

HOUSING CHOICE TRENDS

From Inception through January, 2017

Figure 1.1: Counties Participating. Represents the approved and/or completed applications. Twenty-one counties have been represented in the program to date.

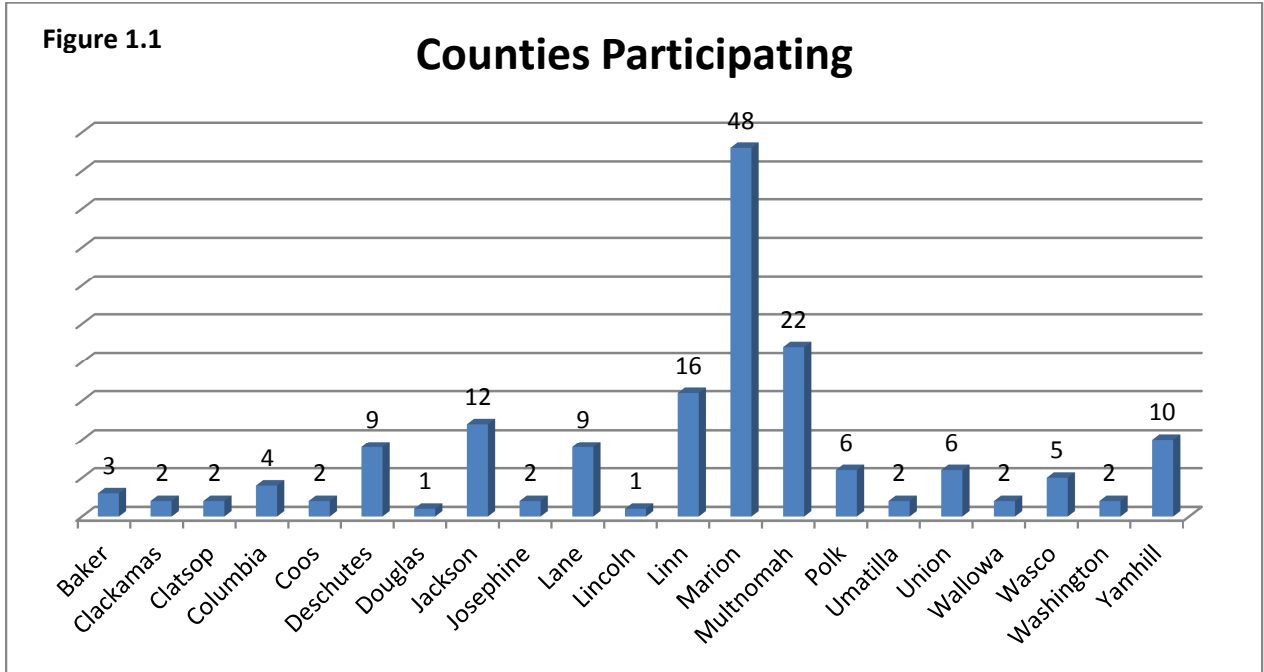

Figure 1.2: Applications Received. Represents all applications received, including those applications that were denied.

