the age  
7 of 55. However, nothing in this paragraph affects the right of a firefighter to establish the  
8 compensability of prostate cancer without benefit of the presumption.

9 “(e) The presumption established under paragraph (b) of this subsection does not apply to claims  
10 filed more than 84 months following the termination of the nonvolunteer firefighter’s employment  
11 as a nonvolunteer firefighter. However, nothing in this paragraph affects the right of a firefighter  
12 to establish the compensability of the cancer without benefit of the presumption.

13 “(f) The presumption established under paragraph (b) of this subsection does not apply to vol-  
14 unteer firefighters.

15 “(g) Nothing in this subsection affects the provisions of subsection (4) of this section.

16 “(h) For purposes of this subsection, ‘nonvolunteer firefighter’ means a firefighter who performs  
17 firefighting services and receives salary, hourly wages equal to or greater than the state **mandated**  
18 minimum wage, or other compensation except for room, board, lodging, housing, meals, stipends,  
19 reimbursement for expenses or nominal payments for time and travel, regardless of whether any  
20 such compensation is subject to federal, state or local taxation. ‘Nominal payments for time and  
21 travel’ includes, but is not limited to, payments for on-call time or time spent responding to a call  
22 or similar noncash benefits.

23 “(6) Notwithstanding ORS 656.027 (6), any city providing a disability and retirement system by  
24 ordinance or charter for firefighters and police officers not subject to this chapter shall apply the  
25 presumptions established under subsection (5) of this section when processing claims for firefighters  
26 covered by the system.

27 “**SECTION 32.** ORS 657.325 is amended to read:

28 “657.325. (1) An individual shall be eligible to receive extended benefits with respect to any  
29 week of unemployment in the individual’s eligibility period only if the Director of the Employment  
30 Department finds that with respect to such week the individual:

31 “(a) Is an exhaustee;

32 “(b) Has satisfied the requirements of this chapter for the receipt of regular benefits that are  
33 applicable to individuals claiming extended benefits, including not being subject to a disqualification  
34 for the receipt of benefits; and

35 “(c) Has been paid wages by an employer or employers subject to the provisions of this chapter  
36 during the base period of the individual’s applicable benefit year in an amount equal to or in excess  
37 of 40 times the individual’s applicable weekly benefit amount.

38 “(2) The weekly extended benefit amount payable to an individual for a week of total unem-  
39 ployment in the individual’s eligibility period shall be an amount equal to the weekly benefit amount  
40 payable to the individual during the applicable benefit year.

41 “(3) The maximum extended benefit amount payable to any eligible individual with respect to  
42 the applicable benefit year shall be:

43 “(a) 50 percent of the total amount of regular benefits which were payable to the individual  
44 under this chapter in the applicable benefit year; or

45 “(b) With respect to weeks beginning in a high unemployment period, 80 percent of the total

1 amount of regular benefits which were payable to the individual under this chapter in the applicable  
2 benefit year.

3 “(4) Notwithstanding subsection (1) of this section, extended benefits shall not be payable to any  
4 individual for any week pursuant to an interstate claim filed in any other state under the interstate  
5 benefit payment plan if an extended benefit period is not in effect for such week in such other state.

6 “(5) The provisions of subsection (4) of this section shall not apply with respect to the first two  
7 weeks for which extended benefits would otherwise be payable to an individual pursuant to an  
8 interstate claim filed under the interstate benefit payment plan.

9 “(6) Notwithstanding the provisions of subsections (1) to (5) and (12) of this section, an individ-  
10 ual shall be ineligible for payment of extended benefits for any week of unemployment in the  
11 individual’s eligibility period if the director finds that during such week:

12 “(a) The individual failed to accept any offer of suitable work or failed to apply for any suitable  
13 work, as defined under subsection (8) of this section, to which the individual was referred by the  
14 director; or

15 “(b) The individual failed to actively engage in seeking work as prescribed under subsection (10)  
16 of this section.

17 “(7) Any individual who has been found ineligible for extended benefits by reason of the pro-  
18 visions in subsection (6) of this section shall also be denied benefits beginning with the first day of  
19 the week following the week in which such failure occurred and until the individual has been em-  
20 ployed in each of four subsequent weeks, whether or not consecutive, and has earned remuneration  
21 equal to not less than four times the extended weekly benefit amount.

