12 **SECTION 4.** (1) A user may use an online tool to direct the custodian to disclose to a  
13 designated recipient or not to disclose some or all of the user's digital assets, including the  
14 content of electronic communications. If the online tool allows the user to modify or delete  
15 a direction at all times, a direction regarding disclosure using an online tool overrides a  
16 contrary direction by the user in a will, trust, power of attorney or other record.

18 section, or if the custodian has not provided an online tool, the user may allow or prohibit

25 **SECTION 5.** (1) Sections 2 to 18 of this 2016 Act do not change or impair a right of a

27 the user.

28 (2) Sections 2 to 18 of this 2016 Act do not give a fiduciary or a designated recipient any  
29 new or expanded rights other than those held by the user for whom, or for whose estate, the  
30 fiduciary or designated recipient acts or represents.

31 (3) A fiduciary's or designated recipient's access to digital assets may be modified or  
32 eliminated by a user, by federal law or by a terms-of-service agreement if the user has not  
33 provided direction under section 4 of this 2016 Act.

34 **SECTION 6.** (1) When disclosing digital assets of a user under sections 2 to 18 of this 2016

39 (c) Provide a fiduciary or designated recipient a copy in a record of any digital asset that,  
40 on the date the custodian received the request for disclosure, the user could have accessed  
41 if the user were alive and had full capacity and access to the account.

42 (2) A custodian may assess a reasonable administrative charge for the cost of disclosing  
43 digital assets under sections 2 to 18 of this 2016 Act.

44 (3) A custodian need not disclose under sections 2 to 18 of this 2016 Act a digital asset  
45 deleted by a user.

1 (4) If a user directs, or a fiduciary requests, a custodian to disclose some, but not all,  
2 of the user's digital assets under sections 2 to 18 of this 2016 Act, the custodian need not  
3 disclose the digital assets if segregation of the digital assets would impose an undue burden  
4 on the custodian. If the custodian believes the direction or request imposes an undue burden,  
5 the custodian or fiduciary may seek an order from the court to disclose:

- 6 (a) A subset limited by date of the user's digital assets;
- 7 (b) All of the user's digital assets to the fiduciary or designated recipient;
- 8 (c) None of the user's digital assets; or
- 9 (d) All of the user's digital assets to the court for review in camera.

11 tents of electronic communications of the user, the custodian shall disclose to the personal

20 of electronic communications; and
- 21 (5) If requested by the custodian:
  - 22 (a) A number, user name, address or other unique subscriber or account identifier as-  
23 signed by the custodian to identify the user's account;
  - 24 (b) Evidence linking the account to the user; or
  - 25 (c) A finding by the court that:
    - 26 (A) The user had a specific account with the custodian, identifiable by the information  
27 specified in paragraph (a) of this subsection;
    - 28 (B) Disclosure of the content of electronic communications of the user would not violate  
29 18 U.S.C. 2701 et seq., 47 U.S.C. 222 or other applicable law;
    - 30 (C) Unless the user provided direction using an online tool, the user consented to dis-  
31 closure of the content of electronic communications; or
    - 32 (D) Disclosure of the content of electronic communications of the user is reasonably  
33 necessary for administration of the estate.

34 **SECTION 8.** Unless the user prohibited disclosure of digital assets or the court directs  
35 otherwise, a custodian shall disclose to the personal representative of the estate of a de-  
36 ceased user a catalogue of electronic communications sent or received by the user and digital  
37 assets, other than the content of electronic communications, of the user if the personal  
38 representative gives the custodian:

- 40 (2) A certified copy of the death certificate of the user;

45 signed by the custodian to identify the user's account;

1 (b) Evidence linking the account to the user;

2 (c) An affidavit stating that disclosure of the user's digital assets is reasonably necessary  
3 for administration of the estate; or

4 (d) A finding by the court that:

5 (A) The user had a specific account with the custodian, identifiable by the information  
6 specified in paragraph (a) of this subsection; or

7 (B) Disclosure of the user's digital assets is reasonably necessary for administration of  
8 the estate.

9 **SECTION 9.** To the extent a power of attorney expressly grants an agent authority over  
10 the content of electronic communications sent or received by the principal and unless di-  
11 rected otherwise by the principal or the court, a custodian shall disclose to the agent the  
12 content if the agent gives the custodian:

14 (2) An original or copy of the power of attorney expressly granting the agent authority  
15 over the content of electronic communications of the principal;

23 in a power of attorney, a custodian shall disclose to an agent with specific authority over  
24 digital assets or general authority to act on behalf of a principal a catalogue of electronic

10       **SECTION 13.** Unless otherwise ordered by the court, directed by the user or provided in  
11 a trust, a custodian shall disclose to a trustee that is not an original user of an account a  
12 catalogue of electronic communications sent or received by an original or successor user and  
13 stored, carried or maintained by the custodian in an account of the trust and any digital