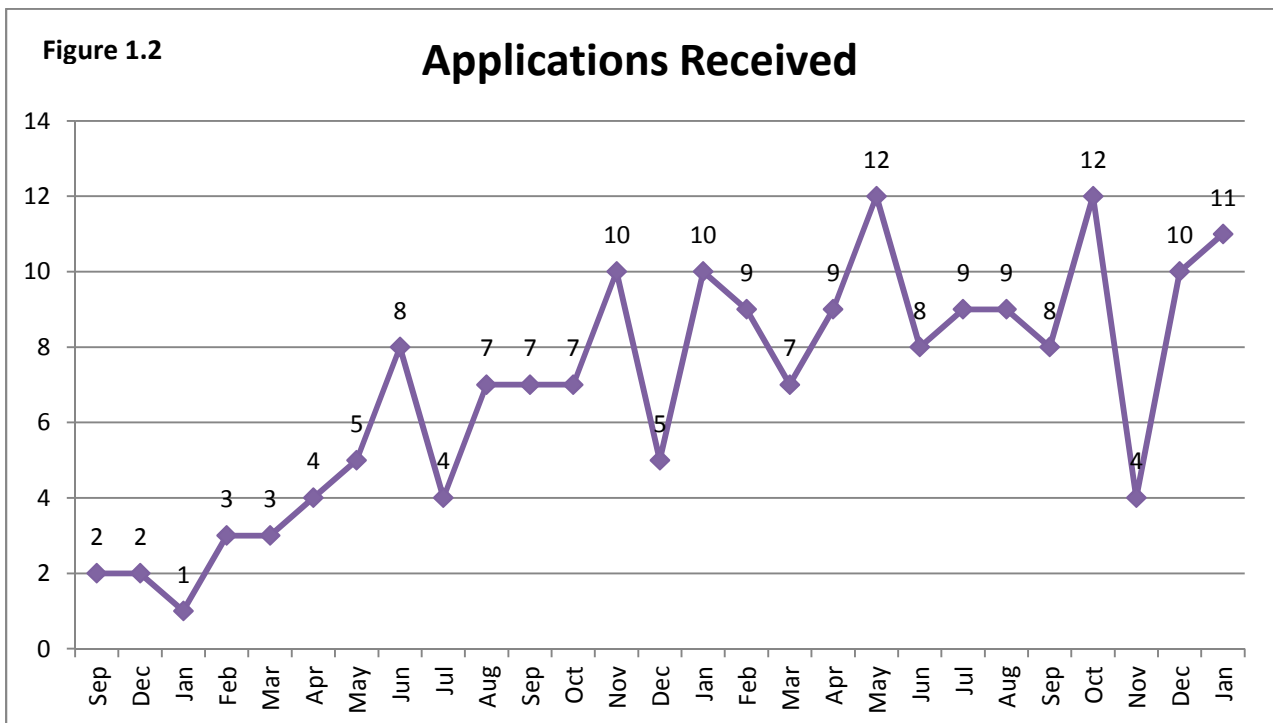

Figure 2. 1: Paid Claims. Represents the quantity of claims that have been paid in each dollar category.