22 “(8)(a) For purposes of this section, the term ‘suitable work’ means, with respect to any indi-  
23 vidual, any work which is within such individual’s capabilities, provided, however:

24 “(A) That the gross average weekly remuneration payable for the work must exceed the sum  
25 of the individual’s weekly benefit amount and the amount, if any, of supplemental unemployment  
26 benefits, as defined in section 501(c)(17)(D) of the Internal Revenue Code, payable to such individual  
27 for such week; and

28 “(B) The work must pay wages which equal or exceed the higher of the state [*or*] **mandated**  
29 **minimum wage, the** local minimum wage or the minimum wage provided by section 6 (a)(1) of the  
30 Fair Labor Standards Act of 1938, without regard to any exemption;

31 “(b) No individual shall be denied extended benefits for failure to accept an offer of or referral  
32 to any job which meets the definition of suitability as described herein if:

33 “(A) The position was not offered to such individual in writing or was not listed with the Em-  
34 ployment Department; or

35 “(B) Such failure could not result in a denial of benefits under the definition of suitable work  
36 for regular benefit claimants pursuant to ORS 657.190 to the extent that the criteria of suitability  
37 are not inconsistent with the provisions of this section; or

38 “(C) The individual furnishes satisfactory evidence to the director that the individual’s prospects  
39 for obtaining work in the individual’s customary occupation within a reasonably short period are  
40 good. If such evidence is deemed satisfactory for this purpose, the determination of whether any  
41 work is suitable with respect to such individual shall be made in accordance with the definition of  
42 suitable work in ORS 657.190 without regard to the definition specified in this subsection.

43 “(9) Notwithstanding the provisions of subsection (8) of this section to the contrary, no work  
44 shall be deemed to be suitable work for an individual which does not accord with the labor standard  
45 provisions required by section 3304(a)(5) of the Internal Revenue Code and as set forth in ORS

1 657.195.

2 “(10) For the purposes of subsection (6)(b) of this section, an individual shall be treated as ac-  
3 tively engaged in seeking work during any week if:

4 “(a) The individual has engaged in a systematic and sustained effort to obtain work during such  
5 week; and

6 “(b) The individual furnishes tangible evidence of engaging in such effort during such week.

7 “(11) The Employment Department shall refer any claimant entitled to extended benefits to any  
8 suitable work which meets the criteria prescribed in subsection (8) of this section.

9 “(12) An individual shall not be eligible to receive extended benefits under this section if the  
10 individual has been disqualified for regular or extended benefits under ORS 657.176 (2) unless the  
11 individual has satisfied the disqualification as provided in ORS 657.176 (2).

12 “(13) Subsections (6) to (11) of this section shall not apply to weeks of unemployment beginning  
13 after March 6, 1993, and before January 1, 1995.

14 “**SECTION 33.** ORS 660.142 is amended to read:

15 “660.142. (1) A training agent may not pay an apprentice at a rate less than that obtained by  
16 applying the schedule, set forth in the applicable standards, at the apprentice’s level of apprentice-  
17 ship, to the journeyworker hourly rate of wage currently in effect for journeyworkers in the occu-  
18 pation for which the apprentice is being trained, as determined by the appropriate local joint  
19 committee.

20 “(2) The journeyworker hourly wage rate shall be the average hourly wage currently being paid  
21 by the training agents participating in a program to their skilled workers, that is, to those employ-  
22 ees with demonstrated knowledge, experience and proficiency in that trade or occupation who are  
23 currently performing the type of work for which the apprentice is to be trained. Upon receipt of a  
24 committee’s determination of its current journeyworker hourly rate of wage, the State Director of  
25 Apprenticeship and Training shall cause notice of the determination to be promptly mailed to all  
26 apprentices and training agents participating in the program. The determination shall be in effect  
27 from the date set forth in the determination or, lacking such date, from the first of the month fol-  
28 lowing the mailing of the determination. However, neither the wage determination nor the effective  
29 date alters the terms or effect of an existing collective bargaining agreement.

30 “(3) If a higher journeyworker hourly wage rate is prescribed by federal or state law for work  
31 on a particular project, the higher rate is controlling for purposes of determining apprentice wages  
32 applicable to that particular project.

33 “(4) Nothing stated in ORS 660.002 to 660.210 shall be construed to supersede the minimum wage  
34 or overtime provisions of ORS chapters 652 and 653, or the rules adopted under ORS chapter 652  
35 or 653. Anything to the contrary notwithstanding, the entry wage (that wage derived by applying  
36 the lowest percentage on the schedule to the current journeyworker hourly wage rate) may not be  
37 less than the federal or state **mandated** minimum wage rate, whichever is higher.

38 “(5) The State Apprenticeship and Training Council may make such exceptions to the apprentice  
39 wage schedule or journeyworker hourly wage rate, and to the minimum numeric ratio of  
40 journeyworkers to apprentices, as it deems necessary or advisable to further the operation of ap-  
41 prenticeship and training programs in Department of Corrections and Oregon Youth Authority in-  
42 stitutions.

43 “**SECTION 34. This 2016 Act shall be submitted to the people for their approval or re-  
44 jection at the next regular general election held throughout the state.”.**
