No amendment.

**BACKGROUND:**

ORS 320.305 imposes a state tax of one percent on the sale, service or furnishing of transient lodging. "Transient lodging" includes a hotel, motel and inn dwelling unit that is used for temporary overnight human occupancy; spaces used for parking recreational vehicles or erecting tents during periods of human occupancy; or houses, cabins, condominiums, apartment units or other dwelling units, or portions of any of these dwelling units, that are used for temporary human occupancy.

Senate Bill 745 would direct transient lodging tax revenue (after refunds) collected by the Oregon Department of Parks and Recreation (OPRD) for providing transient lodging at state recreation areas located along the ocean shore to a new Ocean Beach Fund. The Fund would be used to pay for OPRD expenses for managing state recreation areas along the ocean shore.