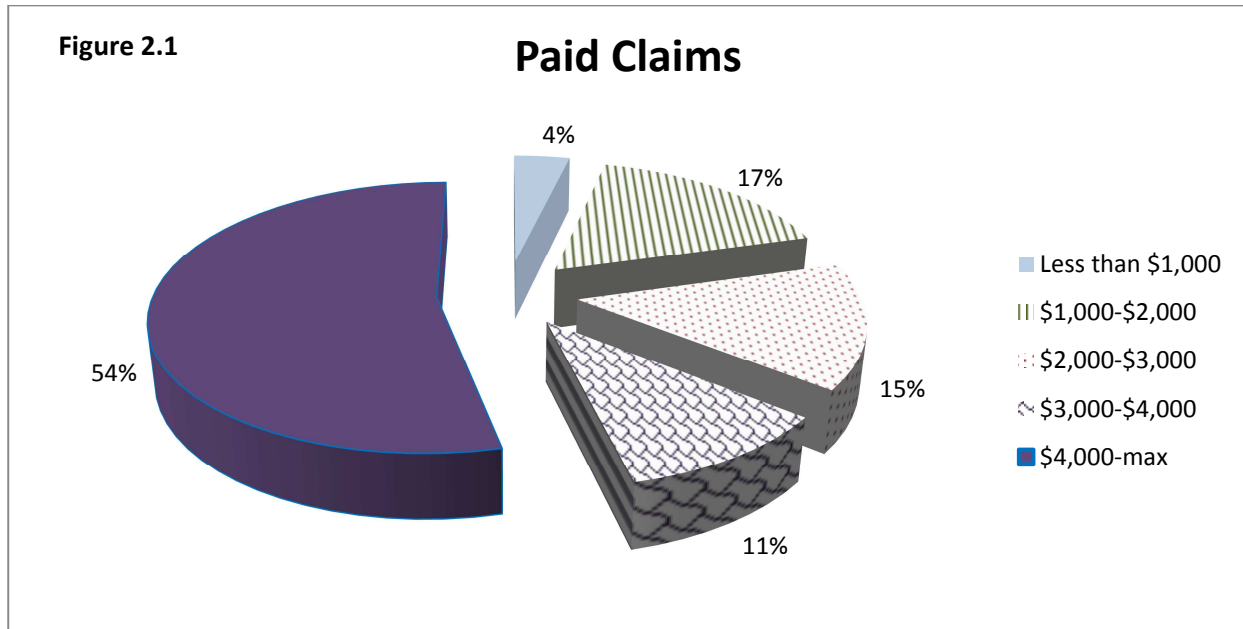

Figure 2.2: Judgment Expenses. Represents the total amount of expenses as they are identified in the judgment and supporting documentation for approved and/or completed applications. This is not representative of the amount of claims paid. Property damages account for eighty percent of monies awarded to Housing Choice landlords that have submitted claims to OHCS.

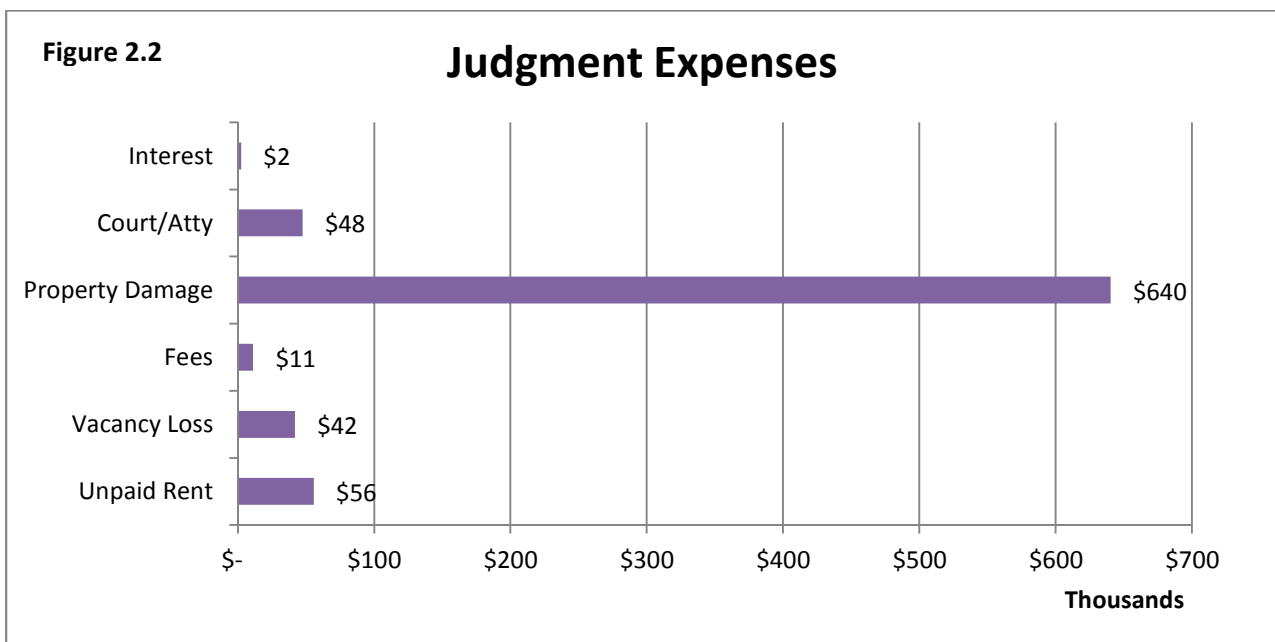

Figure 3. 1: Tenant Disposition. Represents the final disposition of the tenant, including those tenants that are still in the notification process.

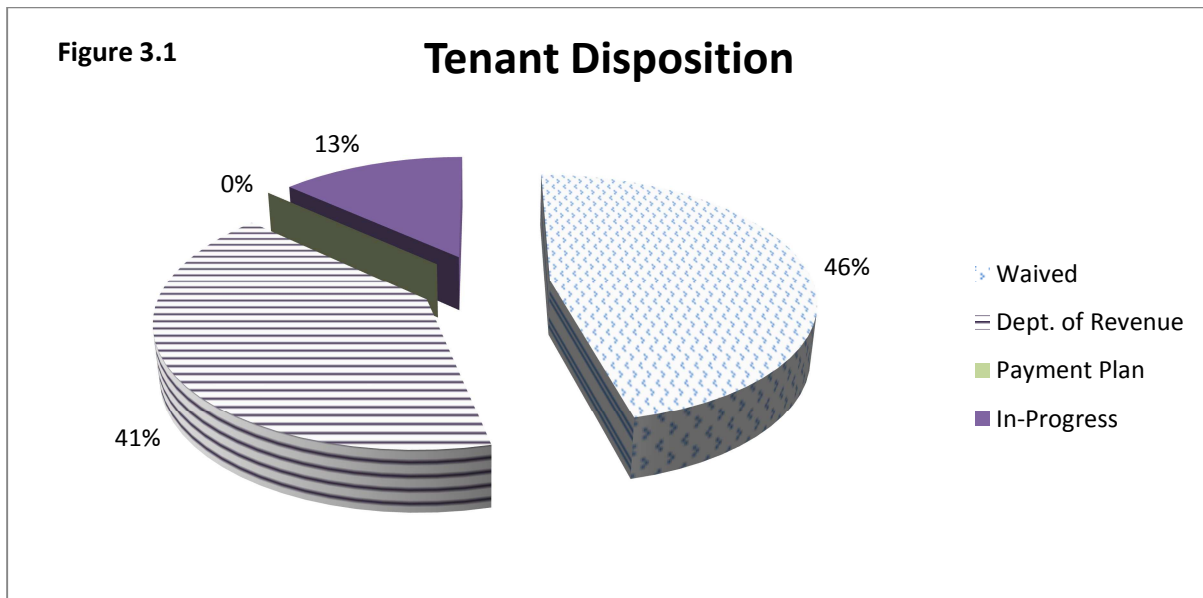

Figure 3.2: Judgment Disposition. Represents the final judgment disposition of approved and/or completed applications.

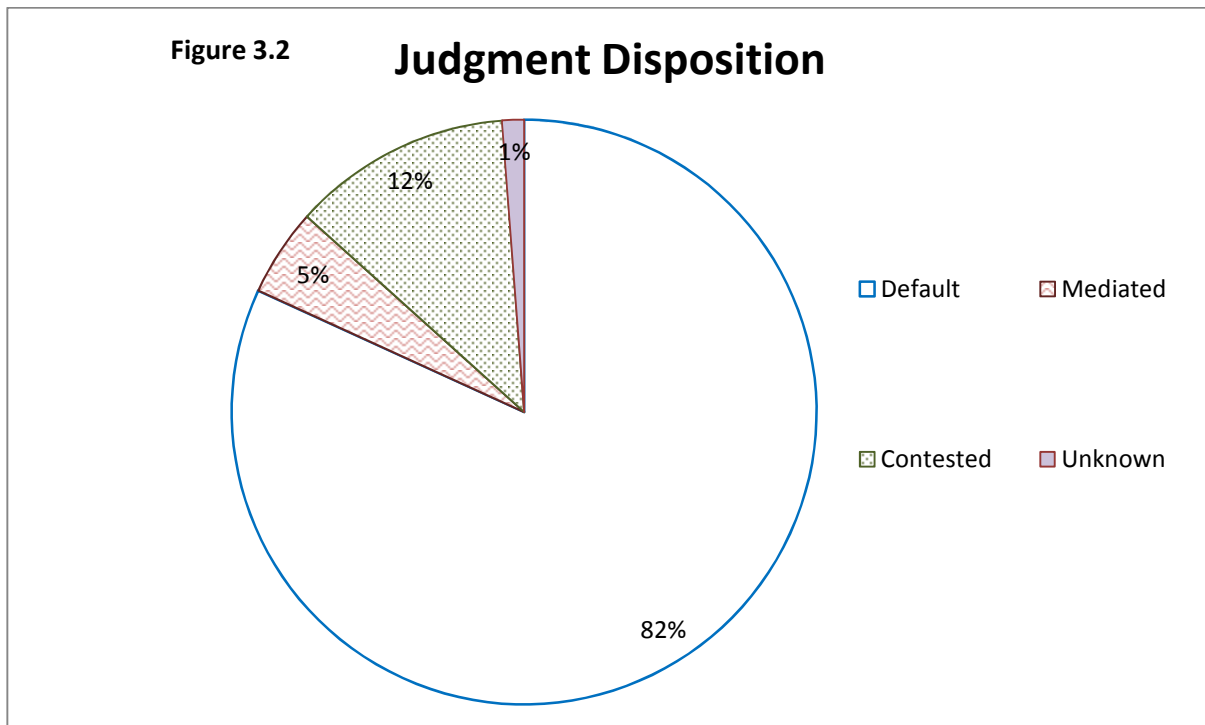

Figure 4.1: Voucher Type. Represents the type of voucher tenant received for approved and/or completed applications.

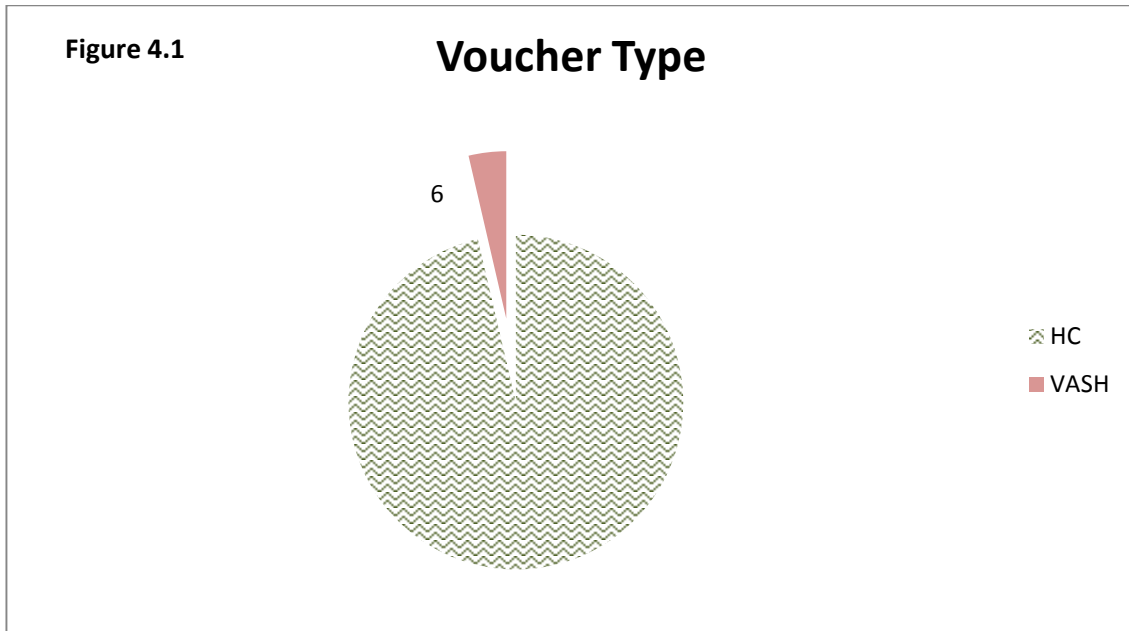

Figure 4.2: Years in Rental Property. Represents the number of years a tenant was in the rental property before judgment for approved and/or completed applications.
